*How to Be a Heroine---For Girls* May 10 2021 *How To Be A Heroine - For Girls: Inspiration From Classic Heroines* is a work of love. By showcasing her favorite heroines, the author shares ideas with a new generation of young readers who may not have encountered these remarkable books yet. *How To Be A Heroine* will inspire girls to become the heroine of their own lives. Favorite quotes from *The Secret Garden* and *A Little Princess* by Frances Hodgson Burnett, *Little Women* by Louisa May Alcott, *Pride and Prejudice* by Jane Austen, and *Anne of Green Gables* by Lucy Maud Montgomery, as well as a quote from *Laura Ingalls Wilder*, are presented to the reader and followed up with useful insights and suggestions. By reading about these beloved heroines and emulating their virtues, young girls will see for themselves what a wonderful adventure their own lives are and how much more wonderful they can become. Kathleen Schuller, M.A., is a lover of good books and holds a master's degree in English literature. She is a wife, mother and grandmother who works as an office manager and spends her free time reading, writing, sewing, baking, and enjoying nature as an armchair gardener. She is a member of the Jane Austen Society of North America and loves all things Austen. *How To Be A Heroine - For Girls: Inspiration From Classic Heroines* is her first book.

[50 Women Every Christian Should Know](#) Nov 27 2022 Throughout history, countless women have boldly stepped out in faith and

courage, leaving their indelible mark on those around them and on the kingdom of God. In lively prose Michelle DeRusha tells their stories, bringing into focus fifty incredible heroines of the faith. From Catherine of Siena, Teresa of Avila, and Anne Hutchison to Susanna Wesley, Harriet Tubman, and Corrie ten Boom, women both famous and admirable live again under DeRusha's expert pen. These engaging narratives are a potent reminder to readers that we are not alone, the battles we face today are not new, and God is always with us in the midst of the struggle.

**Heroines and History** Feb 16 2022 "This is a fascinating comparison of the histories of Ontario and Quebec as seen through the handling of their best-known heroines. Most Canadians are familiar with stories of Madeleine de Vercheres defending Montreal against the Iroquois in 1692 and of Laura Secord and her cow bravely crossing the American lines to warn the British during the War of 1812.

Plain Bad Heroines Jan 18 2022 NATIONAL BESTSELLER "A delectable brew of gothic horror and Hollywood satire . . . [and] what makes all this so much fun is Danforth's deliciously ghoulish voice . . . exquisite." —Ron Charles, THE WASHINGTON POST "A multi-faceted novel, equal parts gothic, sharply funny, sapphic romance, historical, and, of course, spooky." —ENTERTAINMENT WEEKLY Named a Most Anticipated Book by Entertainment Weekly • Washington Post • USA Today • Time • O, The Oprah Magazine • BuzzFeed • Harper's Bazaar • Vulture • Parade • HuffPost • Refinery29 • Popsugar • E! News • Bustle • The Millions • GoodReads • Autostraddle • Lambda Literary • Literary Hub • and more! The award-winning author of *The Miseducation of Cameron Post* makes her adult debut with this highly imaginative and original horror-comedy centered around a cursed New England boarding school for girls—a wickedly whimsical celebration of the art of storytelling, sapphic love, and the rebellious female spirit Our story begins in 1902, at the Brookhants School for Girls. Flo and Clara, two impressionable students, are obsessed with each other and with a daring young writer named Mary MacLane, the author of a scandalous bestselling memoir. To show their devotion to Mary, the girls establish their own private club and call it the Plain Bad Heroine Society. They meet in secret in a nearby apple orchard, the setting of their wildest happiness and, ultimately, of their macabre deaths. This is where their bodies are later discovered with a copy of Mary's book splayed beside them, the victims of a swarm of stinging, angry yellow jackets. Less than five years later, the Brookhants School for Girls closes its doors forever—but not before three more people mysteriously die on the property, each in a most troubling way. Over a century later, the now abandoned and crumbling Brookhants is back in the news when wunderkind writer Merritt Emmons publishes a breakout book celebrating the queer, feminist history surrounding the "haunted and cursed" Gilded Age institution. Her bestselling book inspires a controversial horror film adaptation starring celebrity actor and lesbian it girl Harper Harper playing the ill-fated heroine Flo, opposite B-list actress and former child star Audrey Wells as Clara. But as Brookhants opens its gates once again, and our three modern heroines arrive on set to begin filming, past and present become grimly entangled—or perhaps just grimly exploited—and soon it's impossible to tell where the curse leaves off and Hollywood begins. A

story within a story within a story and featuring black-and-white period-inspired illustrations, *Plain Bad Heroines* is a devilishly haunting, modern masterwork of metafiction that manages to combine the ghostly sensibility of Sarah Waters with the dark imagination of Marisha Pessl and the sharp humor and incisive social commentary of Curtis Sittenfeld into one laugh-out-loud funny, spellbinding, and wonderfully luxuriant read. “Full of Victorian sapphic romance, metafictional horror, biting misandrist humor, Hollywood intrigue, and multiple timeliness—all replete with evocative illustrations that are icing on a deviously delicious cake.” –O, THE OPRAH MAGAZINE

