about their art through twenty-four activities, such as painting a self-portrait Kahlo-style, creating a mural with a social message like Rivera, making a Day of the Dea

The Collector of Lives: Giorgio Vasari and the Invention of Art

Sep 10 2021

“Readers curious about the making of Renaissance art, its cast of characters and political intrigue, will find much to relish in these pages.”

—Wall Street

Journal Giorgio Vasari (1511-1574) was a man of many talents—a sculptor, painter, architect, writer, and scholar—but he is best known for *Lives of the Artists*, which

singlehandedly established the canon of Italian Renaissance art. Before Vasari’s extraordinary book, art was considered a technical skill, and artists were mere decorators and craftsmen. It was through Vasari’s visionary writings that Raphael, Leonardo, and Michelangelo came to be regarded as great masters of life as well as art, their creative genius celebrated as a divine gift. Lauded by Sarah Bakewell as “insightful, gripping, and thoroughly enjoyable,” *The Collector of Lives* reveals how one Renaissance scholar completely redefined how we look at art.

Dreaming with His Eyes Open

Sep 22 2022 *Chronicles* the life of Mexican artist Diego Rivera and discusses the artists who influenced him, his involvement in Communism, his family life, and other related topics.

Photographs of important moments and persons in the life of Diego Rivera

Frida & Diego

Nov 19 2019 A visual feast of Kahlo and Rivera's finest works that will leave readers intellectually challenged and emotionally awakened. He painted for the people. She painted

to survive. Frida Kahlo (1907-1954) and Diego Rivera's (1886-1957) legendary passion for each other and for Mexico's revolutionary culture during the 1920s and 1930s made them two of the twentieth century's most famous artists. During their life together as a married couple, Rivera achieved prominence as a muralist, while Kahlo's intimate paintings were embraced by the Surrealist movement and the Mexican art world. After their deaths in the 1950s, retrospectives of Kahlo's work enshrined her as one of the most significant women artists of the

twentieth century, partially eclipsing Rivera's international fame as Mexico's greatest muralist painter. Frida & Diego: Passion, Politics and Painting offers a new perspective on their artistic significance for the twenty-first century, one that shows how their paintings reflect both the dramatic story of their lives together and their artistic commitment to the transformative political and cultural values of post-revolutionary Mexico. Frida & Diego features colour reproductions of 75 paintings and works on paper by both Kahlo and Rivera, rarely reproduced

archival photographs, and new biographical information on the couple assembled by scholar Dot Tuer.

The Book of Unknown

Americans Apr 05 2021 "Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one

of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here *Henríquez* seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. *The Book of Unknown Americans* is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a

New York Times and Washington Post Notable Book, an NPR Great Read, *The Daily Beast's* Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year **My Art, My Life** Jun 19 2022 A richly revealing document offering many telling insights into the mind and heart of a giant of 20th-century art. "Engrossing as a novel." — Chicago Sunday Tribune. 21 halftones. [The Fabulous Life of Diego Rivera](#) Feb 27 2023 Known for his grand public murals, Diego Rivera (1886-1957) is one of Mexico's most revered artists. His paintings are

marked by a unique fusion of European sophistication, revolutionary political turmoil, and the heritage and personality of his native country. Based on extensive interviews with the artist, his four wives (including Frida Kahlo), and his friends, colleagues, and opponents, *The Fabulous Life of Diego Rivera* captures Rivera's complex personality—sometimes delightful, frequently infuriating and always fascinating—as well as his development into one of the twentieth century's greatest artist. *Diego Rivera* Nov 24 2022 Hamill (a

political journalist, author, and editor) narrates the life and explores the art of Diego Rivera, the prodigiously productive artist, polemicist and political activist, Mexican nationalist, and lover of many women. Acknowledging the cost of Rivera's didactic communism, he provides historical insights and focuses on what is enduring in the artist's work. The 107 illustrations (including 59 in color) show the full range of his art (murals, paintings, drawings, and illustrations) as well as documentary photographs. Oversize: 10x10". A Sea of Stories: Diego Rivera Dec 21 2019 This new title of A Sea of Stories series explains in an entertaining as well as thorough way the life and artistic career of the Mexican painter Diego Rivera. This book is available in the following languages: English and Spanish. The series called A Sea of Stories is an entertaining as well as thorough way of learning about the great names of artists and universal writers, such as: Cervantes, Lope de Vega, Dalí, Miró, Picasso, Fernando Botero, Sorolla...
Diego Rivera Aug 29 2020 Diego Rivera's (1886-1957) Detroit

