ALL'S FAIR IN LOVE Battlefields and barrooms hold much more interest for Edward Westover, Duke of Strathmore, than a little girl's fondness for dolls and lace. When he takes possession of his enemy's estate, everything that villain held dear-including his daughter-belongs to Edward. Hire a governess, arrange a dowry, give a few reassurances, and be off on his way-that's Edward's plan. But he's in for the shock of his life. For his new ward is a beautiful, impetuous, and utterly irresistible woman AND WAR Kate Benton is stunned. Who is this arrogant, infuriating man who's invited himself into her home and taken over her life? Her vow: to do everything in her power to convince him to leave her-and Brambly House-alone. Yet as chilly days melt into sultry nights, Kate sees glimpses of kindness underneath Edward's cool façade . . . and a passionate nature that takes her breath away. There's so much she doesn't know about this man. But does she dare trust this devilish duke with her heart? Legend tells that Eastbourne can never be destroyed because the 7th Duke of Devonshire left his heart here. The Nazi's had a good

go. Eastbourne was one of the most bombed towns on the South Coast. They failed miserably. Even with all the modern buildings Eastbourne retains something unique, a special quality that's hard to define. A stroll anywhere along the promenade from Meads to Fisherman's Green will fill you with awe and admiration. The stunning Victorian architecture, the beautifully laid out boulevards, gardens and pier all add to Eastbourne's intoxicating mix. A dream, that started in the middle of the Victorian Era, continues to flourish to this day. Eastbourne still holds the accolade as one of the finest seaside resorts in the world. But how did the dream start? Where did it all begin? How were a few outlying hamlets and farmers fields so superbly redesigned to bring this empress of watering places to life? In *Eastbourne, Building A Duke's Dream*, world renowned author Alex Askaroff tells the story in his own unique style, reviving long forgotten characters from the town including the odd ghost, gruesome murder, sacred wells, smugglers, kings and queens, even a witch! It is a tale not to miss. Get Married for Just Three Years and Receive 5 Million Dollars vs. Work Without Pay for 60 years What would be Daisy's choice? "I'll work as your contract wife. I'll be a good partner to you." A marriage of convenience on hot terms. The terms of the contract are simple. Must agree not to fall in love. A guaranteed expedited

divorce after three years. Most of all, it is absolutely forbidden to make your husband fall for you. "The men in my family specialize in homicidal crimes of passion." Daisy has an unhappy past life as a scumbag's mistress. She dies pitifully after a life full of regret. When Daisy returns back in time for some reason, she works hard to change her life. And one day, an opportunity comes to her by accident. "But why me? There are plenty of women in the world." "Because you're against marriage." But there is a problem. The fake husband is hot and alluring. "Why do you have to be so handsome?" Why are your eyes filled with terror, sweetness, and passion when you look at me? Would she and her husband be able to maintain their stance against marriage? Having such a handsome husband is distracting, but I'll focus on making my business successful first. The story of Daisy—how a poor, low-ranking noblewoman who could give up neither on her love nor work becomes the Duchess of the Empire. James Henry "Red" Duke Jr., MD, was an icon of twentieth-century medicine, a pioneer and visionary, and a lifelong son of Texas who, far from forgetting his roots, reveled in them. Bryant Boutwell's entertaining and meticulously researched biography of Red Duke, based on years of interviews with Duke and his family, friends, and colleagues as well as painstaking exploration of both public archives

and personal papers and effects, not only pays tribute to a great surgeon and his influence but also crafts a detailed and intimate portrait of the man behind the larger-than-life television image. Not only did Duke found the Life Flight air ambulance service that helped place Memorial Hermann Hospital and the Texas Medical Center at the forefront of the nation's trauma units, he also advanced the use of media communications for reaching the public with both common-sense and cutting-edge health information. His famous tagline—"From the University of Texas Health Science Center in Houston . . . I'm Dr. Red Duke"—delivered in the deadpan drawl of a Texan, could be heard in countless homes during the broadcast of the local evening news during the 1980s and 1990s. Beyond these accomplishments, Duke was an Eagle Scout, an ordained minister, a medical missionary, a conservationist, a hunting guide, and a tank commander. Featuring a wealth of previously unpublished images that help to chronicle Duke's life and storied career, I'm Dr. Red Duke opens with a foreword by fellow Houstonian George H. W. Bush, who calls Duke "one of the brightest Points of Light Barbara and I have had the privilege to know." The #1 New York Times bestselling author continues her evocative Westmoreland Dynasty Saga with this romance following two defiant hearts clashing over a

