Window Rock, Arizona, is the last known location of Honor Roberts, who vanished when she was just thirteen. It was her only sanctuary from the Breed research that would surely have ended in her death—one such insidious experiment should, indeed, have killed her. That she lived is both a miracle—and a great mystery. Stygian's mission is to find Honor Roberts, no matter the cost. Now, with the help of Liza Johnson, assistant to the chief of the Navajo Nation, he is closer than ever to his goal. But will the discovery of Honor Roberts mean the destruction of the mating heat that has developed between Stygian and Liza? To save innocent, young Storme Montague from the claws of Breed slave traders, Wolf Breed Styx is forced to claim her himself—on the condition that Storme will no longer be a virgin by night's end. And though Storme's defenses are up, Styx will free her—in ways she never expects. An anthology of four new novellas from authors Lora Leigh, Virginia Kantra, Eileen Wilks, and Kimberly Forst features holiday tales of a fallen angel, shapeshifters, muses, and vampires. From New York Times bestselling author Lora Leigh comes a new, revised edition of a beloved classic in the passionate Breed series—Elizabeth's Wolf won the hearts of readers everywhere when it was

first released, and now experience the magic again in this special, expanded edition! Special-Forces soldier Dash has all but given up his will to live until an innocent letter from a little girl brings him back to life. Cassie writes to him every week, strengthening his resolve to recover from the devastating loss of his unit. But when the letters suddenly stop arriving, Dash instinctively knows Cassie and her mother are in critical danger. Elizabeth and her daughter are on the run from a dark and bloody past that refuses to let them go. The stakes are too high for her to fall for this dangerous man who's just walked into her life, but now more than ever she needs help. Saving his mate and her daughter calls Dash's beast to the forefront and transforms the lone wolf into an alpha protector—he becomes Elizabeth's wolf. From the New York Times bestselling author of Rule Breaker, sink your fangs into Lora Leigh's series about genetically-altered humans with feline DNA. When the Breeds desire the passions of the flesh, they can't help but get frisky... Harmony Lancaster is of the Lion breed, created to be a huntress with a thirst to kill. But the way she seeks justice outside of the law makes her a liability to her own kind. Yet she also possesses information that they need on the existence of the First Leo—who holds the precious secrets of desire. To save her life, Harmony is paired with Sheriff Lance Jacobs, who tries to tame the killer within her, while protecting the gentle woman he longs to possess. But a dangerous cult leader, bent on destroying the Breeds, could change the way Lance looks at Harmony forever... "I'M A HUGE FAN OF LORA LEIGH'S BREED BOOKS." —Nalini Singh, New York Times Bestselling Author of the Psy/Changeling Novels There's a fine line between animal instinct and human desire—and in the newest book in her "highly erotic saga" (Fresh Fiction) of the Breeds, Lora Leigh crosses it. Lion Breed and enforcer Rule Breaker has a few rules he doesn't break. But having sex with a woman outside his own breed,

even a human woman, is not one of them. Especially when it's Gypsy, the party girl who's determined to lead him on a merry chase. But she won't be able to outrun the lion—or the man in hot pursuit. What he suspects is mating heat may not be that at all. Just his animal instincts rioting, pacing, irritated whenever he's away from her. What ensues is a fiery affair that breaks all the rules of mating heat and will eventually endanger his mate with the very rules designed to protect the Breeds—for she's possibly been working against them... A comprehensive visual reference. For six years Anya Korbin worked with Del-Rey Delgado—the genetically altered rebel known as the Coyote Ghost—to free a group of coyote women kept in her father's lab. As Anya matured into a woman, she and Del-Rey grew close...but then he broke his promise and killed her father. Now she must deal with her animalistic desire for the one who betrayed her. Omegas belong to the king. But this one belongs to me. Kingsley At the frat party, someone must have spiked my beer, because I see a bright light and find myself sitting on a bed with a huge, green monster looming over me. I screech and throw every sharp object within reach. But you know what's really weird? I'm terrified and, at the same time, there's something about those black eyes, that scent, that purrrrr that makes my body come alive. Loven I fight for the honor of someday owning an Omega—a rare breeding female reserved for Alphas hand-selected by the king. For years, fighting alone has been enough. Until I scent this alien female, and my body emits a mating call. Omegas are the king's property. If I don't deliver her to the Omega Compound, I'll lose my life, the lives of my Horde Alphas, and risk starting a full-scale rebellion. And yet, I can't part from her. This one belongs to me. Lora Leigh does it—in the lair of a strange breed, part man, part wolf, on the hunt for the woman he craves—and needs—to fulfill a hunger clawing at him from within. Angela Knight does it—in the psychic realm of a woman attuned to the touch of strangers—and the powerful temptations of a seductive and mysterious protector. Emma Holly does it—in the fantastic Demon World where a powerful Queen rules—until she commits the sin of falling in love with the handsome son of her worst enemy. Diane Whiteside does it—in an

