Keeping a journal for Child Custody. Going through a divorce is often a complicated process, which becomes even more complicated when there are children involved. By keeping a journal for child custody, you will smoothen the entire process, and reduce the stress involved on you and your child. The journal will also be extremely useful to your attorney, and will often be used by the court to help with the process. Documenting the process should become a habit; and this journal is the ultimate tool to developing this habit. EVERYTHING that happens to your child, whether good, bad, or neutral should be recorded and dated. Ones memory will often fail to hold up in court when in court or mediation in regards to child custody. What this journal contains: Visitation planner: The visitation planner at the beginning of the diary contains space for you to quickly plan your visitations. This information is crucial for keeping to agreed upon times and dates and should be recorded as soon as each agreement is made, to avoid any later disputes. Input sections for: Date Pick up and drop off time Pick up and drop off location Communication Log: A communication log is one of the most important aspects of keeping a journal for child custody. It ensures that you are protected and prepared for

all agreements and conversations that will happen between the other parent, lawyer etc. Inputs include: Time, date, start time and length of conversation Nature of the conversation, who initiated it, what was covered Main points raised Additional information Visitation log: Visitation is often one of the trickiest parts of managing child custody. The visitation log in this journal is designed to ensure both parties uphold their agreements that were made in regards to visitation, and that the child's best interests are kept at the forefront of the agreements. Other notes: A section for any other notes related to child custody. Remember: everything related to this process should be recorded. Any information that may not fit into the other sections should be written here. It may include things such as your child's mood after a visit, something your child says about their other parent etc. This section will be used almost every day used correctly, with each note dated as instructed. Tips for keeping this journal: As well as the information included above, the journal contains tips about how best to keep this journal. Book Features: 8.5 x 11 inch in size Perfect bound with a beautiful soft matte cover (Note: This is a paperback. The leather on the cover is a design print only) Printed on white bleedproof paper Durable Tips for keeping a child custody journal Remain Balanced - stay objective: While you want to do everything you can to get custody of your children, make sure you also write down the good things the other parent does. Remember, this is about what is best for your children, not what is best for you or for the other parent. NEVER LIE OR FALSIFY INFORMATION or you will ultimately lose the battle in court. Include Smaller Details Don't forget to include the smaller, everyday details with your custody journal What can abortion and divorce laws in other countries teach Americans about these thorny issues? In this incisive new book, noted legal scholar Mary Ann Glendon looks at the experiences of twenty Western nations, including the United States, and shows how they differ, subtly but profoundly, from one another. Her findings challenge many widely held American beliefs. She reveals, for example, that a compromise on the abortion question is not only possible but typical, even in societies that are deeply divided on the matter. Regarding

divorce, the extensive reliance on judicial discretion in the United States is not the best way to achieve fairness in arranging child support, spousal maintenance, or division of property--to judge by the experience of other countries. Glendon's analysis, by searching out alternatives to current U.S. practice, identifies new possibilities of reform in these areas. After the late 1960s abortion and divorce became more readily available throughout the West--and most readily in this country--but the approach of American law has been anomalous. Compared with other Western nations, the United States permits less regulation of abortion in the interest of the fetus, provides less public support for maternity and child-rearing, and does less to mitigate the economic hardships of divorce through public assistance or enforcement of private obligations of support. Glendon looks at these and more profound differences in the light of a powerful new method of legal interpretation. She sees each country's laws as part of a symbol-creating system that yields a distinctive portrait of individuals, human life, and relations between men and women, parents and children, families and larger communities. American law, more than that of other countries, employs a rhetoric of rights, individual liberty, and tolerance for diversity that, unchecked, contributes to the fragmentation of community and its values. Contemporary U.S. family law embodies a narrative about divorce, abortion, and dependency that is probably not the story most Americans would want to tell about these sad and complex matters but that is recognizably related to many of their most cherished ideals. Raoul Felder, a take-no-prisoners divorce attorney, draws from his experience to show readers how to avoid an acrimonious divorce and move on with life. There is nothing better than a good marriage. But when a marriage goes bad, there is no better option than divorce to give men and women a chance to start over. Handled wisely, divorce can be a beginning, not an end. It is the doorway to a new life free of hurt, anger, and resentment. Felder and Victor cover each phase of divorce, from knowing when to call it quits, to choosing a lawyer, to the final decree. They explore prenuptial contracts, mediation, alimony, child custody, same-sex marriage, and life after divorce. They also share some of the

