The cards can reveal your destiny - but they may not reveal what that will require I'm not paranoid. There really is someone out to get me. I know, because they took my grandmother hostage. Now, to help her and re-connect with my fifth soulmate, I have to play along with Nana's captors despite my misgivings and those of my mates. Even if it means leaving my mates behind - sometimes, doing the right thing is the hardest path. It's not enough that one of my mates and I still have unfinished business to deal with from 7000 years ago, which remains as painful as the depth of my love for him. In order to re-connect with my fifth soulmate I'll have to make a bargain with the devil. And the house always wins that bargain. About that fifth soulmate? You would think that by the fifth time, re-connecting with a soulmate would be routine. But this will be one of the hardest things I've ever done, and it may exact a terrible price. It will also be the only way that I can save him. This is the path the cards revealed, to realize the purpose for which my mates and I have returned - a destiny I'm uncertain I'm ready for. The cards told me what I need to do...they just didn't say what it would cost me. The *Empress Revealed* is a Reverse-Harem Paranormal Romance featuring multiple love interests, a slow burn focusing on emotional connections with a steamy fade to black, and the reincarnation of the oldest recorded reverse harem story in human history. Oh yeah, and lots of tarot cards. This is the fourth book in the Tarot Arcana Mysteries series, with cliffhangers to the final book. Fiona Blackwood is losing her mind Fiona is an Acquirer, an immortal who uses magic to hunt for ancient artifacts. Ever since she failed to live up to her fate and find the Book of Worlds, she's been shunned by those around her. Worse, she's slowly losing her mind as her subconscious keeps trying to accomplish her fated task. When she's presented with one last chance to find the Book of Worlds and thus save her sanity, she'll stop at nothing to accomplish her goal. Ian MacKenzie has been in hell For more than one hundred years, Ian has been locked in a nightmarish prison. An accomplished thief, he was thrown into hell for failing to maintain the secrecy of his magical race. When Fiona presents him with an opportunity for escape, he'll do anything it takes to ensure that it's permanent, even if it means betraying the woman he's grown to care for. A dark force could tear them apart As Fiona and Ian get closer to finding the book, they learn that there's more at stake than they ever imagined – like the fate of the world. When their task threatens to tear them apart, they'll have to make the ultimate decision: life, or love? The final breathtaking installment of the New York Times bestselling Arcana Chronicles Series by Kresley Cole. . . . To defeat the Emperor and Fortune, Evie, the great Empress of Arcana, has united with a sea witch, a band of roving warriors, and more than a couple of rogues. But can her unusual alliance defeat an unimaginable evil? Or will blood and hellfire reign on earth forever? May the best hand win. . . . As chaos looms, a warrior queen is reborn Bookish academic Diana Laughton has been having terrible dreams. Dreams of battle, dreams of blood... dreams so vivid she's living them day and night. When demons invade her quiet life, she wonders if she's going mad. Or if perhaps she's remembering a past life she had no idea existed... In the midst of betrayal, he must protect her Mythean Guardian Cadan Trinovante loved and betrayed Britain's warrior queen Boudica two millennia ago. Now he's tasked with protecting mortals whose lives affect the fate of humanity. His latest assignment is Boudica herself, reincarnated as a woman with no idea of her past or her fated future. Though in the irresistible form of Diana Laughton, it's possible Cadan has once again met his match... To succumb to seduction could prove fatal Thrown together in a shadowy world that exists alongside our own, Diana and Cadan must fight not only the demonic forces that want Diana dead, but a past and a passion that have lasted centuries. Their desire could be deadly. But as evil from the underworld unites against them, their only hope could be each other. A man desperate to save his soul Three hundred years ago, Warren sold his soul in exchange for the safety of his people. He lives immortal and inhuman, a life in the shadows, hiding his secrets. Until now, when he finally has the chance to reclaim his soul after three centuries of suffering... A woman forced to live as a renegade Esha is a soulceress, an immortal who drains the magical powers of others. Shunned by everyone she meets, she's a rogue mercenary who hunts evil for a living. The only man she cannot harm is Warren, whose secrets intrigue her and whose body sparks her desire... An evil power that can destroy them Esha is the only person who can help Warren reclaim his soul. But what begins as a simple quest soon becomes a deadly battle, one in which choices will be made and secrets revealed that could tear them apart. As Esha and Warren uncover their passion, they must defeat the evil forces unleashed against them before time runs out... Dahlia was hired to hunt down a Lion Shifter who stole a deadly weapon. Aaresh was a mild-mannered school teacher by day. By night, he turned into a monster he couldn't control... But when Dahlia hunts him down and he traps her in his lair, who is the hunter and who is the prey? Welcome to Arcana Glen, a magical town hidden in the Rocky Mountains of Colorado.... Here arcanaes of all

