Cocktail Codex Aug 15 2022 From the authors of the bestselling and genre-defining cocktail book *Death & Co*, *Cocktail Codex* is a comprehensive primer on the craft of mixing drinks that employs the authors' unique "root cocktails" approach to give drink-makers of every level the tools to understand, execute, and improvise both classic and original cocktails. JAMES BEARD AWARD WINNER • WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD® FOR BEST NEW COCKTAIL OR BARTENDING BOOK • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY CHICAGO TRIBUNE "There are only six cocktails." So say Alex Day, Nick Fauchald, and David Kaplan, the visionaries behind the seminal craft cocktail bar *Death & Co*. In *Cocktail Codex*, these experts reveal for the first time their surprisingly simple approach to mastering cocktails: the "root recipes," six easily identifiable (and memorizable!) templates that encompass all cocktails: the old-fashioned, martini, daiquiri, sidecar, whisky highball, and flip. Once you understand the hows and whys of each "family," you'll understand why some cocktails work and others don't, when to shake and when to stir, what you can omit and what you can substitute when you're missing ingredients, why you like the drinks you do, and what sorts of drinks you should turn to—or invent—if you want to try something new. Praise for *Cocktail Codex* "Learn the template, and any cocktail you can think of is within reach."—*Food & Wine* "Too bad all college textbooks weren't this much fun."—*Garden & Gun* "A must for amateur and pro mixologists alike."—*Chicago Tribune* "If Dora the Explorer turned twenty-one, split herself into three people, and decided to write the Magna Carta of booze books, this would be the result. And, unlike every other book you'll read this year, *Cocktail Codex* is packed with actual knowledge you can use in the real world. Please, please, can *Cinema Codex* be next?"—Steven Soderbergh, filmmaker

Honey & Co: The Baking Book Feb 09 2022 Our day is marked by what comes out of the pastry section, and there's always something good on the way: sticky buns full of cherries and pistachios in the morning; a loaf of rich dough rolled with chocolate, hazelnuts and cinnamon that has been proving since dawn and comes out of the oven fresh for elevenses. Lunch is a crisp, crumbly shell of pastry filled with spiced lamb or burnt aubergine, and at teatime there are cheesecakes and fruit cakes, small cakes and massive cookies - so many cakes that it's hard to choose one. (There's no need to worry, whatever you choose will be great!) After dinner there might be poached peaches with roses or something more traditional, sweet and salty Knafe drenched in orange blossom syrup, or maybe just a small piece of fresh marzipan. There's something sweet, something in the oven for everyone, all day long - welcome to Honey & Co. Chapters include: How to be good at baking: general notes; Store cupboard; Sweet & savoury breakfasts; Elevenses; Lunch; Teatime; Traditional desserts

The Wedding Veil Sep 04 2021 The New York Times bestselling author of *Under the Southern Sky* and the *Peachtree Bluff* series “brings her signature warmth and Southern charm” (E! Online) to this sweeping novel following four women across generations, bound by a beautiful wedding veil and a connection to the famous Vanderbilt family. Four women. One family heirloom. A secret connection that will change their lives—and history as they know it. Present Day: Julia Baxter's wedding veil, bequeathed to her great-grandmother by a mysterious woman on a train in the 1930s, has passed through generations of her family as a symbol of a happy marriage. But on the morning of her wedding day, something tells her that even the veil's good luck isn't enough to make her marriage last forever. Overwhelmed and panicked, she escapes to the Virgin Islands to clear her head.

Meanwhile, her grandmother Babs is also feeling shaken. Still grieving the death of her beloved husband, she decides to move out of the house they once shared and into a retirement community. Though she hopes it's a new beginning, she does not expect to run into an old flame, dredging up the same complicated emotions she felt a lifetime ago. 1914: Socialite Edith Vanderbilt is struggling to manage the luxurious Biltmore Estate after the death of her cherished husband. With 250 rooms to oversee and an entire village dependent on her family to stay afloat, Edith is determined to uphold the Vanderbilt legacy—and prepare her free-spirited daughter Cornelia to inherit it—in spite of her family's deteriorating financial situation. But Cornelia has dreams of her own. Asheville, North Carolina has always been her safe haven away from the prying eyes of the press, but as she explores more of the rapidly changing world around her, she's torn between upholding tradition and pursuing the exciting future that lies beyond Biltmore's gilded gates. In the vein of Therese Anne Fowler's *A Well-Behaved Woman* and Jennifer Robson's *The Gown, The Wedding Veil* brings to vivid life a group of remarkable women forging their own paths—and explores the mystery of a national heirloom lost to time.

Home in the World: A Memoir Mar 30 2021 From Nobel Prize winner Amartya Sen, a long-awaited memoir about home, belonging, inequality, and identity, recounting a singular life devoted to betterment of humanity. The Nobel laureate Amartya Sen is one of a handful of people who may truly be called “a global intellectual” (Financial Times). A towering figure in the field of economics, Sen is

perhaps best known for his work on poverty and famine, as inspired by events in his boyhood home of West Bengal, India. But Sen has, in fact, called many places “home,” including Dhaka, in modern Bangladesh; Kolkata, where he first studied economics; and Trinity College, Cambridge, where he engaged with the greatest minds of his generation. In *Home in the World*, these “homes” collectively form an unparalleled and profoundly truthful vision of twentieth- and twenty-first-century life. Here Sen, “one of the most distinguished minds of our time” (New York Review of Books), interweaves scenes from his remarkable life with candid philosophical reflections on economics, welfare, and social justice, demonstrating how his experiences—in Asia, Europe, and later America—vitally informed his work. In exquisite prose, Sen evokes his childhood travels on the rivers of Bengal, as well as the “quiet beauty” of Dhaka. The Mandalay of Orwell and Kipling is recast as a flourishing cultural center with pagodas, palaces, and bazaars, “always humming with intriguing activities.” With characteristic moral clarity and compassion, Sen reflects on the cataclysmic events that soon tore his world asunder, from the Bengal famine of 1943 to the struggle for Indian independence against colonial tyranny—and the outbreak of political violence that accompanied the end of British rule. Witnessing these lacerating tragedies only amplified Sen’s sense of social purpose. He went on to study famine and inequality, wholly reconstructing theories of social choice and development. In 1998, he was awarded the Nobel Prize for his contributions to welfare economics, which included a fuller understanding of poverty as the deprivation of human capability. Still Sen, a tireless champion of the dispossessed, remains an activist, working now as ever to empower vulnerable minorities and break down walls among warring ethnic groups. As much a book of penetrating ideas as of people and places, *Home in the World* is the ultimate “portrait of a citizen of the world” (Spectator), telling an extraordinary story of human empathy across distance and time, and above all, of being at home in the world.