most important facts one should know such as: • The first offer a woman gets when divorce negotiations begin is usually the best. • In all divorces, income rather than assets determine who pays what to whom. • Divorce is about compromise. Divorce court is not a boxing ring. After years of watching how divorce can go tragically wrong, Felder uses his expert knowledge, including case histories from his list of celebrity clients, to suggest how to make divorce more fair, civilized, and painless. A divorce can be the most painful and expensive experience of your life. Whether you use a lawyer or not, protect yourself by getting all the information you need about divorce laws and your legal rights. How to File Your Own Divorce simplifies and thoroughly explains everything you need to know to successfully handle your own divorce. Complete with step-by-step instructions and the forms you need, this book makes filing for divorce inexpensive and hassle-free. Are you divorcing? o Are you terrified of losing your home, credit, and children? o Do you want more control over your divorce outcome? Have you read the headlines lately? They are filled with divorce horror stories about spurned ex-spouses damaging cars and property, kidnapping their children, and refusing to pay child support. Divorce is hard, particularly when there is infidelity, financial problems, animosity, or other stress-inducing factors involved. To ease your way through this painful life crisis, relationship expert, Jane Wymer, has written an extensive guide to help you during one of the most vulnerable stages of your life. She will open your eyes to potential dangers in the following areas: your finances, property, children, security, and physical and emotional health. Wymer is aware of common "dirty tricks" that divorcing women routinely face during finance and child custody negotiations. She is also aware that bodily harm and property damage is a common issue that divorcing women face and will arm you with invaluable tips to help you secure your home and valuables. Some of the invaluable information you'll discover includes: o Guerilla Warfare Divorce Tactics for proactive defense o A plethora of "killer" tips for documenting a trail of quality evidence to use in court o Securing your apartment to protect against possible ex-spouse home invasions o The

most effective security options for a wide range of budgets o Insurance coverage and other essentials o How to negotiate the best divorce agreement Peace of mind is priceless. A small investment in this guide will ensure sanity and better quality of life as you divorce and move onward to a new and better life. It's over. The divorce is final, your ex is out of your house and -mostly--out of your life. Now what? Are you ready to get on with your life? Do you have dreams, plans, skills, energy for what comes next? And will you be making it happen, or letting it happen? MacGregor and Alberti have prepared a friendly, straightforward manual of advice and suggestions that assumes every woman is capable of handling life on her own. Help for emotional recovery (MacGregor is a "survivor," Alberti is a psychologist), practical matters (finances, home maintenance), dealing with your ex, helping your children to cope ("we didn't divorce you!"), and much, much more. Every woman considering divorce, or in the midst of a divorce, should be empowered to make intelligent, well-thought-out choices for herself, and for her children. In *The Empowered Womans Guide to Divorce*, noted psychotherapist Dr. Jill A. Murray and noted attorney Adam R. Dodge guide you through the key decisions involved in the divorce process, from making the initial decision to end your marriage, to going through the legal and emotional steps of divorce, and the challenges you may face in the aftermath. In this eye-opening and compassionate guide, you'll learn: To assess how your relationship has affected your body. What you and your children deserve in your lives. The seven legal rules of divorce. To evaluate your legal and financial options. Secrets of navigating the obstacle course in the courtroom. How to tell your children you and your husband are divorcing. Ways to help your children cope with the new reality of alternating between two single-parent households. How to deal with custody and visitation issues. To manage emotions such as anxiety, depression, and loneliness. Strategies for healthy co-parenting with your ex. How to ease back into dating post-divorce. If you're going through a breakup, you're not alone. Forty to fifty percent of marriages end in divorce. *The Empowered Womans Guide to Divorce* shares the voices of