types are free to be themselves... Elves, Witches, Shifters, Seraphs, Dragons and more. Arcana means secrets, and these Arcana Chronicles short stories from #1 New York Times bestselling author Kresley Cole are filled with them. Experience firsthand the beginning of the end and behold the apocalypse through the eyes of characters you only thought you knew. Ashes to ashes . . . Evie Greene's story of the Flash is just one of many. All over the world, those connected in some way to the lethal Arcana game—like Death, Jack, and Fortune—must first survive a horrifying night of blood and screams. We all fall down. Some will have to grapple with new powers; all will be damned to a hellish new existence of plague, brutality, desolation, and cannibalism. Find out who they lost, why they endure, and what they sacrificed in order to live past Day Zero. . . . Cass Clereaux has a few problems. Sure, she just saved her whole town and is now immortal, but immortality sucks. The same spell that made her immortal also takes away her magic. It's kaput. Finito. Gone. Being a FireSoul and finding magical treasure is who she is. Now, she couldn't find her left leg with a map. Not even if a dragon pointed the way. To make matters worse, her concealment charm is malfunctioning. Demons are showing up left and right, trying to bring her head back to the Monster who stalks her. While Cass is on the hunt to recover her magic and learn about her past, the specter of the Monster is getting ever closer to his mysterious end goal. She's prophesied to meet him on the field of battle-but if she doesn't have her magic back by then, she's dead. A romantic, suspenseful, genre-bending debut set in Edwardian London. Amid the sumptuous backdrop of the London season in 1905, headstrong Katherine Sinclair must join the ranks of debutantes vying for suitors. Unfortunately for Katherine, she cannot imagine anything more loathsome-or dangerous. To help ease her entrance into society, Katherine's family has elicited the assistance of the Earl of Thornewood, a friend and London's most eligible bachelor, to be her constant companion at the endless fetes and balls. But upon her arrival in London, Katherine realizes there will be more to this season than just white gowns and husband hunting. Through her late mother's enchanted diary, Katherine receives warning to keep hidden her otherworldly ability to perform arcana, a magic fueled by the power of the sun. Any misstep could mean ruin-and not just for her family name. The Order of the Eternal Sun is everywhere-hunting for those like her, able to feed on arcana with only a touch of the hand. But society intrigue can be just as perilous as the Order. The machinations of the fashionable elite are a constant threat, and those who covet Katherine's arcana, seeking the power of her birthright, could be hiding behind the façade of every suitor-even the darkly handsome Earl of Thornewood. With so much danger and suspicion, can she give her heart to the one who captivates her, or is he just another after her power? In the aftermath of a cataclysmic event, sixteen-year-old Evie, from a well-to-do Louisiana family, learns that her terrible visions are actually prophecies and that there are others like herself--embodiments of Tarot cards destined to engage in an epic battle. Long ago, fallen angel Raziel sold his to save the woman he loved. Then she betrayed him. Now Raziel is a captive of the Guardians, on trial for a heinous crime. And the only one who can prove his innocence is the woman who tore out his heart. The outcome of this angsty lovers to enemies tragedy could lead to redemption and an epic second chance romance... or doom the whole world as an arcane Elven War threatens the Mundane world itself. If you love stories about brooding, tortured angels and love that overcomes everything, you'll love this stand alone romance with a happy-ever-after! This story is set in the world of Arcana Glen and features recurring characters from other books in the series. "When Evie receives life-changing - and possibly game changing - news, she has trouble believing it. Why doesn't she feel any different? Is it possible someone she trusts might be lying? Tensions seethe inside the castle of lost time as Evie starts to doubt her own sanity. Answers can be found outside their stronghold, but will Death help her find them - or prevent her from learning the truth about her future and Jack's possible survival? A mysterious, sinister power begins to affect the Arcana in its path. Forced out into the wasteland alone, Evie must depend on unexpected allies. But as a battle with Richter