In 1959, the small town of Badger was the centre of a labour confrontation that forever changed the social and political landscape of Newfoundland. For two and a half months, loggers had been striking for better wages and working conditions. Led by the International Woodworkers of America (IWA), the strike reached its climax when national and provincial police forces stormed the town in an attempt to break the impasse. The Badger Riot tells the story of the deadly melee that followed. This work of

fiction captures for the first time the horror of a small community of people still reeling in shock from a tragedy that could have been prevented. Winner of the 2002 Scotiabank Giller Prize and of the 2003 Commonwealth Writers' Prize: Best Book (Canada and the Caribbean) When an elderly Bimshire village woman calls the police to confess to a murder, the result is a shattering all-night vigil that brings together elements of the African diaspora in one epic sweep. Set on the post-colonial West Indian island of Bimshire in 1952, *The Polished Hoe* unravels over the course of 24 hours but spans the lifetime of one woman and the collective experience of a society informed by slavery. As the novel opens, Mary Mathilda is giving confession to Sargeant, a police officer she has known all her life. The man she claims to have murdered is Mr. Belfeels, the village plantation owner for whom she has worked for more than thirty years. Mary has also been Mr. Belfeels' mistress for most of that time and is the mother of his only son, Wilberforce, a successful doctor. What transpires through Mary's words and recollections is a deep meditation about the power of memory and the indomitable strength of the human spirit. Infused with Joycean overtones, this is a literary masterpiece that evokes the sensuality of the tropics and the tragic richness of Island culture. This is the story of Cot Daley, a young girl kidnapped from her home in Galway, and shipped out to Barbados, where more than fifty thousand Irish sold to as indentured servants to the plantation owners of the Caribbean work the land alongside African slaves. Most of them would never see their families again. In this "memoir" by Elizabeth I, legendary historical novelist Jean Plaidy reveals the Virgin Queen as she truly was: the bewildered, motherless child of an all-powerful father; a captive in the Tower of London; a shrewd politician; a lover of the arts; and eventually, an icon of an era. It is the story of her improbable rise to power and the great triumphs of her reign--the end of religious bloodshed, the settling of the New World, the defeat of the Spanish Armada. Brilliantly clever, a scholar with a ready wit, she was also vain, bold, and unpredictable, a queen who commanded--and won--absolute loyalty from those around her. But in these pages, in her own voice, Elizabeth also recounts the emotional turmoil of her life: the loneliness of power; the heartbreak of her lifelong love affair with Robert Dudley, whom she could never marry; and the terrible guilt of ordering the execution of her cousin, Mary, Queen of Scots. In this unforgettable novel, Elizabeth emerges as one of the most fascinating and controversial women in history, and as England's greatest monarch. Una chimica esplosiva! Divertimento, mistero, azione, amore, desiderio e redenzione! L'ho adorato!» Jodi Ellen Malpas è nata e cresciuta a Northampton, in Inghilterra, e oggi si dedica a tempo pieno alla scrittura anche se fino a qualche anno fa lavorava con il padre in un'impresa di costruzioni. Ha intrapreso la carriera da scrittrice mettendo online il primo volume della trilogia This Man (composta da La confessione, La punizione e Il perdono), che ha riscosso un enorme e inaspettato successo ed è diventato un bestseller internazionale, pubblicato in Italia da Newton Compton. La serie successiva, One Night Trilogy, è composta dai romanzi Per una sola volta, Tutte le volte che vuoi e Ancora una volta. Once, the name Macalister Hale was uttered in the boardroom with respect. Now, it's whispered in disgrace at cocktail parties hosted by Boston's elite. Scandal nearly destroyed me, but the one thing larger than my infamy is my bank account, and I've learned money can solve anything. Well—almost anything. Sophia Alby's preferred currency is secrets and the way she trades information puts Wall Street to shame. This girl charges into my life and claims a partnership can restore my reputation. My downfall was swift, but with her, my climb to redemption will be greater. Our arrangement

is professional. Appropriate. It has to be, because she's half my age. But it doesn't stop me from wanting . . . To move on. To control and indulge in her. To hear the name Macalister Hale echo in her breathy moans. But I can't. Giving in to temptation led to my undoing before, and I won't survive it a second time.