alternate universe of Regency magic where two lovers are threatened by a vicious mage, and swept up in a turbulent war off the Cornish cliffs. Critically celebrated novelist Scott Spencer delivers a Rosemary's Baby-like novel of gothic horror, set against the backdrop of modern-day Upper East Side Manhattan. Alex and Leslie Twisden lead charmed lives—fabulous jobs, a luxurious town house on Manhattan's Upper East Side, a passionate marriage. What they don't have is a child, and as they try one infertility treatment after the next, yearning turns into obsession. As a last-ditch attempt to make their dream of parenthood come true, Alex and Leslie travel deep into Slovenia, where they submit to a painful and terrifying procedure that finally gives them what they so fervently desire . . . but with awful consequences. Ten years later, cosseted and adored but living in a house of secrets, the twins Adam and Alice find themselves locked into their rooms every night, with sounds coming from their parents' bedroom getting progressively louder, more violent, and more disturbing. Driven to a desperate search for answers, Adam and Alice set out on a quest to learn the true nature of the man and woman who raised them. Their discovery will upend everything they thought they knew about their parents and will reveal a threat so horrible that it must be escaped, at any cost. They have the power to hold you spellbound, to captivate your senses, and to keep you forever in their control. Forever enthralled... #1 New York Times bestselling author Lora Leigh returns to her sensual world of the Breeds...as one stubborn Breed meets her match, and can no longer deny her mate—or the fierce desires of her own heart. New York Times bestselling author Alyssa Day introduces the League of the Black Swan...and the dangerous game one woman plays when her family's curse dooms her to kill the man she loves. New York Times bestselling author Meljean Brook delivers a new story in her steampunk world of the Iron Seas...as a man who's lost everything returns home to find that not only is his marriage in jeopardy, but he must now fight air pirates who intend to steal his one remaining treasure—his wife. And Lucy Monroe, national bestselling author of the Children of the Moon novels...unleashes the feral passions of a werewolf on the body, mind, and soul of his prey,