looms, can her new alliance defeat the Dark Calling before hell reigns on earth?" - Page [4] of cover. Sharp, sarcastic, and efficiently lethal, John Charming would feel right at home having drinks with Dean Winchester and Harry Dresden. If you're looking for a new urban fantasy series to pick up, CHARMING is a guaranteed page-turner. John Charming isn't your average Prince... He comes from a line of Charmings -- an illustrious family of dragon slayers, witch-finders and killers dating back to before the fall of Rome. Trained by a modern day version of the Knights Templar, monster hunters who have updated their methods from chain mail and crossbows to Kevlar and shotguns, John Charming was one of the best--until a curse made him one of the abominations the Knights were sworn to hunt. That was a lifetime ago. Now, John tends bar under an assumed name in rural Virginia and leads a peaceful, quiet life. That is, until a vampire and a blonde walked into his bar... CHARMING is the first novel in a new urban fantasy series which gives a new twist to the Prince Charming tale. Turns out I was wrong on both counts. I'm so much more than a magick-blessed Academy student. I'm an Arcana Witch bound to a sacred order whose duty is to protect magick—and one another—at all costs. Thankfully, I'm not alone. My Arcana magick brought four fiercely loyal, impossibly sexy Arcana mages into my life. But it also brought trouble. Corrupt Academy officials. Mysterious attacks on students. And the terrifying Dark Arcana—five insanely powerful ancient beings desperate to reclaim the magick they believe is their birthright... and destroy the rest of us. Our best shot at defeating them is to track down the hidden Arcana artifacts that bind and balance all magick. But to do that, we'll have to embark on a dangerous otherworldly journey—one that will change us in ways even the Tarot can't predict. Miles Malone died last night. No one is more surprised than he is when he crawls out of a dumpster this morning, the blast hole in his chest magically healed. Weird. He doesn't believe in magic, though he has no other explanation. The Magician might have more information, but he'll only share if Miles agrees to do something for him in return... but Miles doesn't trust the eccentric billionaire who seems to think magic is real. Meanwhile, Miles has a job to do. He's a private investigator, and a woman has come to him figure out the mystery of why healthy

young men are dying at a local veteran's hospital. Miles is afraid it might have something to do with the beautiful woman he invited on a date for the Fourth of July picnic. A nurse that patients call the Angel of Death... Welcome to Arcana Glen, a magical town hidden in the Rocky Mountains of Colorado... Here arcanes of all types are free to be themselves... Elves, Witches, Shifters, Seraphs, Dragons and more. But until the Twenty-Two Guardians are restored to power, the Elven War rages among the arcanes. What's the solution? True Love, of course! Each book in the Arcana Glen Major Arcana Series has a new couple and a stand-alone Happily Ever After. However, the underlying mystery of who killed all the previous Guardians runs through the whole series and will be solved by clues that come together in the last book. If you enjoy the cozy mystery portion of the book, read the whole series in order. No one said it would be easy. No one promised we'd escape unscathed. When Baz, Kirin, and I ventured into the dream realm in search of the sacred Arcana objects, we had no idea what the Dark Arcana had in store for us. No idea that our darkest terrors would follow us back home. Now, Baz is haunted by monsters from the past none of us can see, let alone defeat. Kirin is wrestling with a heartbreaking accident that fractured his family a decade ago. Doc is compromising everything he stands for in hopes of gleaning even a scrap of intelligence about our enemy. Ani is flirting with disaster, desperate to claim the Wand of Flame and Fury before the Dark Arcana cause any more harm to the people he cares about. And I'm just trying to get through the day, fiercely protecting the men who've become my family. The men I love. We survived the dream realm. And we've survived every day since, despite the terrors plaguing us. But like our magick, everything has a cost. Even survival... *To be read after Immortal Games She trusts no-one but him, knowing he holds secrets that could destroy them both. Madeline must use her random psychic ability to steal a secret, or the supernaturals will kill her friend. Billionaire Ciaran has a haunting past and a business empire to protect. His life is full of secrets, and the connection with the supernaturals is one of them. They know they are made for each other. But when dealing with the supernaturals, love alone might not be enough to win the battle. In the turmoil life throws at them, they've found each other. But do they have what it takes to be together? If you love suspenseful and romantic supernatural mystery, grab the complete volume and explore the multiverse that thousands of readers have fallen in love with. The