Introduction to F-Tags: Part 2 Sep 07 2021 State surveyors will reference F-Tags during nursing homes inspections. That's how they check that skilled nursing facilities (SNFs) are following federal regulations and they're in State Operations Manual, Appendix PP. But it's so long! And there are so many F-Tags! I don't want to read all that. And how will you keep track of them all? Never fear, this book will go over all the F-Tags, especially the ones that get cited most often for safety violations. Check out this book for an easy-to-understand guide to these F-Tags: Behavioral health services Pharmacy services Laboratory, radiology, and other diagnostic services Dental services Food and nutrition services Specialized rehabilitative services Administration Quality assurance and performance improvement Infection control Compliance and ethics program Physical environment Training requirements F-Tags are

also on the nursing home administrator (NAB) exam, which you have to take after your administrator in train (AIT) internship.
