WARRIORS... HE HAD TO BECOME ONE HIMSELF. Brandon Webb's experiences in the world's most elite sniper corps are the stuff of legend. From his grueling years of training in Naval Special Operations to his combat tours in the Persian Gulf and Afghanistan, *The Making of a Navy SEAL* provides a rare and riveting look at the inner workings of the U.S. military through the eyes of a covert operations specialist. Yet it is Webb's distinguished second career as a lead instructor for the shadowy "sniper cell" and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors—including Marcus Luttrell and Chris Kyle—that makes his story so compelling. Luttrell credits Webb's training with his own survival during the ill-fated 2005 Operation Redwing in Afghanistan. Kyle went on to become the U.S. military's top marksman, with more than 150 confirmed kills. From a candid chronicle of his student days, going through the sniper course himself, to his hair-raising close calls with Taliban and al Qaeda forces in the northern Afghanistan wilderness, to his vivid account of designing new sniper standards and training some of the most accomplished snipers of the twenty-first century, Webb provides a rare look at the making of the Special Operations warriors who are at the forefront of today's military. Explosive, revealing, and intelligent, *The Making of a Navy SEAL* provides a uniquely personal glimpse into one of the most challenging and secretive military training courses in the world. Developed by a retired Navy SEAL Commander, this groundbreaking fitness regimen, providing in-depth philosophy and training on how to develop the character traits that go into making a Navy SEAL, shows how to get the best functional workout available with the least amount of equipment. Cain and Abel, followed by brief discussions of all the patriarchs from Adam to Abraham, Isaac, and Jacob. We follow the story of Joseph in Egypt followed by the migration of Jacob's family to that land for survival. We read of the rise of Moses, the Exodus, and the events at Mt. Sinai. Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years. The cover features a beautiful image of Abraham's Journey from Ur to Canaan, painted by Jozsef Molnar in 1880. In 2014, Time magazine announced that America had reached “the transgender tipping point,” suggesting that transgender issues would become the next civil rights frontier. Years later, many people—even many LGBTQIA+ allies—still lack understanding of gender identity and the transgender experience. Into this void, trans biblical scholar Austen Hartke brings a biblically based, educational, and affirming resource to shed light and wisdom on gender expansiveness and Christian theology. This new edition offers updated terminology and statistics, plus new materials for congregational study, preaching, and pastoral care. Transforming deftly weaves ancient and modern stories that will change the way readers think about gender, the Bible, and the faith to which Jesus calls us. Hartke helps readers visualize a more inclusive Christianity, equipping them with the language, understanding, confidence, and tools to change both the church and the world.

Rumors of wars, earthquakes, pestilence, and signs in the heavens have increased—and many believe that the End of the Age is upon us and a new age is about to be born. While some in power wish to

promote that which is contrary to God's Word, believers in Christ must continue to stand for righteousness and boldly speak the truth according to God's Word. What if God is saving the best for last? Of all the books of the Bible, Revelation is the one that mystifies and unsettles people the most. From numerical signs to monsters, the book of apocalypse in the Bible can be difficult to wrap our minds around, but the message that Revelation really brings is hope. Discover how to triumph through the blood of the lamb and the word of your testimony. Learn that, though life is not always fair, Jesus is NOT finished. John, the author of the book of Revelation, was blessed to see what each of us longs to know, and he gave us a descriptive and poignant expression of the place, the end, and the eternity that God has promised to us. God has indeed saved the best for last, and in Revelation's pages he gives us the one thing we all long for—hope, extravagant hope. Sessions include: Tempted to Give Up on God? Have You Lost Perspective? When Life's Not Fair How to Overcome the Enemy When All Hell Breaks Loose The Promises of Heaven Designed for use with the Revelation: Extravagant Hope Video Study available on DVD or streaming video, sold separately.