furious battle of wills in the glorious age of chivalry. Abducted from her convent school, headstrong Scottish beauty Jennifer Merrick does not easily surrender to Royce Westmoreland, Duke of Claymore. Known as "The Wolf," his very name strikes terror in the hearts of his enemies. But proud Jennifer will have nothing to do with the fierce English warrior who holds her captive, this handsome rogue who taunts her with his blazing arrogance. Boldly she challenges his will—until the night he takes her in his powerful embrace, awakening in her an irresistible hunger. And suddenly Jennifer finds herself ensnared in a bewildering web...a seductive, dangerous trap of pride, passion, loyalty, and overwhelming love.

Hawai'i's Ambassador of Aloha, Duke Kahanamoku, is remembered for his Olympic medals and as the Father of International Modern Surfing. But those who place leis on his statue in Waikiki equally honor him for his strength of character and the Hawaiian ideals he represented. In this moving tribute, filled with photos of Duke, his story and Hawai'i's are intertwined. Fran Martin explores how young Chinese women negotiate competing pressures on their identity while studying abroad, between expectations of fulfilling traditional roles as wife and mother versus becoming highly educated and cosmopolitan career-oriented individuals. The Duke's Ballad is the tale of Aisling, a

young witch from a family gifted with a magical power that she must protect from her brother, Kirion, who wields magic unlike the rest of the family's. He gains power only by a terrible means: by killing others who wield magic. Years ago, Aisling fled her native Kars when Kirion, working for the Duke of Kars, tried to kill her. Since Aisling's departure, Kirion has tightened his insidious hold on Duke Shastro. The malevolent sorcerer's dark influence works through Shastro to cast a deadly pall over all of Kars. A fatal chain of events is triggered when Kirion pitches the people of Kars into a war with a neighboring clan. Aisling recruits her younger brother Keelan and returns in disguise, determined to undermine Kirion's power and unseat his evil pawn from the throne. Accompanied also by a catlike telepathic beast, Aisling becomes part of Shastro's court. But even as she begins to learn the ways of court power, a brutally cold winter besieges the land, testing the endurance of the people of Kars, who have little cheer in that darkest season. As Kars and its people contend with Kirion's depredations, the warring clan's raids, and the devastating winter, Aisling and Keelan must somehow, through guile, persistence and ingenuity, find a way to avoid the attention of their dangerous older brother, and save the people from his murderous sorcery. Only if they can survive Kirion's terrible power can they deliver

the dukedom into the peace and prosperity it once knew. Author Cheryl Lockett Alexander's New Years Resolution is continuing to keep the Dukes alive throughout 2023 and beyond. She's accomplishing this with the help of Dukes fans dedicated to making dreams come true. Not only their own but the dreams of Dukes fans of the past, present and future. Together we are sharing, creating, and building life long relationships to keep the Dukes alive generations to come. Attending Duke related Events isn't just a dream come true. It's a family reunion. Dukes casts and Dukes fans are family. That's why we're continuing a Legacy in this MY HERO US A DUKE...OF HAZZARD SCOTT FREEMAN EDITION. He was alone in the world, and there was no one of whom he could ask a question. After the sudden death of his wife, two years after he has left office as Prime Minister, the Duke of Omnium must become deeply involved with his children for the first time. They vex him enormously: with school expulsions, vast gambling debts, and what he considers to be calamitous romantic attachments. He tries to compel them to do what he wants, but they are not so easy to manage. Even when his eldest child and heir, Lord Silverbridge, makes him proud by embarking upon a political career, the Duke grapples with heartache. For Silverbridge becomes a Conservative rather than a