cards tried to warn me - I just didn't want to believe them I don't want to believe that the psycho, who nearly killed us once, is now stalking me with an offer I can't refuse. Or that starting a Private Investigation agency with my mates is a bad idea. I sure as hell don't want to believe that my next mate is cursed and living in a haunted mansion. Yeah, I'm living with a lot of denial-and that's not healthy for me or my mates. But that's not stopping us from starting the Tarot Arcana PI Agency - we're like PI's for the other side, when the dead have nowhere else to turn. And of course, our first client is the young girl whom my next mate is suspected of murdering. He's the one that's cursed. About that family curse? It shrouds his aura, blocking his past life so he can't receive the vivid recollections I'm getting-of when we met and how we instantly fell in love-until it all went horribly wrong. Still, our love has endured across millennia and countless lifetimes-it keeps bringing us back to fix this and if I can't lift the curse, we'll have to try it all over again in another lifetime. According to the cards, breaking that curse will cost him everything, and I'll have to accept an offer I can't refuse. The cards don't always tell me what I want to hear...but they do tell me what I need to know. Case of the Covered Hermit is a Reverse-Harem Paranormal Romance featuring multiple love interests, a slow burn focusing on emotional connections with a steamy fade to black, and the reincarnation of the oldest recorded reverse harem story in human history. Oh yeah, and lots of tarot cards. This is the third book in the Tarot Arcana Mysteries series, with cliffhangers to the final two books. Don't ask the cards a question - if you're not ready for the answer I reconnected with two of my five soulmates from a previous lifetime 7000 years ago, so there are three more - somewhere, out there. While I help one soulmate clear up his past by talking to his dead ex-wife, I asked the cards to help us find my third soulmate. Yep, I just had to ask. It seemed like such a good idea at the time. What I got is a semi-corrupt sheriff who is bound and determined to set us up for a murder we didn't commit, at the same time that an ex-military professional hitman is trying to kill us and we have no idea why. And you thought you had problems. About that third soulmate? Let's just say, he isn't the man of my dreams, literally. The man I see now is nothing like what I remember him being like, 7000 years ago. The problem is, he may not be what I expected, but now he's like a brother to my other two mates. My heart says Hell No, while his aura says he's falling for me - real hard. So I have to stop this train-wreck, but pulling this thread out could unravel everything. That's presuming, of course, we find out why we're being hunted and live long enough to see the next sunrise. Even the dead are telling me the odds aren't in our favor. Don't ask the cards a question if you're not ready for the answer - that was my tarot instructor's second lesson. I really should've listened. Justice Found and Lost is a Reverse-Harem Paranormal Romance featuring multiple love interests, a slow burn focusing on emotional connections with a steamy fade to black, and the reincarnation of the oldest recorded reverse harem story in human history. Oh yeah, and lots of tarot cards. This is the second book in the Tarot Arcana Mysteries series. A god in disguise No one in the Prison for Magical Deviants knows that prisoner Logan Laufeyson has a secret identity. He is the ancient trickster god Loki, in magical disguise on a mission of his own. A mission that will come to a sudden and disastrous end... The woman he's never forgotten Demi-goddess Sylvi has spent eight hundred years trying to forget her long-ago affair with Loki, which destroyed her dreams and got her banished from her home. When Loki escapes from prison and stumbles through her door with a problem that threatens both their lives, she must set aside her anger while trying to resist a passion she's never forgotten. The fact that her magic can be enhanced by sex makes ignoring Loki even harder — especially when they must utilize her rare talent. The plan of ultimate evil Thrown together, Loki and Sylvi must foil a masterful plot that threatens not only their lives, but every god in existence. It will take all of their power, and all of their long-buried love, to face the ultimate danger - or vanish and be forgotten forever... Sometimes, love lasts lifetimes. Lily's whole life is planned out. She'll live, if not happily, at least ever after. Working as an insurance agent with her college sweetheart and longtime boyfriend, Lucas, she'll eventually marry him and together they'll take over the family agency. Then she and Lucas will start raising little insurance agents of their own. But something is