real women experiencing the same messy, confusing, and at times, exciting milestones. In clear and easy-to-read language, it helps you answer every question you didn't know you had about divorce until now. Divorce can leave you wondering, "Am I still part of an eternal family?" Yes, you are! With easy to follow, colorful illustrations, children, teens and adults alike can find encouragement that their family is forever - even when divorce is involved. Your eternal family may even grow when parents remarry. This book is full of hope and joy for an eternal family journeying through divorce. The print version of this book makes it possible to add your family's unique eternal structure by use of companion pages to the text. Read and take heart! You are still part of an eternal family.*This book is written specifically for families who are members of The Church of Jesus Christ of Latter-Day Saints and were sealed in the temple. Wording and illustrations are used with this in mind, though the idea and concept of this book are applicable to anyone. A road map for late-life divorce Divorce can be emotionally devastating at any time, but the emotional and financial challenges are even greater for people who divorce later in life and can face complicated issues of blended families, health care concerns, and retirement planning. Attorney Janice Green brings 30-plus years of experience as a divorce lawyer, and in particular her experience counseling clients over 50, to *Divorce After 50*. She addresses: • Divorce options (including mediation and collaborative divorce) • How to receive the best guidance from lawyers and professional advisers • Dividing marital property fairly • Retirement plan rules • Spousal support (alimony) • How divorce affects estate planning • Keeping good health care (updated to include new rules under the Affordable Care Act) The book also includes divorce survival stories that illustrate your options and provide encouragement. They got through it, and with the help of *Divorce After 50*, you can, too. "Growing Through Divorce is one of the most practical, insightful, and helpful books available today." H. Norman Wright More than 600,000 copies sold! Now with a brand-new cover, Jim Smoke's compassionate and supportive book will help many thousands more. Jim has counseled single-again people for more

than 30 years. Drawing on this experience, he offers men and women the practical, step-by-step help they need to survive the turmoil of divorce and come out healthy and secure. Readers are encouraged to: look at divorce recovery as a healing process develop a solid support system give themselves time and permission to experience the myriad emotions provide support and understanding to their children take care of themselves financially, physically, and emotionally Although devastating, divorce doesn't mean life is over. Joy and love will come again. Growing Through Divorce helps readers transform a difficult ending to a fresh beginning. Based on a pioneering new national study, this resource offers a profound look at how the emotional and spiritual lives of children change after divorce. While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to divorce, both in the U.S. and globally. Cross-References and Further Readings guide readers to additional

resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics. Keeping a journal for Child Custody. Going through a divorce is often a complicated process, which becomes even more complicated when there are children involved. By keeping a journal for child custody, you will smoothen the entire process, and reduce the stress involved on you and your child. The journal will also be extremely useful to your attorney, and will often be used by the court to help with the process. Documenting the process should become a habit; and this journal is the ultimate tool to developing this habit. EVERYTHING that happens to your child, whether good, bad, or neutral should be recorded and dated. Ones memory will often fail to hold up in court when in court or mediation in regards to child custody. What this journal contains: Visitation planner: The visitation planner at the beginning of the diary contains space for you to quickly plan your visitations. This information is crucial for keeping to agreed upon times and dates and should be recorded as soon as each agreement is made, to avoid any later disputes. Input sections for: Date Pick up and drop off time Pick up and drop off location Communication Log: A communication log is one of the most important aspects of keeping a journal for child custody. It ensures that you are protected and prepared for all agreements and conversations that will happen between the other parent, lawyer etc. Inputs include: Time, date, start time and length of conversation Nature of the conversation, who initiated it, what was covered Main points raised Additional information Visitation log: Visitation is often one of the trickiest parts of managing child custody. The visitation log in this journal is designed to ensure both parties uphold their agreements that were made in regards to visitation, and that the child's best interests are kept at the forefront of the agreements. Other notes: A

