One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have." WHAT BEGAN AS A DELIGHTFUL THREE-DAY FAMILY GATHERING ended in tragedy when a car accident left three of Craig Stone's family members dead and one in a vegetative state. In Forgiving the Unforgivable Stone shares candidly of the emotional turmoil and grief that he experienced in light of these tragic events and how they nearly destroyed his life...until he discovered true forgiveness. Covering the many stages of grief, he shows you why it is important to go through the grieving process, and he explains what the Bible says about forgiveness and why you cannot uncover healing and a prosperous future without it. Joseph of Arimathea tells the story of the man who took upon himself the task of burying Jesus after His crucifixion. Joseph, who is briefly discussed in all four gospel accounts, is a mere footnote in Scripture, but his actions speak volumes and give the working Christian an example of

how to live for Christ in a world that opposes Him. Joseph of Arimathea reaches through the verses of Scripture to our own generation in a powerful, relevant, and compelling way. He teaches us that the ordinary matters. An ordinary person, living an ordinary life, can be an instrument in the hands of God to be used for His purposes. Looking closely at the life of this disciple, Joseph of Arimathea defines what it means to be a person of the small print and offers a paradigm-shifting perspective on how to be a disciple of Christ in a secular world. At a time when influence, followers, and clout are the order of the day, Joseph reminds us that small acts of faithfulness can lead to astounding influence and impact through justice, conscience, and power. Joseph of Arimathea validates the contemporary mindset of preparing to stand up for what is right, often in the face of, an increasingly hostile culture. In this thirty-day journey of discerning the voice of God, Jentezen Franklin focuses on the three central elements of his best-selling book, *Right People, Right Place, Right Plan*. Readers will discover the importance of associating with the right people, being in the right place, and having the right plan, and learn to listen to God's voice and respond to life's circumstances with insight and unwavering faith through these daily meditations. God has bestowed the incredible gift of discernment into the heart of every believer. He has given us an internal compass to help guide our families, our finances, and every other aspect of our lives. Jentezen Franklin reveals how to tap into the supernatural gift of spiritual discernment to fulfill your purpose as a child of God. . The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope, receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt. The Christian life isn't very complicated; but we've made it so through our ignorance of principles central to the Christian walk. There are some basics with which people need to be equipped to live a more victorious Christian life. Tony Evans has heard the people's cry for these sometimes difficult principles to be made simple and explained clearly and succinctly. In his new *Tony Evans Speaks Out . . .* booklet series, Evans tackles four basic elements of Christianity with a clarity and simplicity characteristic of his popular style. Jesus did not die just so you can go to church on Sunday. This book will give you a clear understanding of the real Jesus. Many people's Christianity is not really about Jesus; it's something they inherited culturally. You will learn that your relationship with Jesus is deeper than your last attendance in church. You will put Him in the center of everything you do. Which Jesus do you follow? What does He believe? Or perhaps just as important, What do you believe about Him? In *The Real Jesus*, the debut book from pastor and beloved worship leader Jonathan Stockstill, you will have an encounter with the real-life Son of God—the One who loves you more than you could ever imagine. After reading *The Real Jesus*, you will: Understand the difference between the mistaken, miscast, misinterpreted Jesus of our culture and the blood-and-bones Jesus of the Bible Discover a Jesus you may never have truly known—even if you have been following Him for years or decades Enter into a more raw, real, and relevant relationship with the One who loves you and calls you by name This book will equip you to see Jesus as He really is and truly understand what it means to be His disciple. DIVWe all go through times when we feel like we are not living up to our full potential. In *Fasting to Regain Your Edge*, Jentezen Franklin shows you how to recharge your spiritual energy through fasting. /div What do you do when you wake up and feel like you're not enough for your life? Or when you look out the kitchen window as dusk falls and wonder how do you live when life keeps breaking your heart? As Ann Voskamp writes, "great grief isn't meant to fit

inside your body. It's why your heart breaks." And each of us holds enough brokenness to overflow—to be given as the greatest story of our lives. In sixty vulnerably soulful stories, *The Way of Abundance* moves from self-weary brokenness to Christ-focused givenness. Drawing from the critically acclaimed, New York Times bestseller *The Broken Way* and Ann's online essays, this devotional dares us to embrace brokenness as a gift that moves us to givenness as a way to draw closer to the heart of God. Christ Himself broke like bread, giving Himself to us so we might have a lifelong communion with Him. Could it be that our brokenness is also a gift to the world? This gentle but exquisitely profound book does nothing less than take you on an intimate journey of the soul. As Ann writes, "The wound in His side proves that Jesus is always on the side of the suffering, the wounded, the busted, the broken." Discover how surrendering in unexpected ways is the first step toward receiving what you long for. Discover the good news that your beauty is not in your strength but in your fragility. Discover why your healing shines radiant through your wounds—and how only in brokenness will you ever be whole—and find the way to the abundance you were meant for. Based on scriptural principles and stories this book will teach you how to activate and apply discernment in every area of your life. This book teaches how God many times used women because of their discernment throughout the Bible. It also shows that every woman has been given a special gift (sometimes referred to as intuition). When a woman exercises this discernment, they will find help/insight in these areas: favor, the atmosphere of their home, children, husband, outside associations, protection, provision, recovery of what's been lost, timing, right place, right plan, right people, living a life that will be remembered New York Times best-selling author Jentezen Franklin is back with a message that will inspire you to break free and reclaim a life of passion, purpose, and praise. A groundbreaking manifesto decoding the phenomenon of genius through the life of Jesus of Nazareth, revealing the untapped potential within every human being—from the bestselling author of *The Artisan Soul*, *The Last Arrow*, and *The Way of the Warrior*. "IF ALL GENIUS IS TOUCHED BY MADNESS, THEN IT IS ALSO TOUCHED BY THE DIVINE." In every realm of our existence—art, science, technology, mathematics—we are captivated by stories of genius. Geniuses violate the status quo, destabilize conventional ways of thinking, and ultimately disrupt history by making us see the world differently. Genius is that rare expression of human capacity that seems to touch the divine. Jesus of Nazareth is undeniably one of the most influential figures ever to have walked the face of the earth. Yet his life as a work of genius has yet to be excavated and explored. In *The Genius of Jesus*, Erwin Raphael McManus examines the person of Jesus not simply through the lens of his divinity, but as a man who radically changed the possibility of what it means to be human. Drawing on the phenomenon of genius and the phenomenon of Jesus, McManus leads us to see this momentous figure in a new and life-altering way. Genius always leaves clues, and *The Genius of Jesus* follows those clues so that you can discover your own personal genius. McManus dives into the nuances of Jesus's words and actions, showing how they can not only inspire us but revolutionize how we think about power, empathy, meaning, beauty, and truth. This work is for anyone who seeks to transform their life from the mundane to the transcendent—for anyone who longs to awaken the genius within. *The Genius of Jesus* is a thought-provoking exploration of the most controversial and influential figure who ever lived, and a guide for you to discover how his genius can live in you.