missing. . . At her best friend's urging, she decides to do one last wild thing before committing her life to a future of policy endorsements--she takes a part time job reading tarot cards at a local Renaissance Faire theme park. Lucas is completely unimpressed and disdainful of her fascination with the mystical, but has no doubt she'll settle down once they're married. Enter Ian Kelly, mural painter, actor and. . .witch. He and Lily have a chance meeting at the park, and the attraction is immediate. They have a history. . .a lot of history. Several lifetimes of it, in fact, and their business together is unfinished. All three have secrets, one of them deadly. Add in heaping helpings of magic, mayhem, Cuban sandwiches, one large Irish family and one very demanding feline for a story of love so strong, it'll take more than one century to contain it. CONTENT WARNING: Language, suggestive scenes. 93,000 Words The cards answer the question you asked - not the one you meant The good news is that I finally reunited with my soul mates after 7000 years and found genuine happiness. The bad news is that we're now running for our lives. The worse news is that the ones after us abducted my best friend. The silver lining? My cards say that I'm on the right course, even though it leads over a cliff. Why didn't I ask how to stop this runaway train heading for the cliff? Or who is the mysterious evil man now hunting me - someone that even my psychic mentor was powerless against? All I know is that fulfilling the purpose I was reincarnated for will determine the fate of the world. Literally. About that purpose? It's not to save my mates from certain death, though I'll try whether they realize it or not. Nor is it to find my best friend who is lost in darkness, but I'll bring her back, if that's at all possible. No, my purpose is buried somewhere in memories going back-not just to my lifetime 7000 years ago-but to a time twice as far. The cards affirm that my destiny lies over that cliff, but I can still save my mates. And, maybe even my best friend. Whether I survive - that is to be determined. Clearly ask the question you intend...that was my tarot instructor's first lesson. Too bad I forgot ask the right question this time. Crossed By Death is a Reverse-Harem Paranormal Romance featuring multiple love interests, a slow burn focusing on emotional connections with a steamy fade to black, and the reincarnation of the oldest recorded reverse harem story in human history. If anyone with a crystal ball and a halfway decent deck of Tarot cards ever predicted I'd be sharing a gorgeous house with four insanely hot mages and the best witch-sisters a girl could ask for, I would've called it a dream. The reality is a nightmare. The mages and witches in this house? We're fugitives, forced into hiding by fanatics bent on stealing our power and burning the world to the ground. While we spend our days poring over lore books and honing our magick, they spend theirs attacking cities, executing our people, and building an unstoppable army capable of ending humanity. Time is running out for the Light Arcana. Sworn allies have betrayed us. One of our own is trapped in the dream realm, enduring tortures we can only imagine. And all around us, the world smolders—a horrifying preview of what's to come. The mages I love and the fierce, kickass witches standing by our side? All we can do is prepare... and hope. Prepare to defeat the monsters. And hope to goddess we don't become monsters ourselves. In celebration of the release of Fate Undone, Book 5 of the Mythean Arcana series, the first four volumes are available for a limited time for only \$0.99! As Fiona and Ian get closer to finding the book, they learn that there's more at stake than they ever imagined – the fate of the world. In order to protect Jack from two of the most horrific Arcana, The Lovers, and the vast army they command, Evie leaves the comfort offered by Death and joins her allies in a frozen and perilous post-apocalyptic wasteland, but for her battle plan to succeed, she must persuade Death and Jack to work together. "Faeries liked to tease the weak, but they loved to annihilate the strong." Seven years ago, the exposure of the paranormal led to the tumultuous downfall of human society. Now, the legions of the fae rule the broken world, and humanity has nothing left but a handful of protected cities and a heaping helping of regret. Enter Vincent Whelan. Half fae and former cop, he's become the best-known stretch scavenger in Kinsale, North Carolina, braving the "stretches" outside his city to recover precious items lost in the collapse. He makes good money. Lives the good life. Has a good future in store. As long as he can ignore his traumatic memories of the past. But when a new job with an odd twist blows onto his doorstep, Vince finds himself unwittingly drawn into a vast conspiracy lurking underneath Kinsale's thin veneer of civilization. Old friends suddenly return to haunt him. New enemies appear at every turn. And Vince fears he isn't prepared to confront either one. But if he doesn't put his detective hat back on and solve this case on a tight deadline, then what's left of the city he calls home might just crumble to dust. What Fate Portends is the first novel of The Frost Arcana, an action-packed urban fantasy series set in a post-apocalyptic world.