his lover, his lifemate. Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister's safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie's shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it... Animal hungers and human emotions entwine like strands of DNA in these six novels in the sexy paranormal series featuring the genetically engineered Breeds and those who created them—from the #1 New York Times bestselling author of Lawe's Justice and Deadly Sins. Megan's Mark Harmony's Way Tanner's Scheme Dawn's Awakening Mercury's War Coyote's Mate "He was a shadow, ever shifting and insinuating, able to blend in everywhere and anywhere. The elusive ideal conceived and created by the Genetics Council, he went by just as many names as he had identities--the last one being Gideon. Now calling himself Graeme, he hides in plain sight, terrifyingly close to his goal. A rogue Bengal Breed, he has loyalties to no one but himself. And he has a need for vengeance that surges hot and swift through his veins"--Page 4 of cover. Looking for the ideal, perfectly compatible canine companion for your family? Your search ends here. New York Times bestselling author Angela Knight, USA Today bestselling author Lora Leigh, and national bestselling authors Alyssa Day and Virginia Kantra? Whether transforming under a blue moon or prowling the streets, the shifters come alive to fulfill the wildest of fantasies in this seductive anthology by four masters of paranormal romance. He is the king of a winged race steeped in honor and tradition. His blood runs fierce and pure with his Eagle Clan heritage. She is the general of a clan that should not exist. Her blood is diluted, tainted by that of the reviled Vulture breed. Now Dearn and Matte will come together, each fighting for the existence of their people and peace between them. But first, they must defeat not just the Vultures, but also the demented dreams of a human king and the merciless vengeance of Cinder, the demonic god he follows. This story was previously published elsewhere in 2003, and has been revised for Cerridwen Press release. Danger and desire becomes one in a sensual novella of the Breeds, the "highly erotic saga" (Fresh Fiction) from the #1 New York Times bestselling author of Rule Breaker, Lawe's Justice and Stygian's Honor. Lyra's neighbor can't be for real. A man who makes her hormones stand up and scream every time she sees him. And he's breaking through

her reserve to invade her dreams at night. But Tarek Jordan is even more than he seems. A Breed Enforcer with a plan. First, find the Council Trainer he's tracked to Fayetteville, Arkansas, and second, claim the woman next door as his own. She's fated to be his and his alone. He can feel it in his blood. Until the danger that has shadowed his life suddenly casts a darkness over Lyra's as well. Now Tarek knows that he can't wait any longer to claim the woman his heart and soul burns for. He has to tell her who he is, what he is, and what he wants. And Lyra will have to accept him as he is, on his terms, and now. Her life depends on it. The Breed Next Door originally appeared in *Hot Spell*. Praise for Lora Leigh's Novels of the Breeds "I'm a huge fan of Lora Leigh's Breed books."—Nalini Singh, *New York Times* Bestselling Author of the *Psy/Changeling* Novels "When it comes to this genre, Lora Leigh is The Queen." —Romance Junkies "Highly charged and carnal."—Fresh Fiction "Incredibly sexy and emotionally riveting."—SmexyBooks "[A] fast-paced, high-adrenaline ride.."—Night Owl Reviews Lora Leigh is the #1 *New York Times* bestselling author of the Breed series, including *Rule Breaker*, *Lawe's Justice*, and *Stygian's Honor*. She dreams in bright, vivid images of the characters intent on taking over her writing life, and fights a constant battle to put them on the hard drive of her computer before they can disappear as fast as they appeared. Lora's family and her writing life coexist, if not in harmony, in relative peace with each other. Surrounded by a menagerie of pets, friends, and a teenage son who keeps her quick wit engaged, Lora finds her life filled with joys, aided by her fans whose hearts remind her daily why she writes. Kane lost his heart to Sherra and news of her death ripped his heart apart. But Sherra didn't die. Her sadistic handlers have convinced her she was betrayed by Kane. As the deceit and cruelty of the Council that created the breeds escalates, Kane and Sherra learn that there is more to mating than just the "heat."—Publisher's description. In the first book of her erotic new series, Lora Leigh invites you to an intriguing world where genetically altered Breeds and the humans who created them commingle—and sometimes cross the boundaries of desire... Cursed with the extraordinary power to feel