section for any other notes related to child custody. Remember: everything related to this process should be recorded. Any information that may not fit into the other sections should be written here. It may include things such as your child's mood after a visit, something your child says about their other parent etc. This section will be used almost every day used correctly, with each note dated as instructed. Tips for keeping this journal: As well as the information included above, the journal contains tips about how best to keep this journal. Book Features: 8.5 x 11 inch in size Perfect bound with a beautiful soft matte cover (Note: This is a paperback. The leather on the cover is a design print only) Printed on white bleedproof paper Durable Tips for keeping a child custody journal Remain Balanced - stay objective: While you want to do everything you can to get custody of your children, make sure you also write down the good things the other parent does. Remember, this is about what is best for your children, not what is best for you or for the other parent. NEVER LIE OR FALSIFY INFORMATION or you will ultimately lose the battle in court. Include Smaller Details Don't forget to include the smaller, everyday details with your custody journal Can a cat person and a dog person find common ground? And maybe even love? Come to Sunshine Bay and find out! A year after a difficult marital separation, Helen learns her daughter Kim won't be home for the holidays. She is staying in Ontario with her new husband and his family this year. Alone for the first time in years, Helen wants nothing more than to leave her house full of memories behind and spend her holiday somewhere where no one knows her or her ex-husband. When her friend Sylvia calls from Sunshine Bay to ask if she would be a cat-sitter for her cat, Angel, for the holidays, Helen jumps at the chance for a peaceful holiday away from everything she has known. All is well until she meets the neighbors: Neville, a devilish Westie determined to escape his yard to pursue Angel, and Joe, Neville's reluctant dog-sitter, who makes Helen's heart beat a little faster whenever he's around. Joe is spending the holidays alone this year except for his son's West Highland terrier, Neville, a dog that hasn't met an obstacle he can't dig under or squeeze through. Neville's antics are interfering

with Joe's ability to get his work done. Worse, Neville has attracted the attention of the new neighbor, Helen, a bewitching woman Joe is finding hard to ignore. The more Helen and Joe try to keep Neville happy and out of trouble, the more sparks fly between them. Will the pair solve the problem of Neville and be able to have the peaceful holiday they both crave? Or with Neville's help, will they see they belong together? If you like a story of friendship, love and second chances in the second half of life, this one may be for you. Just as there are right and wrong reasons to marry, there are good and bad reasons to divorce. Some couples are quick to split because they are unwilling to devote the necessary effort to fixing their relationships or to understanding their partners, while others miss out on personal fulfillment by staying too long in unhealthy marriages. This insightful and practical guide, written by a therapist with nearly a decade of experience counseling those considering divorce, will help you evaluate your marriage to determine whether you should stay or go. Without bias toward or against the option of divorce, *Contemplating Divorce* includes helpful tools to guide you to the right decision. Use the tests and relationship evaluations to assess your level of fulfillment in your marriage Learn about the five types of needs happy marriages satisfy Find out how to fix 'problem areas' in your relationship Plan for the future, whether you decide to stay or move on This is a much-needed book. The anxiety in making a life-changing decision is sometimes overwhelming. It is of immense help to have a coach like Susan Pease Gadoua! -John Bradshaw, best-selling author of *Homecoming* and *Creating Love Better than therapy!* Pease Gadoua allows the reader who is contemplating any great change to process the pros and cons in the confines of his or her own heart and mind, leaving no chance for those on the fence to skip out on the truth. A must-read for any transition.-Joan Anderson, bestselling author of *A Year by the Sea*, *An Unfinished Marriage*, *A Walk on the Beach*, and *The Second Journey* Making an appointment to see a divorce lawyer doesn't mean that the person I am advising necessarily needs or wants a divorce. With Pease Gadoua's wise, thorough, and accessible book, *Contemplating Divorce*, at last there is a resource I can give to confused