Industry fresco cycle in the Detroit Institute of Arts is the finest Mexican-style mural in the United States. Completed in nine months, between July 1932 and March 1933, the murals are a tribute to Detroit industry and labour, and Rivera considered the cycle to be the most successful work of his career. Throughout the mural Rivera celebrates the harmonies between man, nature and machine. The cycle begins on the east wall, which depicts the origins of human life and technology. The panels on the west wall represent technologies of air and water and introduce the automobile

industry. The north wall is devoted to representations of two races of humanity, the automobile industry and scenes from other major Detroit industries: medicine, pharmaceuticals and commercial chemicals. Panels on the south wall primarily depict the production of an automobile body. This unique volume will detail the murals with horizontal and vertical fold-outs ideal for the paintings size and scope. A lively text will include information on the artist and his technique, the patron (Edsel Ford) and a detailed analysis of the various panels that make up the fresco

cycle. 50 colour illustrations
American Grotesque Jan 22 2020 American Grotesque is a lavish retrospective of grotesque, occult, and erotic images by the forgotten Hollywood photographer William Mortensen (1897-1965), an innovative pictorialist visionary whom Ansel Adams called the "Antichrist" and to whom Anton LaVey dedicated The Satanic Bible. Mortensen's countless technical innovations and inspired use of special effects prefigures the development of digital manipulation and Photoshop. Includes a gallery of more than one

hundred striking photographs in duotone and color, many of them previously unseen, and accompanying essays by Mortensen and others on his life, work, techniques, and influence.
Rivera Apr 17 2022 Looks at the life and works of the Mexican painter.
Diego Rivera Feb 15 2022 Explores the passions and contradictions--both human and political--that turned the prolific and brilliant painter, Diego Rivera, into an increasingly universal cultural figure Diego Rivera was a revolutionary painter in more ways than one. Attending art school at 11, by his twenties he was

counted among the most influential figures of the Parisian art scene of the early 20th century, including Picasso, Modigliani, Braque, and Gris. Rivera's murals, both in his native Mexico and the United States, reflect the contradictory turbulence of his character and times. He met Lenin in Paris, Stalin in Moscow, and offered refuge to Trotsky during his Mexican exile. Meanwhile, his work was commissioned by giants of capitalism: Henry Ford and John D. Rockefeller. Rivera's indefatigable industry was matched by his zest for life, accumulating

hundreds of lovers and four wives--including Frida Kahlo, whose formidable partnership is also one of the great love stories of art history. This beautifully realized graphic novel tells the story of the extraordinary life and times of an artist for whom myth and reality fused.

Women Who Changed the World: Their Lives, Challenges, and

Accomplishments through History

[4 volumes] Jul 08 2021 Women Who Changed the World: Their Lives, Challenges, and Accomplishments through History features 200 biographies of notable women and

offers readers an opportunity to explore the global past from a gendered perspective. The women featured in this four-volume set cover the full sweep of history, from our ancestral forbearer "Lucy" to today's tennis phenoms Venus and Serena Williams. Every walk of life is represented in these pages, from powerful monarchs and politicians to talented artists and writers, from inquisitive scientists to outspoken activists. Each biography follows a standardized format, recounting the woman's life and accomplishments, discussing the challenges she

framed within her particular time and place in history, and exploring the lasting legacy she left. A chronological listing of biographies makes it easy for readers to zero in on particular time periods, while a further reading list at the end of each essay serves as a gateway to further exploration and study. High-interest sidebars accompany many of the biographies, offering more nuanced glimpses into the lives of these fascinating women.

Viva Frida Mar 04 2021 A 2015 Caldecott Honor Book A 2015 Pura Belpré (Illustrator) Award Frida Kahlo, one of the world's most famous and

unusual artists is revered around the world. Her life was filled with laughter, love, and tragedy, all of which influenced what she painted on her canvases.

