Mitten Tree Dec 27 2020 One snowy day an elderly woman, Sarah, watches children gathering at the bus stop. While they never seem to notice her, she notices them, especially one little boy who has no mittens. That night, Sarah knits the boy a pair of cozy mittens and places them on the blue spruce tree for him to discover. It soon becomes a game, with the children looking for new mittens on the mysterious tree every morning, and Sarah joyfully knitting new ones each night. With its touching message and delightful illustrations, adults and children will enjoy this intergenerational tale for years to come.

Four Square: Writing Method Early Learner Dec 19 2022 Teach writing skills using the Four Square method, which has been proven to work in classrooms just like yours. The Four Square method can be used with all forms of writing and will fit any reading or language arts program. This step-by-step approach is built around a simple graphic organizer that first shows students how to collect ideas and then helps them use those ideas to create clear and polished prose. Open-ended reproducibles make the technique accessible to writers of all ability ranges. Also great for content area writing.

Get Better Faster Dec 07 2021 Effective and practical coaching strategies for new educators plus valuable online coaching tools Many teachers are only observed one or two times per year on average—and, even among those who are observed, scarcely any are given feedback as

to how they could improve. The bottom line is clear: teachers do not need to be evaluated so much as they need to be developed and coached. In *Get Better Faster: A 90-Day Plan for Coaching New Teachers*, Paul Bambrick-Santoyo shares instructive tools of how school leaders can effectively guide new teachers to success. Over the course of the book, he breaks down the most critical actions leaders and teachers must take to achieve exemplary results. Designed for coaches as well as beginning teachers, *Get Better Faster* is an integral coaching tool for any school leader eager to help their teachers succeed. *Get Better Faster* focuses on what's practical and actionable which makes the book's approach to coaching so effective. By practicing the concrete actions and micro-skills listed in *Get Better Faster*, teachers will markedly improve their ability to lead a class, producing a steady chain reaction of future teaching success. Though focused heavily on the first 90 days of teacher development, it's possible to implement this work at any time. Junior and experienced teachers alike can benefit from the guidance of *Get Better Faster* while at the same time closing existing instructional gaps. Featuring valuable and practical online training tools available at <http://www.wiley.com/go/getbetterfaster>, *Get Better Faster* provides agendas, presentation slides, a coach's guide, handouts, planning templates, and 35 video clips of real teachers at work to help other educators apply the lessons learned in their own classrooms. *Get Better Faster* will teach you: The core principles of coaching: Go Granular; Plan, Practice, Follow Up, Repeat; Make Feedback More Frequent Top action steps to launch a teacher's development in an easy-to-read scope and sequence guide It also walks you through the four phases of skill building: Phase 1 (Pre-Teaching): Dress Rehearsal Phase 2: Instant Immersion Phase 3: Getting into Gear Phase 4: The Power of Discourse Perfect for new educators and those who supervise them, *Get Better Faster* will also earn a place in the libraries of veteran teachers and school administrators seeking a one-stop coaching resource.

The Road to Independent Reading and Writing Jun 01 2021 Help teachers transform young learners into independent readers and writers with this must-have resource authored by Cathy Collier, a reading specialist and former kindergarten teacher. This easy-to-use classroom resource is packed with kindergarten reading and writing routines, lessons, centers, charts, resources, and teaching tips. Learn to give students the tools they can use on their own to become independent readers and writers by breaking key literacy concepts and skills into manageable, teachable pieces. The writing section covers implementing writing instruction, spelling strategies, composition strategies, and journal writing. The reading section covers strategies for teaching reading, providing lessons for phonological awareness, phonics, concept of print, reading comprehension, and vocabulary development.

Flexible differentiation strategies are also included within each section to allow teachers to be responsive to the needs of all learners.

Love is You & Me. Jan 28 2021 Love is me, and love is you. You see, when you smile I smile too. When you're around, the skies are blue. It's like being happy . . . times two! Monica Sheehan's delightful follow-up to Be Happy! reminds readers about the surprisingly simple acts that demonstrate love: giving a hug, sharing your toys, being a good friend, and much more. This vibrant, uplifting title all about love makes a perfect gift for Valentine's Day or any time of the year!

