This landmark volume presents the first-ever English translation of the ancient Israelite Samaritan version of the Pentateuch, or Torah. A text of growing interest and importance in the field of biblical studies, the Samaritan Pentateuch preserves a version of the Hebrew text distinct from the traditional Masoretic Text that underlies modern Bible translations.

Benyamim Tsedaka's expert English translation of the Samaritan Pentateuch is here laid out parallel to the more familiar Masoretic Text, highlighting the more than 6,000 differences between the two versions. In addition to extensive explanatory notes in the margins throughout, the book's detailed appendices show affinities between the Samaritan and Septuagint versions and between the Samaritan and Dead Sea Scroll texts. Concluding the volume is a categorical name index containing a wealth of comparative information.

The riveting story of Muhammad Yunus's life-long struggle to end global poverty. When Muhammad Yunus lent \$27 dollars to 42 women in rural Bangladesh, he sparked what became the microcredit movement that has empowered millions of poor women in nearly 100 countries.

What do you really want for your business? As a passionate woman business owner, you have a unique, valuable and needed contribution to make to the world. It's vitally important that you claim and live your dream for your business. But, quite likely the sparks of your dream are at risk of being extinguished. Your days are spent doing busy work. You now have a 6- or even 7-day work week. You're working harder than ever, but much of your time is spent doing things you don't like. When you do get some free time, you're too burned out to enjoy it. This definitely wasn't the plan. If you're ready to re-claim your dream and connect with the power that will give you the time and freedom to turn your vision into reality, *Give Your Dream a Plan* is the one book you need. It teaches you seven questions that will unlock your potential to live and work on your own terms. A proven simple, flexible process will take your deepest desires for your business and turn them into a roadmap for success. You will learn how to:

- Uncover your "something special" and make it the cornerstone of your business
- Put the passion back into your life and business
- Tap into your greater vision, and become highly attractive to your best clients
- Discover your most natural, effortless business-building strategies
- Design an inspiring game plan that launches you into doable actions and immediate results
- Transform debilitating resistance, and access a wellspring of energy that will take you where you're meant to go.

Give Your Dream a Plan: 7 questions to ignite extraordinary results in your business will focus your ideas, ignite your motivation, unlock your potential to step out boldly and make your dream a living reality. With over 2,000,000 copies sold, *The Life Recovery Bible* is today's #1-selling Bible tied to the Twelve Steps of recovery, helping millions of people turn to the true source of healing—Jesus Christ. Now

Your dreams will tell. • FAMILY—how to resolve old hurts and gain new perspectives • PROBLEM SOLVING in your dreams—how to carry the solutions into real life • GAINING INSIGHT into your own behavior and that of others • MAXIMIZING HEALTH—recognize healing foods, danger signs, and more See what is happening in your body, in your mind, and in your most guarded self and intuitions. . . . Discover what your style of dreaming (color, smell, setting, and other key elements)

says about you. It's all here, and more, in the ultimate guide to your world of dreams! What does it mean if you dream you're being chased by someone in a dream night after night? What if you're flying, or falling, or spitting out teeth? Should you be embarrassed if you happen to be walking through Grand Central Station in the nude? You dream every night, even if you don't remember your dreams. Dreams are an important key to self-discovery, offering insight, guidance, and inspirations. All dreams--even nightmares--contain positive messages. The trick is learning to decipher the symbolism so you can understand what your dreams are trying to tell you. The Dream Book: includes interpretation of 1,650 dream symbols, along with explanations of recurring dreams, prophetic dreams, violent dreams, dreams about snakes, about sex, money, death, and more. You'll also learn to remember your dreams more clearly and discover ways to use them to solve problems in waking hours.

FIND YOUR SACRED PATH Widely recognized as one of the foremost teachers of Native American wisdom, Jamie Sams reveals the seven sacred paths of human spiritual development and explains how exploring each path leads to shifts in our personal relationships.

Bestselling author Carlos Castaneda introduces readers to the worlds that exist within their dreams. Britain presents a novella and two short stories set in the universe of her bestselling Green Rider series in celebration of the twentieth anniversary of the publication of her first novel, *Green Rider*--Dust jacket flap. "Everyone knows about Noah, Moses, and Paul. But what about Hagar, Michal, and Priscilla, all women who had a direct influence in the story of God's people? The Bible is full of fascinating, powerful, and faithful women, as well as lessons that have unique meaning for women today." "In *The Women's Study Bible*, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. Separate sidebars cover topics such as midwifery, women disciples, and female images of God. *The Women's Study Bible* doesn't shy away from the difficult issues, but helps readers to understand them better in both their original context and the modern world." "The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included." --Book Jacket.