Jackson Holt has carved out a life for himself as a private investigator in New Orleans, home of one of the largest underground supernatural populations in the United States. He and his partners have never met a case they couldn't crack--until a local bar owner asks him to do a little digging on her newest hire. New Orleans is the fourth destination in as many months for Mackenzie Brooks, a desperate woman on the run from a deranged stalker. After all, any man who shows up on her doorstep claiming to be her destined lover has more than a few screws loose. But crazy doesn't explain why Marcus always finds her, no matter how far she runs. When her well-meaning boss puts a PI on her case, Mackenzie comes face to face with the incredible, unbelievable truth: magic is real, and whatever spell has kept her hidden and separate from the paranormal world is rapidly deteriorating. With time running out, she has no choice but to trust Jackson as they struggle to uncover the truth of her past and her destiny. How dark are you willing to go for the ones you love? Our enemy claims that the darkness lives in all Arcana. That in a world of light and shadow, one cannot exist without the other. That we're all but one tragedy away from giving in. Even the mages who've sworn to love and protect me. Even me—the Star herself. We call ourselves the Light Arcana, but the enemy's right. I've seen that darkness. Tasted it. Felt it flickering inside me like a black flame. The Dark Arcana have taken nearly everything from me. My parents. My friends. My magick. My men. No more. It's time to ignite that flame. It's time to show them what happens when the Star blazes hot enough to burn. I've got one thing to say to the fated mate who wants to kill me: Bite Me. I can handle anyone who walks into my pub. Except him--the most powerful vampire who ever lived. The First. Dark, damaged, and hot as hell. He says I'm his one and only Vampire Bride, and that five years ago, I buried him alive. Obviously he's crazy, because I don't remember any of that. All I know is that if I want to escape his vengeance, I have to help him infiltrate a deadly secret society. I'm going to use the time to prove that I didn't try to kill him, and that I'm not his Vampire Bride. Because if I am, he'll kill me. But his wrath starts to falter as our mutual hate turns to heat. Now, I'm starting to wonder if maybe he's right. But whatever happens in the end, there's no escaping our twisted fate. One draw of a card changes my life - because it's not just any card. I read tarot cards. I'm the real deal, but my psychic abilities scare the shit out of me. I see the auras of the living. Sometimes the dead speak to me--and not always when I want them to. Just reading cards? Now, that's safe. Except this morning, the cards said my life will change--and there's no going back. Not super helpful. Why can't they tell me the truth about my father's unsolved murder, or that creeper I locked eyes with on the way to work this morning? Better yet, why not explain my vivid dreams involving five enthralling men? About that change? Maybe it's the total stranger who walks out of those dreams, into my life and opens the door to a reality neither of us could have predicted. The reality that this is my last chance to reconnect with my five soulmates from a previous lifetime, 7000 years ago. I must find and re-awaken them. But in the process of finding one soulmate, I might've lost another one forever. Will I uncover the truth about my father while finding my soulmates, before a serial killer finds me? Yeah, I have so many questions, but I've learned to be careful what I ask. Because the cards never lie...but they don't always tell the truth. The Tower Card Murder is a Reverse-Harem Paranormal Romance featuring multiple love interests, a slow burn focusing on emotional connections with a steamy fade to black, and the reincarnation of the oldest recorded reverse harem story in human history. Oh yeah, and lots of tarot cards. This is the first book in the Tarot Arcana Mysteries series. My fated mate is a lethal fae king. And I'm going to kill him. Ever since the Court of Flames banished me, I've managed to hide my true nature--Chosen One of the Fire Fae, destined to save us all. Truth is, I'm not that impressive. I've spent my banishment hunting demons for fun and slinging drinks at Potions & Pastilles. But then the lethally sexy king of the Court of Ice finds me. He's been hunting me for years and wants to claim me as his fated mate. But it gets darker. He plans to sacrifice me to save his dying kingdom. One touch changes everything though, because I'm the only one who can warm him. I'm going to use that to my advantage and convince him to return with me to the Court that banished me years ago. There, I will kill him before he kills me. But I'm playing with fire, because I'm not sure if I can resist him long enough to change my fate. It's her last chance at freedom... Andrasta, Celtic goddess of victory, has fled the cold, sterile wasteland of Otherworld for the steamy South American jungle. It's only a