**Heroines of the Soviet Union 1941–45** Apr 08 2021 When the Great Patriotic War began many women volunteered for the armed forces, but most of them were rejected. They were steered towards nursing or other supportive roles. Many determined women managed to enter combat by first volunteering as field medics and nurses, then simply picking up a gun during the battle, and charging boldly into the line of fire. In the area of aviation, women also contributed greatly to the war effort. In rickety biplanes, they flew bombing missions at night, without parachutes; their only protection was the darkness. This book tells the stories of the brave women that were awarded the Soviet Union's most prestigious title Hero of the Soviet Union for their bravery in protecting their homeland.

**Fearless Girls, Wise Women, and Beloved Sisters: Heroines in Folktales from Around the World** Oct 27 2022 One hundred great folk tales and fairy tales from all over the world about strong, smart, brave heroines. Dismayed by the predominance of male protagonists in her daughters' books, Kathleen Ragan set out to collect the stories of our forgotten heroines. Gathered from around the world, from regions as diverse as sub-Saharan Africa and Western Europe, from North and South American Indian cultures and New World settlers, from Asia and the Middle East, these 100 folktales celebrate strong female heroines. *Fearless Girls, Wise Women, and Beloved Sisters* is for all women who are searching to define who they are, to redefine the world and shape their collective sensibility. It is for men who want to know more about what it means to be a woman. It is for our daughters and our sons, so that they can learn to value all kinds of courage, courage in battle and the courage of love. It is for all of us to help build a more just vision of woman.

Sports Heroines on Film Dec 25 2019 It's hard to find females in leading roles as athletes, coaches and owners in sports film story lines. With an abundance of male-focused stories, Hollywood continues to reinforce the association of athleticism with masculinity. Portrayals of women in prominent roles indicate social attitudes and values and--when looked at over time--also show what influence the women's movement has had on cinematic representation and social understandings. This discussion of sports film heroines begins with *National Velvet* (1944) and ends with *Secretariat* (2010). It addresses the question of whether these story lines do or do not empower women as characters and role models, while offering alternative cinematic choices that reflect the true and ever-growing history of women in sports.

Character Design Collection: Heroines Aug 25 2022 New series Character Design Collection features 50 expert artists using professional techniques and approaches to create a library of inspiring sketches.

Boccaccio's Heroines Aug 13 2021 In this cross disciplinary study of a seminal work of literature and its broader cultural impact, Franklin shows that the stories in Boccaccio's Famous Women were used to promote social ideologies in both Renaissance Tuscany and the dynastic courts of northern Italy. She brings needed clarification to the text by demonstrating that the moral criteria Boccaccio used to judge the lives of legendary women-heroines and miscreants alike-were employed consistently to tackle the challenge that politically powerful women represented for the prevailing social order.

Becoming Heroines Jan 30 2023 "A profound roadmap for how whole systems of oppression can die if we choose to do the work."—LaTosha Brown, cofounder of Black Voters Matter "An inspiring, empowering clarion call and guide to become the heroines we were meant to be."—Debra Messing, actor and activist A soul-shaking wake-up call to the oppressive structures that keep women in their place—and a radical approach to fighting back You were born with massive reservoirs of strength, confidence, and creativity. But oppressive structures that keep you "in your place"—that is, silent, weak, and complacent—have cut you off you from your natural gifts and pitted women against one another. Following the timeless wisdom of the heroine's journey, *Becoming Heroines* invites you to recover your inner power and unleash it as a force for change in the world. For decades, Elizabeth Cronise McLaughlin has been the go-to mentor for women who've wasted years playing by traditional rules. Now, she'll show you how to break away from that which no longer serves you, starting by healing the painful memories that hold you back from living to your fullest capacity. You'll learn how to confront any internalized bias contributing to systems of oppression. And joining with the growing revolution, you'll be inspired to lend your voice to those repairing the wounds of history in order to build a future of freedom and justice for all. At once deeply heartfelt and galvanizing, *Becoming Heroines* is an empowering call to recover your rightful role as the heroine of your own life. For any woman ready to rise from the ashes of trauma and grief, live out her values more radically, and lead us all to a better world, the journey begins.