When he was only 21 years old, Pete Leibman landed his dream job working in the front office of the NBA's Washington Wizards. He went on to become their number one salesperson for three straight seasons and was promoted to management in under two

years. In this encouraging guidebook, Leibman shares his proven and simple system for career success. You'll learn how to: think big and identify what you want from your career; network your way past corporate gatekeepers; impress highly influential people in any field; land interviews for jobs that aren't posted; sell yourself on paper, online, and in person; and get hired faster and with less effort. Filled with the inspiring success stories of other young professionals, creative strategies for leveraging social media, and the five secrets that will skyrocket your earning potential once you are hired, *I Got My Dream Job and So Can You* provides you with the tools and confidence to overcome the discouraging job marketing and start climbing the ladder to success.

She's known him since she was fifteen. Every night, he is with her: his face, his voice. Tonight, Sara Marten will meet the man who is both angel and demon, salvation and temptation: Falcon—the Carpathian, the banished hero. Tonight, Sara will meet the dark-eyed destroyer destined to be her mate. Tomas Sedlacek has shaken the study of economics as few ever have. Named one of the "Young Guns" and one of the "five hot minds in economics" by the *Yale Economic Review*, he serves on the National Economic Council in Prague, where his provocative writing has achieved bestseller status. How has he done it? By arguing a simple, almost heretical proposition: economics is ultimately about good and evil. In *The Economics of Good and Evil*, Sedlacek radically rethinks his field, challenging our assumptions about the world. Economics is touted as a science, a value-free mathematical inquiry, he writes, but it's actually a cultural phenomenon, a product of our civilization. It began within philosophy--Adam Smith himself not only wrote *The Wealth of Nations*, but also *The Theory of Moral Sentiments*--and economics, as Sedlacek shows, is woven out of history, myth, religion, and ethics. "Even the most sophisticated mathematical model," Sedlacek writes, "is, de facto, a story, a parable, our effort to (rationally) grasp the world around us." Economics not only describes the world, but establishes normative standards, identifying ideal conditions. Science, he claims, is a system of beliefs to which we are committed. To grasp the beliefs underlying economics, he breaks out of the field's confines with a tour de force exploration of economic thinking, broadly defined, over the millennia. He ranges from the epic of Gilgamesh and the Old Testament to the emergence of Christianity, from Descartes and Adam Smith to the consumerism in *Fight Club*. Throughout, he asks searching meta-economic questions: What is the meaning and the point of

economics? Can we do ethically all that we can do technically? Does it pay to be good? Placing the wisdom of philosophers and poets over strict mathematical models of human behavior, Sedlacek's groundbreaking work promises to change the way we calculate economic value. "[A] mordant debut novel....examines what it means to covet the lives of others, no matter the cost."—The New York Times "Tense, twisty, and packed with shocks."—Riley Sager, New York Times bestselling author of *Survive The Night* Six friends. One college reunion. One unsolved murder. Ten years after graduation, Jessica Miller has planned her triumphant return to her southern, elite Duquette University, down to the envious whispers that are sure to follow in her wake. Everyone is going to see the girl she wants them to see—confident, beautiful, indifferent. Not the girl she was when she left campus, back when Heather Shelby's murder fractured everything, including the tight bond linking the six friends she'd been closest to since freshman year. But not everyone is ready to move on. Not everyone left Duquette ten years ago, and not everyone can let Heather's murder go unsolved. Someone is determined to trap the real killer, to make the guilty pay. When the six friends are reunited, they will be forced to confront what happened that night—and the years' worth of secrets each of them would do anything to keep hidden. Told in racing dual timelines, with a dark campus setting and a darker look at friendship, love, obsession, and ambition, *In My Dreams I Hold A Knife* is an addictive, propulsive read you won't be able to put down. "Beautiful writing, juicy secrets, complex female characters, and drumbeat suspense—what more could you want from a debut thriller?"—Andrea Bartz, author of Reese's Book Club pick *We Were Never Here* Kiki Coral can see the future—can she save a friend from his dangerous fate? Kiki Coral has an amazing gift: she can see the future. She doesn't have visions very often, but they are always surprising! When Kiki sees a vision of her classmate Rocky Ridge coming face-to-frightening-face with a gigantic leatherback turtle, she is frightened to the tip of her shiny purple tail. Can Kiki save Rocky from his dangerous fate? What if no one in Trident Academy believes her scary prediction? This study of dream accounts in the Bible and in ancient Near Eastern literature suggests two main lines of interpretation: on the one hand it defines the function of dream accounts from a literary, social, political and religious point of view on the basis of literary genre (practitioners' manuals, royal inscriptions, prophetic texts, etc.). On the other hand, in adopting a rather larger typology than is