matter of time before the vengeful gods catch and punish her - unless she can convince the man she betrayed two thousand years ago to help... And only her enemy can save her Born in Otherworld to the life of a god, Camulos went rogue centuries ago. He's living on the banks of the Amazon, boxing in bare-knuckled fights. The gods believe he's dead - until Ana finds him. Ana, the woman who gave him nothing but trouble, and the woman he could never forget... Even the gods have secrets Thrown together, Ana and Cam must evade the wrath of the gods and a return to the living death of Otherworld. But as they flee through the jungle - and as their passion ignites - they find themselves at the heart of an ancient secret. One that could kill them both and extinguish their souls forever... Everyone said that Morgan LaVeau would return to Silver Hollow. She swore to prove them wrong. But as it turned out, they were right. When the Alchemist of Silver Hollow dies an untimely death, danger descends on the town. As the only LaVeau with the Alchemist spark, Morgan must take up the mantle of protector. It's a lifelong commitment, a vow to the Goddess, and it means returning to a place she vowed that she'd never call home again. And worst of all, seeing a man she hoped to avoid for the rest of her life. The Alchemist of Silver Hollow is a new adult paranormal romance novel, featuring a quirky magical town, a wacky witching family, a dangerous adventure, and a love story will make you swoon. A PERFECT DISGUISE As security chief of the supernaturals' ruling council, Michaela Chui has seen more than her fair share of disaster. For centuries, she's survived through caution and strategy. But when the only human councilor is viciously murdered, Michaela knows the coincidences that keep blocking her investigation are a sure sign of bad things to come. She needs answers fast. And her only ally is Cormac Redoak: wild, unpredictable, unreliable—and worse, distractingly attractive. A HIDDEN TRUTH An exile from the court of the Fairy Queen, Cormac has all the experience with careful strategy and veiled intentions he can stand. But he also has the fey talent for getting his way, and he's sure his way lies with Michaela's. No matter that she can change her lovely face at will; there's a clarity to her being that he'd know anywhere. Working with her will be temptation and frustration bound together. Somehow, though, he must convince her to trust him—without revealing the secrets he dares never share . . . Vampires aren't real, right? People say I'm a weirdo. Sure, my idea of a party is a mini box of wine and hanging out with a feral raccoon, but it works for me. When I'm accused of murder, things get crazy. One, I learn that I have magic. Two, there's a secret magical city hidden right in London itself. And three, my only hope is a vampire who's sexy as sin and scary as the devil himself. He's called the Devil of Darkvale, and he all but owns Guild City. Some say I should just quit and turn myself in. Not a chance. I'm going to solve this murder myself, which means surviving in a new world of witch parties, magical guilds, and a vampire with a tortured past. The vampire and I are like colliding stars, and the heat is irresistible. I should avoid him, but if I want to save my own life, he's my only hope. In the second book of the Arcana Chronicles Evie has now fully come into her powers as the tarot Empress. And Jackson was there to see it all. In the aftermath of killing Arthur, the tarot Alchemist, Evie realizes that a war is brewing between the other teens that, following the apocalypse, have been given powers and its kill or be killed. Things get even more complicated when Evie meets Death, the mysterious, sexy Endless Knight. Somehow the Empress and Death share a romantic history - one that Evie can't remember, but Death can't forget. She is drawn to the Endless Knight, but is in love with Jack. Determined to discover why she's been granted these powers, Evie struggles to accept her place in a prophecy that will either save the world, or completely destroy it. She's vowed to forget him forever Powerful witch Sofia Viera has loved warlock-werewolf half-blood Malcolm Brent for centuries, ever since they trained to become warlocks together. When Malcolm chose power over her and cast her aside, she vowed to forget him. For four hundred years, it worked. Until he forces her to return to him... He'll stop at nothing to have her back Though fate is prophesied to tear them apart, Malcolm refuses to be separated from Sofia any longer. After centuries alone, he wants everything from her. Her mind, body, soul. Her love. When he steals a dagger that she desperately needs in an attempt to draw her to him, he unwittingly unleashes a force of evil that will destroy everything she loves. He promises to help her save her village... For a price. *****Dive into the Mythean Arcana, a world where all myths are true.
