Candance Brewer non è piú una ragazza come le altre. Da quando ha conosciuto il tenebroso Lucien, il fratello del suo amato Francis, sa di possedere un potere che le consentirebbe di dominare gli altri. Tutti gli altri; anche chi ama. Lei è una alfa. Ma la sua vita deve ancora

subire delle drammatiche svolte prima che trovi il modo per convivere con la nuova forza che sente scorrere nelle vene. Contesa tra i due fratelli, dovrà collaborare con loro per scoprire quale delle altre famiglie voglia spodestare Lucien e se qualcun altro voglia sottrarla a Francis, con lo scopo di rinforzare la propria stirpe. Mentre farà i conti con questa nuova sfida, sarà costretta anche ad affrontare i segreti sulle proprie origini e sulla sua famiglia. Senza sapere di chi possa fidarsi veramente.

Marine Recruit: Tears in the Sand is an epic novel of a Marine Corps boot camp (San Diego); a compelling, unabridged account of recruit training as told by the drill instructor. Author of chronicles of a marine rifleman, retired first sergeant, Herb Brewer, USMC, now brings to life this outstanding, all-encompassing, witty, honest, caringly brutal, human, and timeless narrative. Combining two stories into one, he takes you all the way from the grueling view of the recruit to the panoramic mission and perspective of the Drill Instructor. At MCRD, you can count on two things: the recruit is green, the marine drill instructor is legendary. First Sergeant Brewer captures the essence and awareness of what it means to be both. Marine Recruit is a rare and unparalleled look into MCRD. Enter now the revered birthplace of the Marines where every drill instructor was once a recruit. Poet Shirley J. Brewer responds to the stabbing death of Stephen Pitcairn, who envisioned a career as a doctor. Cricket Creek, Kentucky, is a sweet river town known for its theater, shopping, and cuisine. But tough times are affecting the residents of the local retirement community—until a handsome hero shows up... Savannah Perry loves her job as social director of Whisper's Edge, a retirement community on the

picturesque waterfront of Cricket Creek. Raised in foster care, twenty-nine-year-old Savannah feels treasured and loved by the retired residents, who treat her as their adopted granddaughter and rotate having her over for dinner. But the community is struggling to stay afloat financially—until Tristan McMillan swoops into town, rescues a dog, and, well, saves the day... Business-minded Tristan bought Whisper's Edge from his estranged grandfather to prove his worth to the curmudgeon and to turn a quick profit. He never expected to fall for the charms of a village of crafty retirees—or to fall hard for a small town girl like Savannah. Suddenly the man who knows all about making money finds himself needing lessons in love and what really matters in life... A brand-new fantasy with a kick-butt heroine from the author of *The Chronicles of Vladimir Tod* Tril is a world where Barrons and Healers are Bound to each other: Barrons fight and Healers cure their Barrons' wounds in the ongoing war with the evil Graplar King. Seventeen-year-old Kaya was born a Healer, but she wants to fight. In Tril, and at Shadow Academy, where she is sent to learn to heal, it is against Protocol for Healers to fight. So Kaya must learn in secret. Enter two young men: One charming, rule-following Barron who becomes Bound to Kaya and whose life she must protect at all costs. And one with a mysterious past who seems bent on making Kaya's life as difficult as possible. Kaya asks both to train her, but only one will, and the consequences will change their lives forever. Heather Brewer has created a thrilling, action-packed, and romantic first installment of the *Legacy of Tril* series, where one strong heroine must break the rules to claim her destiny and her heart. Who is Rampaging Roy

Slaven? An Australian icon, a raconteur, an athlete of unsurpassable - and some may say improbable - sporting feats. Whether it was riding Rooting King to another Melbourne Cup victory, commentating the Olympics or hobnobbing with the country's upper crust, Rampaging Roy Slaven has lived an extraordinary life. But even some of the greatest men come from humble beginnings. Before he shot to fame as Australia's most talented sportsman, he was just another kid in Lithgow, trying to avoid Brother Connell's strap and garner the attention of Susan Morgan from the local Catholic girls school. Blessed follows one year in the life of the boy who would become Rampaging Roy Slaven, a boy who, even at the age of fifteen, knew he was destined for greatness but had to get through high school first.