and unhappy clients who think the marriage may be over but can't decide whether the embers are truly dead or not.-Pauline H. Tesler, author of Collaborative Divorce and Collaborative Law An exceptional and outstanding book for all those considering making the life-altering decision to divorce. Pease Gadoua offers profound personal insight and practical guidance that empowers adults to find clarity, overcome hurdles, and make the best choices for the future of their relationships. I wholeheartedly recommend *Contemplating Divorce* to men and women alike. This book presents the author's 19 step rebuilding process for recovering after a breakup or divorce. This comprehensive book provides a balanced overview of the current research on divorce. The authors examine the scientific evidence to uncover what can be said with certainty about divorce and what remains to be learned about this socially and politically charged issue. Accessible to parents and teachers as well as clinicians and researchers, the volume examines the impact of marital breakup on children, adults, and society. Alison Clarke-Stewart and Cornelia Brentano synthesize the most up-to-date information on divorce from a variety of disciplinary perspectives with thoughtful analysis of psychological issues. They convey the real-life consequences of divorce with excerpts from autobiographies by young people, and they also include guidelines for social policies that would help to diminish the detrimental effects of divorce. Keeping a journal for Child Custody. Going through a divorce is often a complicated process, which becomes even more complicated when there are children involved. By keeping a journal for child custody, you will smoothen the entire process, and reduce the stress involved on you and your child. The journal will also be extremely useful to your attorney, and will often be used by the court to help with the process. Documenting the process should become a habit; and this journal is the ultimate tool to developing this habit. Include Smaller Details Don't forget to include the smaller, everyday details with your custody journal The novel begins with Costantino Ledda's conviction and sentencing

for the murder of his cruel uncle. Though innocent of the crime, he accepts the guilty verdict as punishment for marrying Giovanna Era through a civil ceremony rather than an expensive church wedding. When her husband is taken away, Giovanna has no way to provide for herself, her mother, and her son, who soon dies of malnutrition. Out of desperation she divorces Costantino, according to a new law for wives of convicts, and marries a wealthy but brutish landowner. When the true murderer confesses and Costantino returns, he and Giovanna begin a forbidden and ultimately destructive affair.

Keeping a journal for Child Custody. Going through a divorce is often a complicated process, which becomes even more complicated when there are children involved. Remember, this is about what is best for your children, not what is best for you or for the other parent. NEVER LIE OR FALSIFY INFORMATION or you will ultimately lose the battle in court. Include Smaller Details Don't forget to include the smaller, everyday details with your custody journal Despite the increase of research on divorce, relatively little is known about such topics as how men adjust to divorce compared with women, how blacks adjust compared to whites, and what divorce adjustment looks like over time. Filling a gap in the literature, PORTRAIT OF DIVORCE presents a comprehensive and detailed report on the causes and consequences of divorce. Inclusive in its scope, the book covers the period of estrangement through the divorce process and on to 4 years after the couples separated. The work is based on the integration of original data with over 50 years of prior research. In addition, it contrasts divorcing people with a comparable sample of people who remain in intact marriages. The book opens with a discussion of today's changing attitudes about marriage and the resulting mixed view of divorce. A new model of divorce adjustment--one that integrates the pathology and crisis models of adjustment and includes elements of loss and change--is

outlined. The four sources of study data used for the book are described, as are the ways in which such key elements as subjective distress, attachment, self-esteem, and illness contacts were measured. To address the issue of comparability of the married samples, background characteristics of the suburban, reconciled, and marital transition samples are examined. Also, "risk factors" that have been thought predispose those who divorce are explored. Having laid the groundwork, subsequent chapters cover the processes of the relationship estrangement that occurs within marriage, and various "causes" of divorce including legal definitions, psychological correlates, and marital complaints. The effect of divorce on physical and mental health and the implications of age and other life events on the ability to adjust are described. Parents' initial perceptions of the impact of divorce on their children are reported, as are changes in their perceptions over time. Other topics include economic factors, social support systems, and life after divorce. Finally, analyses are presented that illustrate what factors are associated with better and worse adjustment to divorce for blacks and whites, and men and women, both cross-sectionally and longitudinally. Adding immeasurably to our understanding about the causes and consequences of divorce, this volume will be valued by clinicians who work with the divorced, community psychologists, child and family development scholars, and and sociologists interested in family and health. Well written and clearly organized, it also serves as a classroom text for students in these fields. This is a pamphlet and not a book; and the writer of a pamphlet not only deals with passing things, but generally with things which he hopes will pass. It is designed merely to note certain fugitive proposals of the moment, and compare them with certain recurrent necessities of the race; but especially the necessity for some spontaneous social formation freer than that of the state. Therefore, Mr. Chesterton does not delve deeply into this subject and does not present an in depth study of the superstition of divorce. Contents: superstition of divorce; story of the family; story of the vow; tragedies of marriage; vista of divorce; conclusion. Divorce is painful. Take comfort in God as healer and