*Liberal, flouting the family tradition. The relationship between father and son is drawn with remarkable subtlety, and the book as a whole becomes a piercing, yet often humorous, exploration of change: how both the young and the old resist, tolerate, or embrace it. Trollope cut roughly 65,000 words, at a vulnerable moment in his career, to get the novel published, but concluded rapidly that he had made a grievous error. After a painstaking reconstruction by a team of researchers, *The Duke's Children*, the final book in Trollope's famed *Palliser* series, can now be read the way he first intended. It is a masterpiece of Victorian fiction. There was much more to John Wayne than can be seen on the silver screen, and this biography, written by three personal friends of his, candidly reveals the real man behind the legend. 16-page photo insert. Kathryn Ragland never dreamed that one tiny portrait could dramatically alter her life until she woke after a vivid dream in which she changed time and place. Determined to find her way home, Kathryn befriends a mesmerizing stranger. While she has no choice but to accept aid from the brooding war hero, Kathryn learns that thawing the crusty exterior of England's newest and most eligible Duke may just have rewards beyond her wildest dreams. Captain Michael Stafford is reluctantly returning home to step into his role as the Duke of Asterleigh, an unexpected*

title. After meeting the completely improper American on the last leg of his journey home, Michael quickly determines that Kathryn is destined to be his. Fate, in the form of mortal threats on Kathryn's life, forces him to fight unseen enemies while he must face his own fears of sharing his life with someone, again.

Determined, Michael sets out on his most difficult campaign... to show Kathryn he can be the man of her dreams. Tylia Flores is a 25-year-old Dukes of Hazzard fan, born with Cerebral Palsy. Although her condition has affected her mobility, it has never affected her will and determination to make a difference in the world.

Through her many life challenges and obstacles, she discovered her passion for writing. Tylia's goal in life is to share her stories with the world. In doing so, she hopes to help others with disabilities realize that they, too have the potential to make their dreams come true. Follow Tylia Flores on Facebook, Instagram, Twitter and Youtube. Her hero is also a Duke...of Hazzard. Charlotte Browne could just kick herself.

What on earth possessed her to tell the Duke of Rockford that she is a lady? But something about the duke's handsomeness and kind intelligence makes Charlotte blurt out the teeniest, tiniest falsehood. Now it's too late to admit she's just plain Charlotte of no particular importance—with cinder-stained hands, a wretched stepfather, and no prospects for marriage.

*Rafe Dorchester, Duke of Rockford, has done what every self-respecting duke must do—avoid marriage at all costs. But the only thing stronger than the duke is his mother, and she lays down the highest ultimatum, he'll need to find a duchess. Immediately. Only, when he calls on a potential bride, he instead finds the pert, fresh-faced Lady Charlotte. Rafe was warned to never mix the business of marriage with pleasure, but when it comes to Lady Charlotte...oh, business would be a splendid pleasure. Except Charlotte knows that true life is nothing like the penny romances she reads. The duke can't actually end up with a maid. When her vile stepbrother catches her coming from the gardens with the duke close on her heels, Charlotte knows just what he'll do. And there's only one way to save them all from scandal... Each book in the Never a Wallflower series is STANDALONE: * The Spinster and the Rake * Much Ado About Dukes * The Duke's Secret Cinderella*

DIVOffers 57 diverse sermons preached in Duke Chapel by such notable figures as Billy Graham, Paul Tillich, and Barbara Brown Taylor and a fascinating analysis of the acoustic and visual challenges of preaching and listening at Duke Chapel./div

ROYAL AFFAIR The Duchess's dilemma Duty ruled Damiano's life: duty to his country, his people and his baby son, but not, Sofia thought, to his wife. She knew that her wedding to the Duke of San Rinaldo had been just a

matter of convenience, but it appeared that even his old flames figured more highly than her. Now, to end the rumors about their marriage, Damiano was insisting that they convince the world that theirs was a love match. It seemed that Sofia had gotten what she had always wanted—a "devoted" husband by her side—but would this fairy-tale romance ever have a real happy ending? Romancing a royal was easy, marriage another affair!

Anthony Trollope (1815 – 1882) was an English novelist of the Victorian era. Among his best-known works is a series of novels collectively known as the *Chronicles of Barsetshire*, which revolves around the imaginary county of Barsetshire. "The Duke's Children" is the sixth and final novel in another famous series, "The Palliser Novels," also known as the *Parliamentary Novels*. Plantagenet Palliser, the Duke of Omnium and former Prime Minister of England, is widowed and wracked by grief. Struggling to adapt to life without his beloved Lady Glencora, he works hard to guide and support his three adult children. Palliser soon discovers, however, that his own plans for them are very different from their desires. He's looking for a duchess. She's looking for...well, anyone but him. Georgie Cleveland is well aware that true love exists. She may have even found it in the handsome young gentleman she's set her sights on. Unfortunately, her rival has the same

