**Gentle Energy Touch** Jan 15 2020 Imagine being able to utilize the power of your mind for the purpose of healing with Universal Energy—just by asking. *Gentle Energy Touch*, a form of energy medicine pioneered by Barbara Savin, does just that by using intention to begin the healing process of an individual. In *Gentle Energy Touch* readers will learn some of Savin's basic, hands-on techniques for assisting the body's natural ability to heal itself. The beauty of the *Gentle Energy Touch* approach is that while it can produce results on its own, it also complements all medical treatments and modalities, often shortening treatment and speeding healing. It is particularly effective for pain management and has also been used successfully to treat depression and anxiety, skin problems, heart disease, even cancer, mitigating the nastiest side effects of conventional treatment and generally helping the body marshal its own resources for getting well. *Gentle Energy Touch* includes more than 50 photographs and simple explanations of the chakras and auras and how energy moves—and gets stuck—in the body, and then guides readers through an energy healing

session including hands-on positions for different ailments and a closing and grounding at the end.

*Life's But a Game! Go with the Flow!* Jan 27 2021 Life's But a Game! Go With the Flow! Who am I? Where am I from? Why am I here? Who is God? Does God exist? Where do I find God? What happens when I die? These are the questions being asked by today's teenagers and young adults. And more so now than ever before! We are living in troubled times, troubles not of our teenagers' making. We need to empower our young people with the truth about life, about God and about how this world of

ours can be fixed, how the damage already done can be undone. As long-held institutions and beliefs tumble down around us, we need to explain to our young people that life is a game; a game of fun and not to be taken too seriously. We need to explain the rules of the game to our young people, the Spiritual Laws of the Universe, adherence to which promises a life of peace, fulfillment and abundance. Young people are our future, the future rulers of our Planet Earth. It is non-negotiable that they be given the truth! Truth is power! Knowledge is power! This book provides the answers to the questions our young people are constantly asking. This book explains how life is meant to be enjoyed, not lived in a constant pursuit of getting, getting, getting; going, going, going; doing, doing, doing. We are all meant to just be. Armed with the truth and with Spiritual knowledge, our young people can go forth to fulfil their destiny; to return our world to being a world of love, sharing, peace and Oneness with All That Is.

**Universal Healing Manual** Feb 08 2022 UNIVERSAL HEALING: is an Ancient, Angelic Distance Energy Healing System, Mainly For Internal, Self Healing And may be Used To Give hands on Healing; To Other People, You channel white, matter. And different types of matter. In this Universal Healing: you have control over this energy flow. It may be possible to slow this healing, it is not possible to stop it completely. The 1st level Attunment After this attunement: for the first three months you are not alone, call and I will send you free healing, and advice about universal healing; by text or email. The 1st level attunment will connect you to source, and allow a flow of light through you to take place. Once you are attuned, you will have control, over your own healing energy flow. This healing is on all the time; even if you are incapacitated. This energy will work constantly to regenerate your bodies physical systems. This flow at first will be felt, then in time you will not be aware of its flow, you will be used to it, when you have a pain in your body; instead of trying to ignore it, think about it: ask for the pain to stop; the pain will decrease. (Pain is a way the body lets you know, there is a problem area, you need to work on; sometimes long term problems, may take you time to find within you; what you need to work on to clear it) Think about the area, and it will receive healing. The 2nd level Attunment On this level you will be given tools of empowerment: These are diagrams of energy tools. Most of these special abilities you already have, and are unaware of: These tools will in time enhance the gifts within you. Each person has their own abilities, as you use these diagrams within your body, to heal your internal body systems, you will improve the manifestation part of your brain. This is the part of your brain that manifests your every day life, that allows you to walk through this playground I call life path. Of course this process is not easy, but it's fun. The Master Attunment This is the level you will be taught how to do the attunements: This is a simple process to teach you how to pass on this healing system to other people; the power within you has increased. The ability to regenerate tissue within you has increased, now your internal BA and KA channels are starting to increase in strength, and are used to heal your internal body systems with more efficiency. Channels: the main ones are the meridians: the KA channels and the fine BA channels, these flow through the immune system, and through the minute cell matrix systems; this is where most of the problems arise when the body starts to break down. In a domino effect through out the bodies physical Holographic matrix. All this is irrelevant because you don't need to know all this, to use this healing system. IE if you drive a car you only need to know how to drive it. There is no need to know, how to fix it, for this you call in an expert mechanic. It's the same for universal healing, to fix your self call in the angels and they will fix you. Most of your self healing, and expansion, and learning; has now taken place, from this point on, you will receive information and guidance: from me as an equal. The 2nd phase level This is an expansion of your physical and emotional awareness you will feel peace throughout your being, this expansion may be felt by every one around you, they may see the difference in you, as you gain more control over the environment around you. The Grand master Attunment This attunement will in time dispel completely the egos control over you, bringing you into balance. Allowing the I am Presence to shine through. Your peaceful light, may shine around you, for about 200 miles. (this is your aura)

Angels and Archangels in Reiki Practice Nov 17 2022 Haripriya's connection with the angels began a decade back, when they helped her cope with the passing on of her grandmother and helped remove a lot of fear and dark energy. Thereafter, she has communicated with the angels at crucial moments in life and expressed her deepest feelings to them. Not only did they listen, but they also responded with unconditional love by sending help in the form of people or altered circumstances. This book is written from such a place of unconditional love. The kindness and wisdom that are present in each story are empowering the readers to grow spiritually, to rediscover their inner strength and the connection to the divine angels. The gift of Reiki, the universal life force energy which helps us heal ourselves and others and connect to our true divine nature, has strengthened the connection and made the communication easier, clearer, and more powerful. The stories and techniques shown here are part of a long term collaboration with the Reiki portal Reiki Rays, and can be found in the archives of their website. The book is a compilation of the Haripriya's most appreciated articles, arranged in a way that flows naturally and makes for an easy and inspiring lecture. To fully understand and to be able to apply the techniques described in this book, the reader should already be introduced to the healing magic of Reiki.

Angels come to our aid to help us feel safe and help our hearts open wide, so our light and our love shine through. After a powerful visit from an angel helped her transform her fast-paced, chaotic, and addiction-filled Manhattan banker lifestyle, author Kathryn Hudson decided to pay it forward and help others discover that each of us is surrounded by angels to help us. In this book, she shows how to safely open the channel to communicate with the angelic realm in order to access the help the angels are so willing to provide. She offers simple and practical exercises for connecting with 15 Archangels and shows how each of these Archangels brings specific Divine qualities to assist and support you. Each angel also provides a powerful message about this turning point in human evolution. Exploring inner child work, chakra practices, and exercises for purification and harmonization of relationships, Kathryn reveals the importance of releasing the weight of the past in order to open up to angelic guidance about the future.