usual (message dreams, symbolic dreams, but also prophetic, premonitory and judgment dreams), it seeks to clarify both the relationship between the fiction implied by the literary form and the actual dream experience of individuals, as well as the different ritual practices related to this experience (interpretation, conjuration, incubation, etc.). The hard veil of objective consciousness dissipates for a brief moment or two, and a scene and a messenger appears... When it comes to psychic phenomena, the Bible, and God, you've been intentionally misled. This series is to wake you and help you come to your senses. You live in QuantumCosm, in which even science posits it is a spiritual, holographic universe. Nowhere is this more visible than in relation to visions and dreams. The vision is akin to a dream. It too is made of the ephemeral and the moment. Here people wide awake, such as Abraham, Balaam, Mary, Cornelius, Peter, or John see, hear, or feel something from the non-material dimensions. Something slips through. Though it's difficult to be certain what John the revelator prophesies, there are lots of other psychics forecasting, and we know precisely what the dreams and visions they describe are dreaming about. Isaiah, Jeremiah, Ezekiel, Hosea, Joel, Amos, and others participate in the unfolding creation of reality by seeing it and by helping others to see it. They are professional psychics, living on God's promise: "Lo, the psychic among you, I the Lord make myself known to him in a vision, I speak with him in a dream." (Num. 12.6) Interpretation is always an issue with dreams. The Bible offers instruction... The manifest content is the literal story line. Thus, the manifest content of Pharaoh's dream is seven gaunt cows eating 7 fat cows and remaining thin. We are taught to divine for the latent content: what the dream is really about. Thus Pharaoh receives in a dream the intelligence that there will be seven years of plenty in the land, followed by seven years of famine, and to survive, he'd better use the seven good years to accumulate surplus for the bad years. Pretty kool, no? And there is more. There's some people think dreams are just imagination and nonsense... Yet in actuality, the psychical and physical realms are connected totally from degree to degree. They are but two poles on one continuum of reality, just as the roots of darkness and leaves of light are two poles of a single tree. Though divided in appearance, though divided for ease of discussion, they are unified, connected seamlessly in the matrix of HoloCosm. Therefore, certainly some dreams, at least, should have physical world consequences. Some do. The dream of Pharaoh does accurately forecast the drought and

famine conditions. Implementing the advice encoded in the dream, the throne meets the threat with abundance for all the world to survive, including the survival of the Jewish race. Solomon dreams God gives him the genie's choice, and he picks wisdom. Does this dream have any effect or manifestation in reality? After all, the proof of the reality of the dream's clairvoyance is in the outpressing of reality. And yes, Solomon does receive the wisdom he seeks. The stories of his wisdom are legendary. He still enjoys a reputation - 3,000 years later! - as the wisest man on Earth. His Proverbs are relevant, ennobling, and enjoyed yet today. And he receives far more.... The fugitive Elijah eats two helpings of a meal served in a dream. On that psychic nourishment he runs forty days to safety. Surely this is a supernal food that can take a man over a month in desert country. Here again we see clearly demonstrated for our instruction, inspiration, and guidance, the intercommutability of the psychical and the physical realms. And if you find the topic fascinating, Joseph of the coat of many colors teaches you how to do dream incubation, and get your own answers during the night. This is volume 4 of 7 in the Psychic And Paranormal Phenomena In The Bible Series, Dreams And Visions In The Bible. Written between 1919 and 1926, this text tells of the campaign against the Turks in the Middle East, encompassing gross acts of cruelty and revenge, ending in a welter of stink and corpses in a Damascus hospital. The KJV Holy Bible is offered in this larger print, affordable edition for personal and ministry use including book introductions, plan of salvation, and 10.5-pt type size. Want to achieve spectacular success in your personal and business life? Looking for ways to mold and capture superior teamwork, cohesion, and bone-deep dedication?