**The Heroines of English Pastoral Romance** Jun 30 2020 The figure of the woman as hero in pastoral romance is shown to grow in importance and complexity in this important new study.

**Heroines of Popular Culture** Sep 13 2021 From life and literature come the heroines of this volume. The essays demonstrate that women can fit the role of hero as defined by Joseph Campbell: "A hero ventures forth from the world of common day into a region of supernatural wonder, fabulous forces are there encountered and a decisive victory is won, the hero comes back from this mysterious adventure with the power to bestow boons on his fellow man." Contributors to this volume cover a wide range of heroic women.

Heroines Feb 28 2023 A manifesto for "toxic girls" that reclaims the wives and mistresses of modernism for literature and feminism. I am beginning to realize that taking the self out of our essays is a form of repression. Taking the self out feels like obeying a gag order—pretending an objectivity where there is nothing objective about the experience of confronting and engaging with and swooning over literature." —from *Heroines* On the last day of December, 2009 Kate Zambreno began a blog called Frances Farmer Is

My Sister, arising from her obsession with the female modernists and her recent transplantation to Akron, Ohio, where her husband held a university job. Widely reposted, Zambreno's blog became an outlet for her highly informed and passionate rants about the fates of the modernist “wives and mistresses.” In her blog entries, Zambreno reclaimed the traditionally pathologized biographies of Vivienne Eliot, Jane Bowles, Jean Rhys, and Zelda Fitzgerald: writers and artists themselves who served as male writers' muses only to end their lives silenced, erased, and institutionalized. Over the course of two years, Frances Farmer Is My Sister helped create a community where today's “toxic girls” could devise a new feminist discourse, writing in the margins and developing an alternative canon. In *Heroines*, Zambreno extends the polemic begun on her blog into a dazzling, original work of literary scholarship. Combing theories that have dictated what literature should be and who is allowed to write it—from T. S. Eliot's New Criticism to the writings of such mid-century intellectuals as Elizabeth Hardwick and Mary McCarthy to the occasional “girl-on-girl crime” of the Second Wave of feminism—she traces the genesis of a cultural template that consistently exiles female experience to the realm of the “minor,” and diagnoses women for transgressing social bounds. “ANXIETY: When she experiences it, it's pathological,” writes Zambreno. “When he does, it's existential.” By advancing the Girl-As-Philosopher, Zambreno reinvents feminism for her generation while providing a model for a newly subjectivized criticism.

**The Book of Heroines** Nov 15 2021 Everybody needs a role model! Discover true stories of superstars, war heroes, world leaders, gusty gals, and everyday women who changed the world. From Sacagawea to Mother Teresa, Annie Oakley to Malala Yousafzai, these famous women hiked up their pants and petticoats and charged full-speed ahead to prove girls are just as tough as boys...maybe even tougher. Complete with amazing images and a fun design, this is the book that every kid with a goal, hope, or dream will want to own.

**Rogue: Untouched** Feb 04 2021 Rogue's frightening new mutant powers keep her at arms-length from the world, but two strangers offer a chance to change her life forever, in this exhilarating Marvel Super Hero adventure Young Rogue's life is a mess: she's on her own, working a terrible diner job and hiding from everyone. The powers she has started to develop are terrifying: when your first kiss almost kills the guy, it's hard to trust anyone – even yourself. Then two people arrive in town who could change her life, and she finally gets a choice: try her luck with the big-haired billionaire who claims to be scouting for gifted interns, or trust the rakish Cajun gambler with the eerie red eyes. But these two aren't the only ones interested in a mutant just coming into her powers. Rogue will have to master her abilities and decide her own fate – before someone else does.

**The Complete Writer's Guide to Heroes and Heroines** Dec 29 2022 Originally published: Hollywood, CA: Lone Eagle Pub., c2000.

Secondary Heroines in Nineteenth-Century British and American Novels Oct 03 2020 Taking up works by Samuel Richardson, James Fenimore Cooper, Sir Walter Scott, and Catharine Maria Sedgwick, among others, Jennifer B. Camden examines the role of female characters who, while embodying the qualities associated with heroines, fail to achieve this status in the story. These "secondary heroines," often the friend or sister of the primary heroine, typically disappear from the action of the novel as the courtship plot progresses, only to return near the conclusion of the action with renewed demands on the reader's attention. Accounting for this persistent pattern, Camden suggests, reveals the cultural work performed by these unusual figures in the early history of the novel. Because she is often a far more vivid character than the heroine of the marriage plot, the secondary heroine inevitably engages the reader's interest in her plight. That the narrative apparently seeks to suppress her creates tension and points to the secondary heroine as a site of contested identity who represents an ideology of womanhood and nationhood at odds with the national ideals represented by the primary heroine, whom the reader is asked to embrace. In showing how the anxiety produced by these ideals is displaced onto the secondary heroine, Camden's study represents an important intervention into the ways in which early novels use character to further ideologies of race, class, sex, and gender.