Little Sara Bolster loved the great shining horses that drew the Henkel brewery wagon through the streets of Detroit in the 1880s. Those horses came to signify her fate, for she married the Henkel son and later, as a widow, took over the business. Sara's struggle against the intolerance and hypocrisy of family and friends who disapproved of a woman running a brewery and opening a beer garden makes her a standout among the characters of Mildred Walker. The Brewers' Big Horses recreates the manners and traditions of Germans in America as Prohibition gets up steam. Years after the death of child murderer Teddy Bird, children begin dying again, and Jim McGann, a crime photographer in possession of the one true clue in this new series of murders, begins to suspect that Teddy has returned. Originally published under the pseudonym of "Samuel M. Key." Reprint. The story of a Virginia family--Henry and Sarah Morrow and their five children--during the Civil War.

His critically acclaimed debut, *Cold Steel Rain*, was "a complex, seductively dark story" (*The Dallas Morning News*) that proved Kenneth Abel "is more than able to write a gripping crime drama that will beguile readers" (*Midwest Book Review*). Now Big Easy lawyer Danny Chaisson returns—to settle an explosive dispute between the Old South and the new. In a small town north of New Orleans, a forgotten slave cemetery has become a drinking hangout for a group of white teenagers. Racial tensions begin to spiral out of control, ultimately erupting in violence. And Danny—hired by a property developer to protect his property—finds himself on the wrong side of an emotionally charged struggle over land, power, and tradition. "There's no shortage of literature depicting New Orleans as a cesspool of sin and corruption. Kenneth Abel just happens to do it better than most people.... His gift for language and storytelling comes across on every page." —*San Francisco Chronicle* "This is the rare book that doesn't hit even one wrong note. Abel nails dialogue...so well that you keep going back and savoring the words and phrases. And there's plenty of action. When I finished the last sentence...I said, 'Wow.' Out loud." —*The New Orleans Times-Picayune* "Among the best new crime series."

JOURNEY—*Jornada del Muerte*, the locals called it: the blistering ocean of sand and sage between the Rio Grande River to the west and the Sacramento mountain range to the east. The bones of men and horses had bleached in the mile-high desert for three hundred years. Spanish conquistadors were the first white men to explore this new furnace of the Southeastern New Mexico Territory—and the first to perish. In the thin air, the riders coming down

the mountain were sharply etched against the blue sky. Steam, blowing out of the ice-encrusted nostrils of their mounts and their two pack horses, surrounded the horsemen in a white veil. Descending the eastern face of the Sacramento mountains, the horses walked slowly and painfully on cracked hooves. The icy earth offered only a steep path paved with shards of glass; blood seeped around well-worn iron horseshoes. When the riders looked to the sky, they saw that the white sun would stay high enough for them to make Fort Stanton, ten miles into the valley. The riders knew the trail since boyhood. Words were not wasted in country where a man's mouth would crack and bleed like his horse's hooves. Beyond the fort lay the clapboard settlement of Lincoln. When Grady Rourke died, his sons, Sean, Patrick, and Liam, came back to claim the family land . . . What was left of it. It was January, 1878, when the Rourke brothers came back to this hard and dangerous land. They thought they were coming home. What they didn't know was that they were about to become part of a vicious struggle for power. And that they would be forced to choose sides with either John Tunstall and Alexander McSween or J. J. Dolan and Sheriff William Brady. The battle would quickly become the infamous Lincoln County War—a dirty little war with no rules, no heroes, and no happy endings. Douglas Savage, the acclaimed author of *Cedar City Rendezvous* and *Highpockets* has taken the historical facts surrounding the Lincoln County War and its fascinating characters, and fashioned one of the most readable and revealing tales of the American frontier. It had been Mother's secret and mine, one passed down through the de Winter women for generations. I would ensure it was kept that way, until I

was ready to pass it on. When Anneke Sheldrake is forced to find a way to support her family after her father is lost at sea, she turns to the business by which her mother's family once prospered: brewing ale. Armed with her Dutch mother's recipes and a belief that anything would be better than the life her vindictive cousin has offered her, she makes a deal with her father's aristocratic employer: Anneke has six months to succeed or not only will she lose the house but her family as well. Through her enterprise and determination, she inadvertently earns herself a deadly enemy. Threatened and held in contempt by those she once called friends, Anneke nonetheless thrives. But on the tail of success, tragedy follows and those closest to her pay the greatest price for her daring. Ashamed, grieving, and bearing a terrible secret, Anneke flees to London, determined to forge her own destiny. Will she be able to escape her past, and those whose only desire is to see her fail? A compelling insight into the brewer's craft, the strength of women, and the myriad forms love can take. Shortlisted for the Kobzar Literary Award. The Unmemntioable joins letters that should not be joined. There is, in this word, an act of force. Of devastation. The unmentionable is love, of course. But in Moure's poems, love is bound to a duty: to comprehend what it was that the immigrants would not speak of. Now they are dead; their children and grandchildren know but an anecdotal pastiche of Ukrainian history. On Saskatoon Mountain in Alberta where they settled, only the chatter of the leaves remains of their presence. What was not spoken is sealed over, unmemntioable. There is no one left to contact in the Old Country. Can the unmemntioable retain its silence, yet be eased into words? Can experience still be spoken?