Distinguished author/illustrator Yuyi Morales illuminates Frida's life and work in this elegant and fascinating book. A Neal Porter Book **Diego Rivera** May 18 2022 Offers insight into the life and artwork of the famous Mexican painter and muralist and follows his career, looking at his influences, and tracing the evolution of his style.

Diego Rivera's America Sep 29 2020 Diego Rivera's America revisits a

historical moment when the famed muralist and painter, more than any other artist of his time, helped forge Mexican national identity in visual terms and imagined a shared American future in which unity, rather than division, was paramount. This volume accompanies a major exhibition highlighting Diego Rivera's work in Mexico and the United States from the early 1920s through the mid-1940s. During this time in his prolific career, Rivera created a new vision for the Americas, on both national and continental levels, informed by his time in both countries. Rivera's

murals in Mexico and the U.S. serve as points of departure for a critical and contemporary understanding of one of the most aesthetically, socially, and politically ambitious artists of the twentieth century. Works featured include the greatest number of paintings and drawings from this period reunited since the artist's lifetime, presented alongside fresco panels and mural sketches. This catalogue serves as a guide to two crucial decades in Rivera's career, illuminating his most important themes, from traditional markets to modern industry, and devoting attention to iconic

paintings as well as works that will be new even to scholars—revealing fresh insights into his artistic process. Published by the San Francisco Museum of Modern Art in association with University of California Press
Exhibition dates: San Francisco Museum of Modern Art: July 16, 2022—January 1, 2023 Crystal Bridges Museum of American Art, Bentonville, Arkansas: March 11—July 31, 2023
Diego Rivera Jul 28 2020 Provides an introduction to the life and biography of Diego Rivera, the Hispanic man who showed his love for art and Mexico through his numerous paintings and murals.

Diego Rivera Oct 11 2021

Painting on the Left Oct 19 2019

"Anthony Lee is quickly emerging as a key figure for a whole new generation of scholars. This book on Diego Rivera is significant not only for the notable new insights it yields, but also for the disciplinary shifts that it signals. Deftly written yet replete with a density of engaged meaning that inspires critical admiration, this new look at Rivera will remain an important stimulus in the field for quite a while."--David Craven, author of "Diego Rivera: As Epic Modernist"
"This was a moment when painting mattered! In a

deeply divided society, public art was a vector for contestation about what it was to be an American, a committed citizen, a moral being. With care and subtlety, and in fascinating detail, Lee shows how art, especially mural painting, became for a time the primary medium for the brokerage of power in the city of San Francisco itself. We see the murals afresh, we decipher the intense, sprawling, diversifying energies which shaped their now stilled surfaces. We might wish, these days, for a public art of similar consequence."-- Terry Smith, author of "Making the Modern: Industry,

Art, and Design in America"
Frida Kahlo and Diego Rivera Dec 13 2021 Now available again, this bestselling book reveals the story of two creative geniuses, their important contributions to twentieth-century art, and their tumultuous romance. This captivating book delves into the forces that shaped Frida Kahlo and Diego Rivera's lives and art, and made them important painters in their own right. Elegant reproductions of their best-known works and historical photographs illustrate the thoughtful text, which explores the political, social, and

cultural upheaval that was at the center of their relationship. What emerges is a portrait of the artists, the tension between their love for each other and their commitment to their work, and the indelible legacy of paintings, murals, and words they left behind.
Dreaming with His Eyes Open Jul 20 2022 A biography of one of the great muralists of the 20th century, which brings the art, the politics and the complexity of Rivera into focus. The book demonstrates that just as Rivera mythologized himself, the artist also endowed the Mexican people with a national myth, melding a

troubled revolutionary history and an Indian culture. *Diego Rivera* Dec 25 2022 This charming book introduces one of the most popular artists of the twentieth century, Diego Rivera, to young readers. It tells the story of Diego as a young, mischievous boy who demonstrated a clear passion for art and then went on to become one of the most famous painters in the world. Duncan Tonatiuh also prompts readers to think about what Diego would paint today. Just as Diego's murals depicted great historical events in Mexican culture or celebrated native peoples, if Diego

were painting today, what would his artwork depict? How would his paintings reflect today's culture? *Diego Rivera: His World and Ours* is a wonderful introduction to this great artist. Praise for *Diego Rivera* « "By establishing a link between modern readers and Rivera and challenging them to "make our own murals," the author makes art both aspiration and action. Both solid introduction and exhortation, this book will thrill budding artists." -Kirkus Reviews, starred review "Kids will want to talk about the great painter, and young artists will find inspiration for their own creations."

