Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and BuzzFeed Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested. **#1 NEW YORK TIMES BESTSELLER** • With richly layered characters and a gripping moral dilemma that will lead readers to question everything they know about privilege, power, and race, *Small Great Things* is the stunning new page-turner from Jodi Picoult. **SOON TO BE A MAJOR MOTION PICTURE** “[Picoult] offers a thought-provoking examination of racism in America today, both overt and subtle. Her many readers will find much to discuss in the pages of this topical, moving book.”—Booklist (starred review) Ruth Jefferson is a labor and delivery nurse at a Connecticut hospital with more than twenty years' experience. During her shift, Ruth begins a routine checkup on a newborn, only to be told a few minutes later that she's been reassigned to another patient. The parents are white supremacists and don't want Ruth, who is African American, to touch their child. The hospital complies with their request, but the next day, the baby goes into cardiac distress while Ruth is alone in the nursery. Does she obey orders or does she intervene? Ruth hesitates before performing CPR and, as a result, is charged with a serious crime. Kennedy McQuarrie, a white public defender, takes her case but gives unexpected advice: Kennedy insists that mentioning race in the courtroom is not a winning strategy. Conflicted by Kennedy's counsel, Ruth tries to keep life as

normal as possible for her family—especially her teenage son—as the case becomes a media sensation. As the trial moves forward, Ruth and Kennedy must gain each other’s trust, and come to see that what they’ve been taught their whole lives about others—and themselves—might be wrong. With incredible empathy, intelligence, and candor, Jodi Picoult tackles race, privilege, prejudice, justice, and compassion—and doesn’t offer easy answers. *Small Great Things* is a remarkable achievement from a writer at the top of her game. Praise for *Small Great Things* “*Small Great Things* is the most important novel Jodi Picoult has ever written. . . . It will challenge her readers . . . [and] expand our cultural conversation about race and prejudice.”—*The Washington Post* “A novel that puts its finger on the very pulse of the nation that we live in today . . . a fantastic read from beginning to end, as can always be expected from Picoult, this novel maintains a steady, page-turning pace that makes it hard for readers to put down.”—*San Francisco Book Review*

With little in common except a property line, these two families quickly find themselves at odds: first, over an historic oak tree in Valerie's yard, and soon after, the blossoming romance between their two teenagers. *A Good Neighborhood* asks big questions about life in America today—what does it mean to be a good neighbor? How do we live alongside each other when we don't see eye to eye?—as it explores the effects of class, race, and heartrending love in a story that’s as provocative as it is powerful. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way. Meet Dolores Price. She's thirteen, wise-mouthed but wounded. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. The young Nick Carraway, the narrator of the novel, moves to New York in the summer of 1922 and rents a house in the prestigious and dreamy Long Island, inhabited by many newly rich people frantically engaged in celebrating each other. One neighbor strikes Nick in particular: the mysterious Jay Gatsby, who lives in a huge, gaudy house, filling it every Saturday night with guests at his extravagant parties. Yet he lives in desperate loneliness and in senseless love for Nick's cousin Daisy....In the setting of a brilliant and unsatisfied society, where the world of alcohol smugglers mixes with that of bankers and stars, Gatsby desperately pursues his dream of love for Daisy. To no avail now is its power, except to arouse in both lovers a sweet madness, which will end in tragedy. “Deftly shows how a seemingly frivolous film genre can guide us in shaping tomorrow’s world.” —Seth Shostak, senior astronomer, SETI Institute Artificial intelligence, gene manipulation, cloning, and interplanetary travel are all ideas that seemed like fairy tales but a few years ago. And now their possibilities are very much here. But are we ready to handle these advances? Films from the Future looks at twelve movies that take us on a journey through the worlds of biological and genetic manipulation, human enhancement, cyber technologies, and nanotechnology. Readers will gain a broader understanding of the complex relationship between science and society. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If

knowledge is power, knowing what we don't know is wisdom. The New York Times bestselling author of the Maisie Dobbs series turns her prodigious talents to this World War I standalone novel, a lyrical drama of love struggling to survive in a damaged, fractured world. By July 1914, the ties between Kezia Marchant and Thea Brissenden, friends since girlhood, have become strained—by Thea's passionate embrace of women's suffrage, and by the imminent marriage of Kezia to Thea's brother, Tom, who runs the family farm. When Kezia and Tom wed just a month before war is declared between Britain and Germany, Thea's gift to Kezia is a book on household management—a veiled criticism of the bride's prosaic life to come. Yet when Tom enlists to fight for his country and Thea is drawn reluctantly onto the battlefield, the farm becomes Kezia's responsibility. Each must find a way to endure the ensuing cataclysm and turmoil. As Tom marches to the front lines, and Kezia battles to keep her ordered life from unraveling, they hide their despair in letters and cards filled with stories woven to bring comfort. Even Tom's fellow soldiers in the trenches enter and find solace in the dream world of Kezia's mouth-watering, albeit imaginary meals. But will well-intended lies and self-deception be of use when they come face to face with the enemy? Published to coincide with the centennial of the Great War, *The Care and Management of Lies* paints a poignant picture of love and friendship strained by the pain of separation and the brutal chaos of battle. Ultimately, it raises profound questions about conflict, belief, and love that echo in our own time. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

**NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER •** In this beautifully written masterwork, the Pulitzer Prize–winner and bestselling author of *Caste* chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic. **NATIONAL BOOK AWARD WINNER** • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives

among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. Praise for *Let the Great World Spin* "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today "The first great 9/11 novel . . . We are all dancing on the wire of history, and even on solid ground we breathe the thinnest of air."—*Esquire* "Mesmerizing . . . a Joycean look at the lives of New Yorkers changed by a single act on a single day . . . Colum McCann's marvelously rich novel . . . weaves a portrait of a city and a moment, dizzyingly satisfying to read and difficult to put down."—*The Seattle Times* "Vibrantly whole . . . With a series of spare, gorgeously wrought vignettes, Colum McCann brings 1970s New York to life. . . . And as always, McCann's heart-stoppingly simple descriptions wow."—*Entertainment Weekly* "An act of pure bravado, dizzying proof that to keep your balance you need to know how to fall."—*O: The Oprah Magazine* #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —*The New York Times Book Review* "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates Test Prep Books' CBEST Prep Book: Study Guide and Practice Exam Questions for the California Basic Educational Skills Test [3rd Edition] Made by Test Prep Books experts for test takers trying to achieve a great score on the CBEST exam. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation. AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other. REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? She's a poor farmer's daughter with nowhere to go and nothing in her pockets. Rick Renner Most of us have questions about God, the Bible, and life that we wonder about and keep on the "back burner" of our hearts and minds. Rick Renner has taught a Q & A series in the past, but in this brand-new five-part series, he tackles more questions that have been sent to him by people around the world. In his typical direct style backed by solid teaching from the Bible, Rick answers such questions as: Are we in pre-Tribulation times right now, or are we actually in the Tribulation? What is the "falling away" in Second Thessalonians 2:3? Does the Bible make any references to UFOs? What is the Judgment Seat of Christ? Is there any such thing as a generational curse? Can people be translated by the Spirit from one location to another? And more! In this series, Rick answers six questions about the end times; seven questions about faith and Bible doctrine; six questions relating to supernatural manifestations; four questions about prayer; and five questions about miscellaneous topics, such as hell and whether believers should consume alcohol. This series is chock-full of intelligent answers based on God's Word. Maybe you'll find the answer to one of your questions!