designs on society's most sought-after poet. Now Georgie is forced to go to extremes to catch his eye. She could make him jealous, for example, by feigning interest in her sister's brother-in-law, the Duke of Roxborough. It is all for show, of course. Roxborough is far too dull for her tastes. So boring, so stodgy...yet, such a surprisingly passionate kisser. With Roxborough's new title comes more pressure than ever to marry. His mother has prospective wives lined up for him, all perfectly fitted for the role. Why then does he find himself saddled with the wide-eyed Georgie at every turn? He has no use for someone so frivolous, not with the responsibilities he has on his plate. He should help her find a husband to rid himself of her distractions, but that's easier said than done when it quickly becomes clear that her taste in husbands is abysmal. To make matters worse, she seems to have the oddest effect on him. The more she tells him how safe and predictable he is, the more he's tempted to kiss her senseless. Bridgerton meets Werewolves Within in this sparkling shapeshifter Regency romance mixed with humor, steamy chemistry, and fantasy. A Duke in want of a wife... Alfred Blakesley, Duke of Lowell, has long been an enigma. No one dares to give a man of his status the cut direct, but there's simply something not quite right about him. What would the society ladies say if they

learned the truth—that the Duke of Lowell is a wolf shifter and the leader of a pack facing extinction if he doesn't find his true love? So now he's on the hunt...for a wife. Felicity Templeton has a goal of her own: to remain unwed until her twenty-fifth birthday, when she will inherit a significant fortune. But that all changes when she meets Alfred, the dashing duke who's determined to have her for his very own... "Sparkling wit, scrumptious chemistry!" —Grace Burrowes, New York Times and USA Today bestselling author

*Having rescued her people in the eastern territories and thwarted another plot to undermine Armelia, Iris throws herself back into the work of governing her duchy. After all, it's only through work that she can make herself forget her growing feelings for Dean. But she can't put off all thought of marriage. A foreign prince has come to the duchy seeking an alliance--and Iris's hand to cement the deal. If Iris gives herself to the prince, she secures Armelia's future...and gives up her heart forever. *Memoirs of the Dukes of Urbino in three volumes presents a history of the houses of Montefeltro and Della Rovere, of their famous and most brilliant Court, and of that part of Italy over which they held dominion. It deals not only with history and politics of the fifteenth and sixteenth centuries in Italy, but it also illustrates "the arms, arts, and literature of Italy from 1440 to 1630."**

Memoirs of the Dukes of Urbino in three volumes presents a history of the houses of Montefeltro and Della Rovere, of their famous and most brilliant Court, and of that part of Italy over which they held dominion. It deals not only with history and politics of the fifteenth and sixteenth centuries in Italy, but it also illustrates "the arms, arts, and literature of Italy from 1440 to 1630."

Contents: Book First: Of Urbino and Its Early Accounts Book Second: Of Federigo di Montefeltro, Count and Second Duke of Urbino Book Third: Of Guidobaldo di Montefeltro, Third Duke of Urbino Book Fourth: Of Literature and Art Under the Dukes di Montefeltro at Urbino Book Fifth: Of the Della Rovere Family Book

Sixth: Of Francesco Maria Della Rovere, Fourth Duke of Urbino Book Seventh: Of Guidobaldo Della Rovere, Fifth Duke of Urbino Book Eighth: Of Francesco Maria II Della Rovere, Sixth and Last Duke of Urbino Book Ninth: Of Literature and Art Under the Dukes Della Rovere at Urbino The Duke of Zhou's catalogue of dreams is the oldest known text on the interpretation of dreams. Being 3100 years old, it's principles and advice on the meaning and interpretation of dream images yield as valid results and council as in it's own day. By studying the meaning of the different images, the reader not only is able to gain valuable insight on the meaning of his dreams, but also can deduce the basic patterns and principles of the "Language of Dreams" itself. She's a secret sensation. Miss Lily Hartley is the anonymous mastermind behind the ton's latest obsession: *The Debutante's Revenge*, a tell-all advice column for young ladies. To keep her identity hidden, Lily delivers her columns disguised as a boy—which is well and good, until she lands in the middle of tavern brawl. As luck would have it, a devastatingly handsome duke sweeps in to rescue her. He has no idea who she is. Eric Nash, Duke of Stonebridge, discovers there's a beautiful woman hiding beneath a lad's cap, and, before long, he's falling for the delightfully clever stranger recuperating in his house. He vows to help her find her home, even

though he's reluctant to part with her. There's only one problem... Neither does she. Lily has no idea who she is. She could be a duchess or maid. Betrothed or married. There's only one thing she does know—that her attraction to Nash is more than skin-deep, and it grows stronger every day. While Lily and Nash search to find her true identity, they just might lose their hearts to each other... "Fans of Regency romance authors Eloisa James, Tessa Dare, and Mary Jo Putney will go wild." —Booklist "Deeply satisfying." - Publishers Weekly