-Booklist
[Diego Rivera: His Life and Times](#) Aug 21 2022 Biography of one of the greatest Mexican painters and muralists of the 20th century. **Rivera** Feb 03 2021 They met in 1928, Frida Kahlo was then 21 years old and Diego Rivera was twice her age. He was already an international reference, she only aspired to become one. An intense artistic creation, along with pain and suffering, was generated by this tormented union, in particular for Frida. Constantly in the shadow of her husband, bearing his unfaithfulness and her jealousy, Frida exorcised the pain on canvas, and won progressively

the public's interest. On both continents, America and Europe, these committed artists proclaimed their freedom and left behind them the traces of their exceptional talent. In this book, Gerry Souter brings together both biographies and underlines with passion the link which existed between the two greatest Mexican artists of the twentieth century. *My Art, My Life* Jun 07 2021 A richly revealing document offering many telling insights into the mind and heart of a giant of 20th-century art. "There is no lack of exciting material. A lover at nine, a cannibal at 18, by his own account,

Rivera was prodigiously productive of art and controversy." — San Francisco Chronicle. 21 halftones.

International Studies in Honor of Tomàs Rivera

Jun 26 2020 Tomàs Rivera, author of the award-winning novel *Éy no se lo trag— la tierra*, passed away in 1985 and is commemorated in recollections by Rolando Hinojosa and Amžrico Paredes and studies of his prose and poetry by leading critics of Chicano literature.

The Life and Times of Fray Junípero

Serra, O.F.M. Feb 21 2020 Biography of Serra, from his birth in Mallorca, his early work in Mexico, and the

establishing of the missions in California.

Frida Kahlo and Diego Rivera

Jan 26 2023 Children will find artistic inspiration as they learn about iconic artists Frida Kahlo and Diego Rivera in these imaginative and colorful activities. The art and ideas of Kahlo and Rivera are explored through projects that include painting a self-portrait Kahlo-style, creating a mural with a social message like Rivera, making a Day of the Dead ofrenda, and crafting an Olmec head carving. Vibrant illustrations throughout the book include Rivera's murals and paintings, Kahlo's dreamscapes and

self-portraits, pre-Columbian art and Mexican folk art, as well as many photographs of the two artists.

Children will learn that art is more than just pretty pictures; it can be a way to express the artist's innermost feelings, a source of everyday joy and fun, an outlet for political ideas, and an expression of hope for a better world. Sidebars will introduce children to other Mexican artists and other notable female artists. A time line, listings of art museums and places where Kahlo and Rivera's art can be viewed, and a list of relevant websites complete this cross-cultural art experience.

Frida & Diego Dec

01 2020 A lushly designed young adult biography exploring the tumultuous lives, marriage and work of the artists Frida Kahlo and Diego Rivera is illustrated with archival photos and full-color reproductions.

20,000 first printing.

Conversations with

Diego Rivera Mar 16 2022 A year of weekly interviews (1949-1950) with artist Diego Rivera by poet Alfredo Cardona-Peña disclose Rivera's iconoclastic views of life and the art world of that time.

These intimate Sunday dialogues with what is surely the most influential Mexican artist of the twentieth century show us the

free-flowing mind of a man who was a legend in his own time; an artist who escaped being lynched on more than one occasion, a painter so controversial that his public murals inspired movements, or, like the work commissioned by John D. Rockefeller, were ordered torn down. Here in his San Angelín studio, we hear Rivera's feelings about the elitist aspect of paintings in museums, his motivations to create public art for the people, and his memorable, unedited expositions on the art, culture, and politics of Mexico. The book has seven chapters that loosely follow the