other peoples' emotions, Megan Fields has tucked herself away in a remote corner of New Mexico, working as a small-town sheriff's deputy. She finds solace in the silence and heat of the desert. But when Breeds begin dying on her watch, Megan realizes that the secrets from her past can't stay buried forever. Someone is out for blood—her blood. An arrogant Feline Breed, Braden Arness broods with feral intensity. His mission to solve the mysterious murders brings him to Megan, a woman who accosts his senses like no other. Only with him can she let down her guard—and surrender to the insatiable hunger that wracks her body. But as they team up to hunt the elusive killers, Braden and Megan find themselves becoming the prey... An epic fantasy that takes you on a spellbinding journey through an unrecognizable version of Earth, in this fast-paced dystopian sci-fi adventure. The fate of humanity lies in the hands of evolution... 2999 A.D. Earth, as it's known, is no more. Man and beast are now merged, creating a new breed of species. Reptiles, Mammals, Bird, Amphibians... Four Kingdoms. Five Breeds. One last chance at survival. Siren. The only of her kind. Her race eradicated by genocide at the fearful hands of a jealous Kingdom. And now the seventeen-year-old, forbidden Breed is in the middle of a war. Her only ally... an enemy. Aedan. The young ruler of Kingdom OM— the same kingdom responsible for the Great Cetacean Massacre. Torn between her love for Aedan, and loyalty to her Breed, she must keep her true genetic identity, and her feelings a secret. Or face extinction. If she is to save this world, first she will have to survive it... Local or autochthonous pig breeds represent a pool of genetic diversity of porcine species and a link with old-style traditional production systems and traditional pork products. These breeds were largely abandoned because they were not competitive in the concept of modern, industrial type of pig production. Despite an increased interest for local pig breeds in the past years, they remain largely untapped and the knowledge about their characteristics is limited, which was a challenge undertaken in the project TREASURE in the frame of multicriteria evaluation of local pig breeds. The book represents a valuable compendium of data on census, breeding

organisations, production systems, and performances with ambition to present their contemporary (preserved) phenotype. This work has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 634476 for project with acronym TREASURE. The content of this book reflects only the authors' view and the European Union Agency is not responsible for any use that may be made of the information it contains. The first title in the exciting new Kennel Club Classics series is French Bulldog, an elaborate photographic celebration of one of the dog world's most beloved breeds. Written and compiled by Just Frenchies editor Muriel P. Lee, this 200-page hardcover volume features articles on the breed's history by Anne M. Hier, breed health by Janice Grebe, judging by Virginia Rowland, the breed in England and France by Penny Rankine-Parsons, the breed in Australia and New Zealand by Michael Rosser, and working dogs by Bette and Manda Kaplan. No Frenchie lover will live without this volume on their coffee table! Reporter Cassa Hawkins has always supported Breed rights-especially in light of a specimen like Cabal St. Laurents, the epitome of the male animal. But when the Breeds are incriminated in a series of violent murders, it's left to Cassa and Cabal to discover the truth before they become prey. *Wolf Breeds - Jacob's Faith* By Lora Leigh Book 2 in the *Wold Breeds* series They are a new breed, a new race. Engineered rather than born, trained rather than raised, and their unique genetics have created more than one surprise... Jacob left Faith six years before, unaware that the mark he left on her also left her in an agony of sexual heat that never dimmed. Now Jacob and Faith are together again, but surprises lurk around every corner and dangers as dark and deadly as their very creation surround them in more ways than one. The #1 New York Times bestselling author of *Bengal's Quest* ignites the most dangerous instincts known to man, woman, and beast in these Breed novellas, collected in one volume for the first time. *The Breed Next Door* Lyra thinks her new neighbor looks too good to be true. But Tarek Jordan is even more than he seems: a Breed Enforcer on the run. And even though he wants her, Tarek knows Lyra could get burned—unless she embraces the