counselor. With divorce comes many questions, pain, and frustration. What am I going to do? How will I survive? What about the children? What will people think of me? What does God think of me? So how can you get through this? Live with it? Through this six-week study you'll discover solid, biblical insights to help you or a loved one recover from the grief over the end of a marriage. While trying to contain the infectious disease that is threatening the animals at the New Orleans zoo where she is a veterinarian, Ellen struggles to treat her ailing marriage. By the author of Mary Reilly. 20,000 first printing. \$20,000 ad/promo. Tour. A positive step-by-step programme for putting your life back together when your relationship ends. Keeping a journal for Child Custody. Going through a divorce is often a complicated process, which becomes even more complicated when there are children involved. By keeping a journal for child custody, you will smoothen the entire process, and reduce the stress involved on you and your child. The journal will also be extremely useful to your attorney, and will often be used by the court to help with the process. Documenting the process should become a habit; and this journal is the ultimate tool to developing this habit. EVERYTHING that happens to your child, whether good, bad, or neutral should be recorded and dated. One's memory will often fail to hold up in court when in court or mediation in regards to child custody. What this journal contains: Visitation planner: The visitation planner at the beginning of the diary contains space for you to quickly plan your

visitations. This information is crucial for keeping to agreed upon times and dates and should be recorded as soon as each agreement is made, to avoid any later disputes. Input sections for: Date Pick up and drop off time Pick up and drop off location Communication Log: A communication log is one of the most important aspects of keeping a journal for child custody. It ensures that you are protected and prepared for all agreements and conversations that will happen between the other parent, lawyer etc. Inputs include: Time, date, start time and length of conversation Nature of the conversation, who initiated it, what was covered Main points raised Additional information Visitation log: Visitation is often one of the trickiest parts of managing child custody. The visitation log in this journal is designed to ensure both parties uphold their agreements that were made in regards to visitation, and that the child's best interests are kept at the forefront of the agreements. Other notes: A section for any other notes related to child custody. Remember: everything related to this process should be recorded. Any information that may not fit into the other sections should be written here. It may include things such as your child's mood after a visit, something your child says about their other parent etc. This section will be used almost every day used correctly, with each note dated as instructed. Tips for keeping this journal: As well as the information included above, the journal contains tips about how best to keep this journal. Book Features: 8.5 x 11 inch in size Perfect bound with a beautiful soft matte cover (Note: This is a paperback. The leather on the cover is a design print only) Printed on white bleedproof paper Durable Tips for keeping a child custody journal Remain Balanced - stay objective: While you want to do everything you can to get custody of your children, make sure you also write down the good things the other parent does. Remember, this is about what is best for your children, not what is best for you or for the other parent. NEVER LIE OR FALSIFY INFORMATION or you will ultimately lose the battle in court. Include Smaller Details Don't forget to include the smaller, everyday details with your custody journal the author's Atlantic Monthly article "Dan Quayle Was Right" ignited a media debate on the effects of divorce that