On the island of Minorca some things never change: the sun shines, the breeze ruffles the Mediterranean, and the Grand Dukes are eternally in debt. Grand Duke Ramon XX doesn't let his permanent state of near-bankruptcy interfere with the simple pleasures of life: a good lunch, a cigar and a glass of cognac. But trouble is on the horizon when the island is visited by a German businessman who will stop at nothing to get his hands on potential sulfur mines. At the same time, a moneylender in Paris threatens to expose a devastating secret, leaving Ramon on the verge of losing not only his beloved island, but his honor and reputation as well. It's not until he crosses paths with Mr Collin, gentleman thief and swindler, that a gleam of hope appears. But who is the mysterious and beautiful woman pretending to be Mr Collin's wife, and does she hold the key to solving

the Grand Duke's financial problems once and for all? Frank Heller was the first internationally famous Swedish crime writer. The son of a clergyman, to avoid arrest after a financial fraud he left Sweden for the continent. In desperate straits after losing the swindled money in a casino in Monte Carlo, he tried his hand at writing novels with immediate success, and produced forty-three novels, short stories and travelogues before his death in 1947. "A first-rate mystery thriller...A novel every one will enjoy" - The Sketch "A story of national bankruptcy, revolution and high adventure in the curious Grand Duchy of Minorca and elsewhere...It is all wildly impossible but none the less amusing on that account." - Westminster Gazette

Chiefly a record of the life and descendants of Washington Duke. He was born 20 Dec 1820 to Taylor Duke and Dicey Jones. He married Mary Caroline Clinton in 1842. They were the parents of two children. She died in 1847. He married Artelia Toney in Dec 1852. They were the parents of three children. She died in 1858. He died 8 May 1905. Memoirs of the Dukes of Urbino, Volume I (of 3) But Dennistoun's Dukes of Urbino is not merely a history of the houses of Montefeltro and Della Rovere, of-viii- their famous and most brilliant Court, and of that part of Italy over which they held dominion, but really a work in belles-lettres too, discursive and amusing, as well as

instructive. It deals not merely with history, as it seems we have come to understand the word, a thing of politics—in this case the futile and childish politics of the fifteenth and sixteenth centuries in Italy—but illustrates "the arms, arts, and literature of Italy from 1440 to 1630." And indeed this programme was carried out as well as it could be carried out at the time these volumes were written. The book, which has long been almost unprocurable, is full, as it were, of a great leisure, crammed with all sorts of out-of-the-way learning and curious tales and adventures. Sometimes failing in art, and often we may think in judgment, Dennistoun never fails in this, that he is always interested in the people he writes of, interested in their quarrels and love affairs, their hair-breadth escapes and good fortunes. How eagerly he sides with Duke Guidobaldo, chased out of his city of Urbino by Cesare Borgia! It is as though he were assisting at that sudden flight at midnight, and, whole-heartedly the Duke's man as he was, almost fails to understand what Cesare was aiming at, and quite fails to see what Cesare saw too well—the helplessness of Italy, at the mercy, really, of the unconscious nations of the modern world. Such failures as this make his work, indispensable as it is, less valuable than it might have been, but they by no means detract from the general interest of the story. That is a quarry from which much

has been hewn, and a good many of those enduring blocks which go to make up so popular and charming a work as John Inglesant came in the first instance from Dennistoun's volumes. The Duke of Dunmore is a friend, a confidante, and a highly respected nobleman... and he's keeping a secret that could endanger the woman he loves and the family he's held dear for so many years. Lady Lilianne Lambourne was once the talk of the ton, but after mourning her fallen fiance for so many years feels love has passed her by. Behind her warm and caring facade is the struggling strong woman who had been scarred by so many volatile moments of her past. Will the Duke's secrets forever change their futures or will this be her moment to stand and let her strength guide them both to happiness? Find out in the fourth and final book of the Lambourne Legacy series, *A Duke's Issue*. Plantagenet Palliser must face new challenges and a changing world if he is to hold his family together in the final installment of the Palliser Novels. After losing his devoted wife, Glencora, Duke Plantagenet Palliser takes on a task he has never had the time or skills to bother with before: dealing with his children. Palliser has never been a doting father, what with the responsibilities of title and duty constantly beckoning him away, but now his government no longer needs him. And it does not take him long to realize that his