No Kidding, Mermaids are a Joke! Apr 18 2020 Introduces the concept of point of view through the prince's retelling of the classic fairy tale "The Little Mermaid"--

How to Write a Novel Using the Snowflake Method Oct 05 2021 The Snowflake Method-ten battle-tested steps that jump-start your creativity and help you quickly map out your story.

Memoirs of an Elf Jun 13 2022 It's Christmas Eve and Spark Elf has the very important job of keeping Santa Claus on schedule as he travels the globe in 24 hours delivering presents. Small in stature with pointy ears and stopwatch in hand, Spark lets Santa know it's time to go. He programs the GPS while the other elves secure the toy bag and check the Nice list. Little known fact: We don't even bring the Naughty list with us. Six hours into the trip Santa, sleigh and crew begin to fall behind--so many cuddly doggies to pet and extra cookies to eat. The jolly group makes up time in Brazil and soon find themselves back at the North Pole. Their work is done. But wait, there's something left in the bag--but it isn't a present at all--it's a family dog! Well known fact: Santa gives things away. He does not take things! Momma Claus comes to the rescue with a plan to get the dog back to his family. Can Santa return the family's beloved pooch in time to keep their Christmas merry?

Teaching Students to Dig Deeper Jan 16 2020 What does it really mean for students to be college and career ready? In this new edition of Teaching Students to Dig Deeper, Ben Johnson identifies the ten attributes students need for success, according to key research, the College Board, the ACT, and rigorous state standards. In order to thrive beyond high school, students must become... • Analytical thinkers • Critical thinkers • Problem solvers • Inquisitive • Opportunistic • Flexible • Open-minded • Teachable • Risk takers • Expressive But how? Johnson offers the answers, providing practical strategies and techniques for making the ten attributes come alive in the classroom, no matter what grade level or subject area you teach.

With the book's strategies and tools, you will be inspired, armed, and ready to help all of your students think on a deeper level and expand their learning.

The Writing Revolution Nov 25 2020 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Wonders Grade 1 Literature Anthology Unit 1 Oct 13 2019 Texas Wonders is designed to foster a love of reading in all children. Through exploration of texts and daily development of their skills as readers, writers, speakers, and active listeners, students experience the power of literacy. Our focus on teaching the whole child, and every child, prepares students to be lifelong learners and critical thinkers. ?

Mathematical Writing Sep 04 2021 This book will help those wishing to teach a course in technical writing, or who wish to write themselves.

Understanding by Design Mar 18 2020 What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of Understanding by Design. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward

design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of Understanding by Design apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of Understanding by Design offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

The Palmer Method of Business Writing Jul 14 2022 This comprehensive guide will help you master the Palmer Method of writing so you can achieve perfect cursive handwriting. In a series of rapid, plain, unshaded, coarse-pen writing lessons, this guide will enable you to adopt a neat cursive writing style with rhythmic motions. The Palmer Method suggests that writing should be an exercise of the entire arm, not just the wrist and fingers. This assists writers in keeping their words legible, while writing quickly and painlessly. Focused on business writing, rather than the art of calligraphy, no artistic talent is required to master this skill. Complete with the original illustrations and diagrams, this 1901 book provides easy-to-follow instructions for learners of all ages. Austin Palmer developed the Palmer Method of handwriting in the late 19th century with the aim of simplifying the standardised Spencerian Method of cursive writing. Palmer's method quickly became the most popular handwriting style in America. Read & Co. Books is proud to have republished this new edition of The Palmer Method of Business Writing, featuring an introductory biography of the author. Not to be missed by those with a keen interest in the history and development of penmanship.

The Next Step Forward in Guided Reading Feb 26 2021 This resource-rich book includes planning and instructional tools, prompts, discussion starters, teaching points, intervention suggestions, and more to support all students. Plus, an online resource bank with downloadables and videos. Jan Richardson's latest thinking on Guided Reading helps teachers take the next step forward to pinpoint instruction that supports every reader. Richardson uses the Assess-Decide-Guide framework to take a deep dive into each guided reading stage, covering PreA to Fluent readers, their needs, and the best ways to support and challenge them. A master reading teacher at all levels, Richardson skillfully addresses all the factors that make or break guided reading lessons: support for striving readers, strategies for reaching ELLs, making home-school connections--all with an unwavering focus on reading for deeper comprehension, to develop thoughtful,

independent readers. The book includes dozens of must-have record-keeping, assessment, and reference forms, as well as how-to video links that provide show Jan in action with diverse readers.