Brewing in New Mexico began in the 1850s when small breweries serviced short-lived boomtowns teeming with early settlers thirsty for brew. By the time Prohibition came in 1918, New Mexico breweries were completely tapped out. It wasn't until 1988, when the Santa Fe Brewing Company began slaking local thirsts, that beer was again brewed in New Mexico. By the late 1990s, New Mexico was experiencing a resurgence in local brewing. Today, the state boasts a craft brewing renaissance. New Mexican breweries receive national attention, including eight medals at the 2013 Great American Beer Festival in Denver. Join author Jon C. Stott as he recounts New Mexico's brewing history, collects hops heritage and samples local brewpubs from across the state.

Two hearts. One Wedding. Five Days. My name is Allison Jenkins and I need a fiancé for five days. I know how desperate that sounds, because it is. You see, after my college boyfriend and I broke up, he recovered swiftly, and is now - gasp - engaged to someone else. Our group of friends from college are going to Cancún for a five day destination wedding of our mutual friend this spring. All of my friends are bringing their husbands, fiancés, and/or boyfriends. So I'll be the single girl hanging out at the bar with all of the single aunts drinking margaritas. (Which doesn't sound too awful, by the way.) The awful part will be watching my ex flaunting his hot, new, younger fiancée in front of me. Basically, I need a plan - stat - so these five days don't suck. Enter my coworker, Jocko Brewer. Handsome playboy and charmer of the ladies. Number two sales rep in the entire company already - at age twenty-nine. And, surprisingly, the guy I get along with best in the office. Though, I have to admit, he is the definition - most times -

of arrogance. If he's crazy enough to agree to my little Cancún plot and act like we're engaged, I'd be happy. But there's just a little teensy-weensy problem that happens when we're in Cancún. This fiancé role-playing bit? Well, we both start taking it just a wee bit too seriously. Who would have thought that so much could happen in five days?

Norman Mailer's dazzlingly rich, deeply evocative novel of ancient Egypt breathes life into the figures of a lost era: the eighteenth-dynasty Pharaoh Rameses and his wife, Queen Nefertiti; Menenhetet, their creature, lover, and victim; and the gods and mortals that surround them in intimate and telepathic communion. Mailer's reincarnated protagonist is carried through the exquisite gardens of the royal harem, along the majestic flow of the Nile, and into the terrifying clash of battle. An extraordinary work of inventiveness, *Ancient Evenings* lives on in the mind long after the last page has been turned. Praise for *Ancient Evenings* "Astounding, beautifully written . . . a leap of imagination that crosses three millennia to Pharaonic Egypt."—USA Today "Mailer makes a miraculous present out of age-deep memories, bringing to life the rhythms, the images, the sensuousness of a lost time."—The New York Times "Mailer's Egypt is a haunting and magical place. . . . The reader wallows in the scope, depth, the sheer magnitude and—yes—the fertility of his imagination."—The Washington Post Book World "An

enormous pyramid of a novel [reminiscent of] Thomas Pynchon's *Gravity's Rainbow* and Carlos Fuentes's *Terra Nostra*."—Los Angeles Herald Examiner Praise for Norman Mailer "[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation."—The New York Times "A writer of the greatest and most reckless talent."—The New Yorker "Mailer is indispensable, an American treasure."—The Washington Post "A devastatingly alive and original creative mind."—Life "Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance."—The New York Review of Books "The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book."—Chicago Tribune "Mailer is a master of his craft. His language carries you through the story like a leaf on a stream."—The Cincinnati Post

The culprit was never caught - although there was no shortage of suspects - but when a body is then found in the same vat, boiled down to its bones, Nigel is called into action to help capture the killer. "A gritty, heart-pounding tale of betrayal and bloody vengeance. I loved every single word." —John Gwynne