range of the author's questions and Rivera's answers. They begin with childlike, yet vast questions on the nature of art, run through Rivera's early memories and aesthetics, his views on popular art, his profound understanding of Mexican art and artists, the economics of art, random expositions on history or dreaming, and elegant analysis of art criticisms and critics. The work is all the more remarkable to have been captured between Rivera's inhumanly long working stints of six hours or even days without stop. In his rich introduction, author Cardona-Peña describes the

difficulty of gaining entrance to Rivera's inner sanctum, how government functionaries and academics often waited hours to be seen, and his delicious victory. At eight p. m. the night of August 12, a slow, heavy-set, parsimonious Diego came in to where I was, speaking his Guanajuato version of English and kissing women's hands. I was able to explain my idea to him and he was immediately interested. He invited me into his studio, and while taking off his jacket, said, "Ask me..." And I asked one, two, twenty... I don't know how many questions 'til the small hours of the night, with him answering from

memory, with an incredible accuracy, without pausing, without worrying much about what he might be saying, all of it spilling out in an unconscious and magical manner. A series of Alfredo Cardona-Peña's weekly interviews with Rivera were published in 1949 and 1950 in the Mexican newspaper, *El Nacional*, for which Alfredo was a journalist. His book of compiled interviews with introduction and preface, *El Monstruo en su Laberinto*, was published in Spanish in 1965. Finally, this extraordinary and rare exchange has been translated for the first time into

English by Alfredo's half-brother Alvaro Cardona Hine, also a poet. According to the translator's wife, Barbara Cardona-Hine, bringing the work into English was a labor of love for Alvaro, the fulfillment of a promise made to his brother in 1971 that he did not get to until the year before his own death in 2016. *Diego Rivera* May 06 2021 Art historian David Craven presents a sustained and highly original interpretation of Diego Rivera's particular version of "epic modernism," while offering a probing and coherent account of the artist's lifelong political activism.

Drawing on both new primary documents and the best of recent secondary literature, Craven considers what Rivera's work in the public sphere has come to signify, and examines the artist's ongoing legacy for "post-colonial" discourse ; The study features a careful formal analysis of Rivera's most important paintings. Besides addressing his rediscovery of pre-Columbian art, Craven analyzes the artist's use of narrative, iconographic programs and the fresco technique for most well-known mural cycles, which continued to draw structurally on his early avant-garde work

Diego Rivera Aug 09 2021 Provide your readers with an examination of the life of this Mexican painter and muralist, discussing his work which displayed political themes, and his marriage to artist Frida Kahlo. Rivera was instrumental in the emergence of the Mexican Renaissance and is considered one of the most influential artists of the twentieth century. [The Murals of Diego Rivera](#) Apr 24 2020 At the time Diego Rivera began painting these murals he was an internationally known artist with his works reproduced in magazines worldwide. **Diego Rivera** Jan

02 2021 Discusses the life of Diego Rivera and describes his unique style of art. **House on the Bridge** Mar 24 2020 “House on the Bridge...Ten Turbulent Years with Diego Rivera” is the story of Diego Rivera’s first wife, Angeline Beloff, a painter and engraver from pre-revolutionary St. Petersburg, and her relationship with the well known muralist in Belle Époque Paris. These were the years when he was developing his skills in Europe before returning to Mexico to depict his country’s history in murals. They lived and struggled with other artists—Pablo Picasso, Amadeo Modigliani, Maria

Blanchard, Apollinaire-- and others in Montparnasse before, during and after WWI. They met in the medieval town of Bruges, traveled to London, visited museums, made trips to Spain and eventually married in Dieppe in 1911. He was in Mexico City at the beginning of the Mexican Revolution and claimed to have smuggled explosives in his paint box to assassinate Diaz, while she was in St. Petersburg during Bloody Sunday and the unrest leading up to the Russian Revolution. During their years in Paris, they watched their world change from Belle Époque to the horrors of world war where they

were forced to sleep in subways by night and stand in long lines searching for coal to keep warm in winter. Many times they ate at canteens set up specifically to feed artists. Living with him was painful and exciting and their circle of friends was talented, mad and eventually successful. She loved him unconditionally during their life in Paris and probably for the rest of her life. *Diego Rivera* Oct 31 2020 Tells the story of Diego as a young, mischievous boy who demonstrated a clear passion for art and then went on to become one of the most famous painters in the

world.