children have somehow become adults of their own accord—though not for the better. Unbeknownst to Palliser, his late wife had given their daughter, Lady Mary, her blessing to pursue a courtship with a poor gentleman friend of the duke's eldest son, Lord Silverbridge. Meanwhile, Silverbridge has followed his father's wishes by entering Parliament only to become enamored with an American heiress who refuses to marry unless Palliser willingly welcomes her into the family. And Palliser's youngest, Lord Gerald, has managed to get himself expelled from Oxford. With such odds set against him, the duke will have to find it within himself to change, to face the end of the proper world he has always known, and to accept the new world his family has embraced for the good of all. With *The Duke's Children*, Anthony Trollope brings one of the great classic Victorian sagas to a close. *The Duke's Children* is the 6th book in the Palliser Novels, but you may enjoy reading the series in any order. This ebook has been professionally proofread to ensure accuracy and readability on all devices. *Washington Duke* is very young when he first realizes there is racial discrimination in the South. Living outside of Hillsboro, North Carolina, in the mid-1820s, he is one of ten children in a family that shares the wilderness with bears, rattlesnakes, and mountain lions. *Washington* learns about the world around him from

his scholarly father, nurtures a compassion for others, and eventually grows into a man deeply troubled by the institution of slavery. Unaware of what awaits him, Washington is conscripted into the Confederate Army and reluctantly leaves his three-hundred-acre farm in 1864 to fight in the war. When the Civil War is over, Washington is left widowed, with nothing but his farm, two blind mules, a wagon load of tobacco, and his four children. Determined to rise from the rubble, Washington soon begins building the foundation for the Duke financial empire—although not without challenges. As Washington ages, his sons eventually capture his dream to establish Duke University. Even with the family's successes, though, there is tragedy and heartache; Washington's granddaughter, Doris, dies under suspicious circumstances in 1993 and her estate becomes embroiled in a legal battle. Based on a true story, this compelling and inspirational tale examines the life of a gentle giant and his descendants who together built a multibillion-dollar empire, numerous charitable foundations, and a renowned academic institution, proving that anyone can overcome adversity to achieve greatness. Life can be full of challenges and obstacles, and whether we're managing the everyday routine of life or facing the unexpected, it can be hard to stay positive. All of us can use a little extra motivation and inspiration to

keep us focused and dedicated to the path ahead—whatever it may bring. In Duke Jordan—More Than Just Air, author Duke Jordan offers a collection of positive messages encouraging you to stay positive and never give up! After realizing how many people were finding inspiration from his social media posts, Jordan took the time to go through almost six years of posts to compile 365 daily messages of encouragement that he shares here. These posts have helped many through times of despair and have guided others through the storms of life. There will be at least one post that will touch your heart and help you face your circumstances. The core message is to never give up, and Jordan hopes these words will help you and others through that day and hour where you feel like giving up. In this dazzling first novel featuring the Knight family, bestselling author Gaelen Foley writes an elegant, emotional story that touches the heart and soul. Driven to uncover the truth about the mysterious death of his ladylove, the Duke of Hawkscliffe will go to any lengths to unmask a murderer. Even if it means jeopardizing his reputation by engaging in a scandalous affair with London's most provocative courtesan—the desirable but aloof Belinda Hamilton. Bel has used her intelligence and wit to charm the city's titled gentlemen, while struggling to put the pieces of her life back together. She needs a protector,

so she accepts Hawk's invitation to become his mistress in name only. He asks nothing of her body, but seeks her help in snaring the same man who shattered her virtue. Together they tempt the unforgiving wrath of society—until their risky charade turns into a dangerous attraction, and Bel must make a devastating decision that could ruin her last chance at love. . . .

Getting the books Once Upon A Dukes Dream A Historical Regency Romance Happily Ever After 3 now is not type of inspiring means.