rages still. In this book she expands her argument, making it clear Americans need to strengthen their resolve with regard to divorce prevention, new ways of thinking about marriage, and a new consciousness about the meaning of commitment. 240 pp. Author tour. Radio satellite tour. 60,000 print. For over 30 years, The Michigan Divorce Book has been the go-to guide for couples hoping to file for divorce without the additional costs of a lawyer. Constantly updated and very informative, author Alan Bloomfield has created do-it-yourself book for filing an uncontested divorce. This volume includes invaluable instructions for those with minor children. **AN AMAZON "BEST BOOK OF THE MONTH (Nonfiction)" (June 2022)** **AN APPLE "BEST BOOK OF THE MONTH " (June 2022)** From a historian and senior editor at Atlas Obscura, a fascinating account of the daring nineteenth-century women who moved to South Dakota to divorce their husbands and start living on their own terms For a woman traveling without her husband in the late nineteenth century, there was only one reason to take the train all the way to Sioux Falls, South Dakota, one sure to garner disapproval from fellow passengers. On the American frontier, the new state offered a tempting freedom often difficult to obtain elsewhere: divorce. With the laxest divorce laws in the country, five railroad lines, and the finest hotel for hundreds of miles, the small city became the unexpected headquarters for unhappy spouses—infamous around the world as The Divorce Colony. These society divorcees put Sioux Falls at the center of a heated national debate over the future of American marriage. As clashes mounted in the country's gossip columns, church halls, courtrooms and even the White House, the women caught in the crosshairs in Sioux Falls geared up for a fight they didn't go looking for, a fight that was the only path to their freedom. In The Divorce Colony, writer and historian April White unveils the incredible social, political, and personal dramas that unfolded in Sioux Falls and reverberated around the country through the stories of four very different women: Maggie De Stuers, a descendent of the influential New York Astors whose divorce captivated the world; Mary Nevins Blaine, a daughter-in-law to a presidential hopeful with a vendetta against her

meddling mother-in-law; Blanche Molineux, an aspiring actress escaping a husband she believed to be a murderer; and Flora Bigelow Dodge, a vivacious woman determined, against all odds, to obtain a "dignified" divorce. Entertaining, enlightening, and utterly feminist, *The Divorce Colony* is a rich, deeply researched tapestry of social history and human drama that reads like a novel. Amidst salacious newspaper headlines, juicy court documents, and high-profile cameos from the era's most well-known players, this story lays bare the journey of the turn-of-the-century socialites who took their lives into their own hands and reshaped the country's attitudes about marriage and divorce. This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015, the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas. Divorced parents desperate to help ease their children's pain after divorce will welcome *Hope No Matter What*. This interactive devotional will help single parents guide their child/children through the fallout of divorce by offering hope through faith in God with assurance of His steadfast mercy. Birthed out of Kim Hill's personal story, this book blazes a trail for parents and children to process their feelings, express their fears and focus on God's faithfulness in spite of their sadness and disappointment. Parents concerned about their children's emotional and spiritual wellbeing will find this book opens the door to meaningful conversations so as to calm fears and dispel emotional confusion. Each part of the 31 - day devotional includes a lyric from one of her songs, a devotion, a Scripture and a prayer with a directed activity for parent/child interaction. Ever wonder how to handle the tough ethical issues we face? *The Only Way Is Ethics* is an

accessible, practical series of guides designed to equip both new and mature Christians to think through important and current ethical issues in the light of the Bible and theology. It offers help to Christians facing these issues themselves and for ministers as they provide guidance. Each guide (also available separately in print or as an e-book) has a 'Go Deeper' section listing resources for further reference. Accessible and incisive, Sean Doherty's journey through ethics doesn't simply tell us what to think but rather how to think well, and biblically, in a world of sexual confusion. - Glynn Harrison MD FRCPsych, Professor Emeritus of Psychiatry, University of Bristol *As Long as You Love Me* delves into divorce and re-marriage in the light of the Old Testament and the teachings of Jesus and St Paul. It shows that churches and their leaders can be places of welcome and support for all, whilst challenging readers to be faithful to Jesus's teaching about marriage in today's world. Divorce has its own love language. So many individuals especially women are not aware of this dirty little secret. We are mostly aware of the emotional rollercoaster ride the process of divorce takes one on. This book offers a powerful practical approach to the process of divorce and setting up your financial blue print for divorce right in beginning when those gut wrenching words have been uttered. I want a divorce. It especially favors the spouse that is at the financial disadvantage who has just been rendered paralyzed by your worse fear becoming a reality, your spouse has just walked out. They have a plan and you are a deer in the headlights. You have no clue where to start or how to start navigating this process of divorce. The author offers a practical guide, humorous at times other times straight laced raw emotion based on personal accounts of what her process was like as well as that of many women she has successfully coached during their process. It's like a checklist of early navigation in this process and help in answering that epic question, I'm divorced now what?
