In this study of one of America's greatest psychics, Edgar Cayce, Gina Cerminara explores the "magnificent possibility" of reincarnation as not only a method to understand our existence, but the truth of it. Using Cayce's detailed and expansive files that span decades of his research and practice in the field of psychic phenomena, Cerminara delves into

the essential essence of reincarnation and its purpose. Told winningly and to the heart of the matter, Many Mansions will be a revelation to a many and a confirmation to some about the meaning of human life and the myriad of opportunities afforded to us by the existence of reincarnation. Based on the psychic readings of Edgar Cayce, the author provides an illuminating narrative on the life of Jesus Where did we come from? Why are we here on Earth? What is our purpose? Lytle Robinson gives us a comprehensive interpretation of the fascinating story of our history and future here on earth, as given by the Edgar Cayce readings. The Edgar Cayce readings address the many questions whose answers have eluded us all in our quest for the truth about where we come from and where we are going. What is the story of our creation? Who were the "sons of gods" and the "daughters of men"? How does mythology fit in with our history? What is our purpose and destiny in the earth? This is a captivating account you will not be able to put down, or soon forget. This classic volume about psychic development, written by the late Hugh Lynn Cayce, is once again available for those who desire a safe pathway into their spiritual inner life. A "must" read for seekers, whether new or experienced. Edgar Cayce, America's greatest psychic, gave many readings on the events surrounding the life of Jesus. Kirk Nelson has brought together the biblical events surrounding Jesus and filled in the blanks with Cayce's insights. This book reads like a powerful novel, arranged in such a way that the entire life of Jesus is illuminated...including the missing years. From Mary's time with the Essenes to the Last Supper Jesus' life comes alive in a unique and fascinating read. This is a great book for anyone who is interested in what history knows and doesn't know about the life of Jesus. A biography

of the psychic whose powers included long-distance diagnoses of illnesses and prescriptions for their cure. This is a new release of the original 1959 edition. Gain a true understanding of the genesis of souls and what happened in the Garden of Eden. Read about Atlantis, the Yucatan, Fallen Angels, Mound Builders and more. Read this story of the soul on its journey through Lemuria and Atlantis and know that you were there, too. Relive what may be your own history in Egypt, Persia, and prehistoric America. Walk with Abraham and the other patriarchs in the desert in the great search for God that we all share. Learn how reincarnation occurs and how the karma associated with it can be resolved. Must reading for all who want to understand why their life is the way it is! The Edgar Cayce story is one of the most compelling in inspirational literature. Over the course of forty years the Sleeping Prophet time and again closed his eyes, entered an altered state of consciousness, and spoke to the very heart and spirit of mankind on subjects such as health, healing, dreams, meditation, sexuality, and reincarnation. His more than 14,000 readings are preserved at the Association for Research and Enlightenment. And now, with the guidance of Edgar Cayce, we can learn how to mine our psychic strengths for happier and healthier lives. Here are the readings of The Sleeping Prophet, condensed and simplified--the wisdom to help us make the right decisions affecting all facets of our lives. Cayce speaks out on: The sources of psychic development, reincarnation, Karma and grace, dreams, meditation, prayer, personal health (including diet and exercises,) holistic healing, sexuality, spirituality, rejuvenation, religion, spiritual psychology, and much more. Cayce offers us the keys to insight, enlightenment, and total fulfillment. Formerly titled Lives of the Master, this book is a bold look at how the Bible, the Edgar Cayce readings, the ancient Gnostic, and the Eastern and Egyptian texts reveal a consistent and intriguing pattern of reincarnation by the master soul. (From cover) ... insights into human feelings and their relation to physical and spiritual health. A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the

grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination. A complete guide to the work of the remarkable twentieth-century seer Edgar Cayce, featuring Cayce's most intriguing and influential readings, and a biographical introduction to his life. Edgar Cayce is one of the most mysterious men of the twentieth century. Sometimes called "The Sleeping Prophet," he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning. The core of his life's work was actually being an intuitive healer and Christian mystic. More than one hundred books have been written about his teachings and his life story. Yet no book has combined insightful commentary with lengthy, verbatim selections of the full range of his contribution to holistic healing, practical spirituality, and the psychology of the soul. The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement, as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions. The book's substantial introduction frames Cayce and his life's work, and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant readings. Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures. There is perhaps no modern psychic more fascinating than Edgar Cayce, and no better authors to explore the intricate details and eye-opening stories of the people who received his readings than

Sidney and Nancy Kirkpatrick. The Kirkpatricks, with decades of experience and research, take us on a journey into the archives and history of these psychic passages, finding the most interesting case studies and exploring the most astounding results of the Cayce work in so many people's lives. Their findings are presented in a way that reads like a whodunit that you can't put down! John Van Auken is a well-known expert, speaker, and author on topics found in the Edgar Cayce readings—specializing in ancient mysteries and Egypt in particular. This book will be anxiously anticipated and well received in the growing community of ancient mysteries enthusiasts. Dr. Cerminara examines how the famed psychic penetrated the "previous lives" of his subjects and performed cures and prophecies that made him a notable clairvoyant. Connecting issues such as reincarnation, spiritual healing, past life regression, hypnosis, karma and parapsychology, Cayce's work is presented in an authoritative and engaging dialogue. Formerly published as a trilogy (the Edgar Cayce's Story of the Old Testament series), now offered as a single volume, this is sure to be considered the definitive book of the Cayce readings on and about the Bible. One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived: Edgar Cayce, a Kentucky farm boy whose psychic powers healed thousands, touched countless lives, and inspired the dawn of the New Age. For more than forty years, Edgar Cayce (1877-1945), the 'sleeping prophet,' regularly exhibited an astonishing psychic ability. From an altered state, he was able to read minds and souls, diagnose thousands of illnesses, successfully prescribe remedies, see into the past and the future, and tap into a source of universal knowledge where such information resides--a source Cayce said is available to us all. For anyone who has heard of Edgar Cayce-and his name is familiar to millions--here is a concise, reliable, immensely readable introduction to his life, work, and message. In Edgar Cayce's ESP, his story is told by writer Kevin Todeschi, an authority on Cayce's work and the director of the popular educational organization Cayce founded, the Association for Research and Enlightenment. Drawing upon more than 14,000 case histories and readings, Todeschi presents a

wealth of proof of Cayce's psychic abilities and the effects they had on the lives of his contemporaries. Todeschi focuses especially on the character of the modest, generous Cayce himself, a man who started out in life as a sensitive, Bible-reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history. Looks at Cayce's alleged incarnations. A fascinating biography written by the country's foremost authorities on metaphysics. The Edgar Cayce story is one of the most compelling in inspirational literature. For more than forty years, the "Sleeping Prophet" closed his eyes, entered into an altered state of consciousness, and spoke to the very heart and spirit of humankind on subjects such as health, healing, dreams, prophecy, meditation, and reincarnation. His more than 14,000 readings are preserved at the Association for Research and Enlightenment, Inc., in Virginia Beach, Virginia. A native of Kentucky with a ninth-grade education, Edgar Cayce accurately predicted two world wars, including the years they began and ended, racial strife in America, the death of John F. Kennedy, and hundreds of other recorded events. He could apparently travel in time and space to treat the ill, and dispensed information that led to innumerable cures where traditional medicine was helpless. The first to introduce many Americans to the concept of reincarnation, Cayce drew on a subconscious Universal Mind for startling information about past and future. In *The Sleeping Prophet*, Jess Stearn presents the extraordinary story of his life, his healing, his prophecies, and his powerful legacy. This is a new release of the original 1959 edition.