Document Drafting Handbook Feb 09 2022

Four Square: Writing Method for Early Learner Nov 18 2022 Step-by-step approach that first shows students how to collect ideas and then helps them to create their prose clearly.

Show Way Mar 10 2022 Winner of a Newbery Honor! Soonie's great-grandma was just seven years old when she was sold to a big plantation without her ma and pa, and with only some fabric and needles to call her own. She pieced together bright patches with names like North Star and Crossroads, patches with secret meanings made into quilts called Show Ways -- maps for slaves to follow to freedom. When she grew up and had a little girl, she passed on this knowledge. And generations later, Soonie -- who was born free -- taught her own daughter how to sew beautiful quilts to be sold at market and how to read. From slavery to freedom, through segregation, freedom marches and the fight for literacy, the tradition they called Show Way has been passed down by the women in Jacqueline Woodson's family as a way to remember the past and celebrate the possibilities of the future. Beautifully rendered in Hudson Talbott's luminous art, this moving, lyrical account pays tribute to women whose strength and knowledge illuminate their daughters' lives.

Teaching Students to Dig Deeper Sep 23 2020 This important new book identifies the skills and qualities students need, based on the Common Core State Standards, to be really ready for college and careers. Go beyond content knowledge...the deep thinking and learning skills detailed in this book will equip students for success! Prepare your students for their futures by helping them become... The Great Thanksgiving Escape ____ Sep 16 2022 Gavin, preparing for a boring Thanksgiving Day with his relatives, joins his cousin's effort to escape to the swing set in the backyard, a journey marked by sweater-wearing dogs, affectionate aunts, and grownups of inconvenient height.

Measure What Matters Aug 03 2021 #1 New York Times Bestseller
Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove ("the greatest manager of his or any era") drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In *Measure What Matters*, Doerr shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.

Graphic Organizers for Reading Comprehension Oct 17 2022 58 color
reproducible graphic organizers to help your students comprehend any book or piece of literature in a visual way. Our graphic organizers enable readers to see how ideas fit together, and can be used to identify the strengths and weaknesses of your students' thought

processes. Our graphic organizers are essential learning tools that will help your students construct meaning and understand what they are reading. They will help you observe your students' thinking process on what you read as a class, as a group, or independently, and can be used for assessment. They include: Story Maps, Plot Development, Character Webs, Predicting Outcomes, Inferencing, Foreshadowing, Characterization, Sequencing Maps, Cause-Effect Timelines, Themes, Story Summaries and Venn Diagrams.

Flexible differentiation strategies are also included within each section to allow teachers to be responsive to the needs of all learners.

[Ditch That Textbook](#) May 20 2020 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning. In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

A Manual for Writers of Dissertations Nov 13 2019

Brave Irene May 12 2022 This ebook includes audio narration. This winning heroine will inspire every child to cheer her on as she ventures through a bitter cold snowstorm in William Steig's classic Brave Irene Brave Irene is Irene Bobbin, the dressmaker's daughter. Her mother, Mrs. Bobbin, isn't feeling so well and can't possibly deliver the beautiful ball gown she's made for the duchess to wear that very evening. So plucky Irene volunteers to get the gown to the palace on time, in spite of the fierce snowstorm that's brewing-- quite an errand for a little girl. But where there's a will, there's a way, as Irene proves in the danger-fraught adventure that follows. She must defy the wiles of the wicked wind, her most formidable opponent, and overcome many obstacles before she completes her mission. Brave Irene is a 1986 New York Times Book Review Best Illustrated Book of the Year. NARRATED by MERYL STREEP.

A Poetry Handbook Jun 20 2020 With passion, wit, and good common sense, the celebrated poet Mary Oliver tells of the basic ways a poem is built--meter and rhyme, form and diction, sound and sense. Drawing on poems from Robert Frost, Elizabeth Bishop, and others, Oliver imparts an extraordinary amount of information in a remarkably short space. "Stunning" (Los Angeles Times). Index.
