Offering step-by-step instruction on how to build a Windows-based Web server in a matter of hours, a complete guide features the necessary software, security information, mailing lists, maintenance strategies, and more. Original. (Intermediate) This book will be useful to Somali children who are new to schools in Britain and new to the

English language, but who are able to read in their own language. The teachers should spend some time in showing the pupil how to use the book. The explanations at the beginning of each section will be useful in alerting the teacher to some of the things which the Somali speaker may find different or unusual about English. An example of this is the naming system, which is quite different in Somali culture. The teacher may also be able to use sections of the book, and vocabulary lists and tables at the back, as the basis for some sessions in the language class.--page 1. Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning.

No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to

information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes. First Published in 1992.

Routledge is an imprint of Taylor & Francis, an informa company. Caafimaadka Jidhka (Physical well-being) is a series of two books that we created to help children learn to read the Somali language by reading stories about Physical well-being. Each book is illustrated with stunningly beautiful pictures of Somali traditional attires. By creating stories that children could relate to, we thought it would encourage parents to want to read with their young ones. The books are great to read for all children starting with preschoolers and for older students of all reading-levels who are learning the language. Moreover, these books contain wonderful teaching resources for teachers that the children find very engaging. The books are reading together level in order

to engage the parents to sit down with their children and share the story together in regular basis.