danger that comes with loving a Breed. In a *Wolf's Embrace* Matthias and Grace are meant to mate—until he commits an act too shocking to ignore. Grace knew that the hot Breed was dangerous, but now, she fears for her own life. Yet she wonders: could it be part of some insidious plan? For there are forces determined to tear them apart and destroy what's left of the man within. *A Jaguar's Kiss* Jaguar Breed Saban Broussard has a job to do: guard the first instructor chosen to teach Breed children. But with just one kiss and his touch, the mating phenomena begins that will tie Natalie Ricci to him forever. Unless a shadow from her past gets them both killed. Callan Lyons is a genetic experiment. One of six fighting for freedom and the survival of their Pride. Merinus Tyler is the reporter who will tempt him, draw him, until the fury of the "mating frenzy" locks them into a battle of sexual heat there is no escape from. Deception, blood, and the evil Genetics Council are hot on their trail. Callan will use his strength to try and save them both...and do all in his power to keep his woman in the process. #1 New York Times bestselling author Lora Leigh returns to the world of the Breeds where animal instincts can bring a feral pleasure to every man and his willing female mate. New in the sexy paranormal series that put Lora Leigh on the bestseller lists. "Leigh draws readers into her stories and takes them on a sensual roller coaster." An erotic thrill ride about genetically altered Breeds with feline DNA-and the humans who arouse their lust. The runt of the lab she was created in, Dawn Daniels endured years of torture by her pride brother and the council soldiers. Finally freed from her torment, she's now a Breed Enforcer, in control of her own life. Until she's assigned to protect the one man destined to be her mate—and realizes it's far too easy to lose total control. A sexy paranormal series set in a world where genetically altered Breeds and the humans who created them sometimes come together in the fiercest of passions. After the *Feline Breeds'* main base is attacked, Tanner desires revenge. So he kidnaps Scheme Tallant-the daughter of a one-time high-ranking member of the Genetics Council. But when Tanner discovers that Scheme herself is a target of her father's ruthless mission, his vengeance takes a back seat to saving the life of

the woman he hopes to claim as his mate. My mother said I should never allow my Shadow to control me. But she was wrong. It was my Shadow that drove me. My Shadow that pushed me forward. My Shadow that kept me alive.

"For sheer adventure L'Amour is in top form."—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L'Amour's hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux. The jaws of winter are clamping down on the city of Halifax. As the light recedes, new terrors arise...Months after the war with Borland and his vicious were brood, Kirk and Morris are experiencing curious after-effects. They're stronger, faster, and no longer vulnerable to the sharp sting of silver. There is one concern, however. They're forever hungry, and nothing they eat provides the same

nourishment as what they consumed on the island of Newfoundland. And when a mysterious stranger rides into Moses Morris's territory wishing to hunt, the were-warden knows the visitor isn't after deer. The ultimate race begins as Kirk and Morris lead a host of wardens to put down one of their own, before the next full moon, when an entire city will be subjected to a voracious appetite. A riveting family saga, *The Story of Edgar Sawtelle* explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm - and into Edgar's mother's affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes - the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain - create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic. Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands

But the passionate union between them holds a potential that could change the world—and some will do anything to stop it... Retiring from the NFL was the right decision, and at thirty years old, I've done things most people could only dream of. After all I've accomplished, coaching high school football should be easy...but when you've got a distraction in the form of a nerdy girl with curves, things can get complicated. She's a student, she's barely legal, and she's my best friend's daughter. I didn't know what desire was until Megan. I had no idea obsession could drive someone insane, until I saw her. I wasn't prepared for the fact that once I laid eyes on Megan my life would really begin. I have to have her, no matter what the cost. I have to breed her and bind her to me so tightly she can't ever get away. She'll be mine, even if I have to take her. Warning: this book is ridiculous, over the top, completely unbelievable, and pretty much just about breeding the heroine. If you're okay with that, welcome to my dirty, dirty book! Just remember, I warned you. He had protected Roni when she was a child, filled all her teenage fantasies, and when she became a woman, he stole her heart. Only to break it. Now, fifteen months later, the news is out. Taber, the man she loves, is one of the genetically altered Feline Breeds, who have shocked the world with their presence. He's also her mate. The mark on her neck attests to that. The fire that rages in her heart and in her body further proves it. But he didn't want her then; does he really want her now? Deceit and treachery, born in the past, now haunt the present as Taber and Roni fight to

make sense of their sudden bonding. The mating of heart, body, and soul as the man and the beast within him merge; both battling the forces raging against the union and dominance over the woman he claimed. Jonas Wyatt takes responsibility for his personal assistant, Rachel, and her child when he discovers that Rachel is destined to become his mate, but he refuses to claim her until she loves him for who--and what--he is.