*Four Biblical Heroines and the Case for Female Authorship* Mar 20 2022 This work examines the lives of four female characters in the Bible: Naomi, Ruth, Tamar and Esther. Their stories differ significantly from those of most female Biblical characters in that each woman is depicted without a dominant male companion and each is featured in the Bible's more secular texts. The author evaluates each character's role as a female protagonist, and demonstrates how each story represents an innovative view of religion and a revisionist evaluation of women's roles. Finally, the author proposes that these narratives may have been authored by women. Appendices provide additional information about Boaz, Judah and Tamar, Greek versions of the Book of Esther, Mordecai's decree, and literacy in ancient Israel. Includes a glossary and timeline.

**Heroines of the Medieval World** Apr 20 2022 The stories of women, famous, infamous and unknown, who shaped the course of medieval history.

**Gothic Heroines on Screen** Jun 22 2022 Gothic Heroines on Screen explores the translation of the literary Gothic heroine on screen, the potential consequences of these adaptations, and contemporary interpretations of the form. Each chapter illuminates the significance of this moving image mediation, relating its screen topics to their various historical, social, and geographical moments of production, while maintaining a focus on the key figure of the investigating woman. Many chapters - perhaps inescapably - delve into the point of adaptation: the Bluebeard story and du Maurier's Rebecca as two key examples. Moving beyond the Old Dark House that frequently forms both the Gothic heroine's backdrop and her area of investigation, some chapters examine alternative locations and their impact on the Gothic heroine, some leave behind the marital thriller to explore what happens when the Gothic meets other genres, such as comedy, while others travel away from the usual Anglo-American contexts to European ones. Throughout the collection, the

Gothic heroine's representation is explored within the medium, which brings together image, movement, and sound, and this technological fact takes on varied significance. What does remain constant, however, is the emphasis on the longevity, significance, and distinctiveness of the Gothic heroine in screen culture.

Heroines, Harpies, and Housewives Nov 03 2020 A novel and female empowering interpretive approach to these artistic archetypes in her analysis of Imaging Women of Consequence in the Dutch Golden Age.

**Heroines of Dixie** Dec 05 2020

*100 More Canadian Heroines* May 29 2020 Following the bestselling 100 Canadian Heroines, Merna Forster presents 100 more stories of amazing women who changed our country. In this second installment of the bestselling Canadian Heroines series, author Merna Forster brings together 100 more incredible stories of great characters and wonderful images. Meet famous and forgotten women in fields such as science, sport, politics, war and peace, and arts and entertainment, including the original Degrassi kids, Captain Kool, hockey star Hilda Ranscombe, and the woman dubbed "the atomic mosquito." This book is full of amazing facts and trivia about extraordinary women. You'll learn about Second World War heroine Joan Fletcher Bamford, who rescued 2,000 Dutch captives from a prison camp in a Sumatran jungle while commanding 70 Japanese soldiers. Hilwie Hamdon was the woman behind the building of Canada's first mosque, and Frances Gertrude McGill was the crime fighter named the "Sherlock Holmes of Saskatchewan." Read on and discover 100 more Canadian heroines and how they've changed our country.

**Verdi and Puccini Heroines** Oct 22 2019 New in paperback! This book comes at a time when opera-lovers, singers, directors, and critics alike are taking a new look at the dramatic soprano heroines created by Giuseppe Verdi and Giacomo Puccini, endeavoring to delve beyond inherited scholarly interpretation and gain a richer understanding of these compelling female characters. Artistically limited by the bel canto musical tradition popular at the time, Verdi launched a new style *dramma per musica* which also demanded a new soprano archetype. This book illustrates the musical evolution of the Verdi and Puccini soprano while illuminating the dramatic scope and power of these great heroines. Avoiding critical reductionism, *Verdi and Puccini Heroines* provides an unprecedented and probing discussion of how these great soprano roles were conceived and executed. Accordingly, the authors take a three-dimensional look at these heroines, examining seven operas: *Il Trovatore*, *La Forza del Destino*, *Aida*, *La Bohème*, *Tosca*, *Madama Butterfly*, and *Turandot*. The chapters, which are fully self-contained analyses, contain translations, illustrative musical examples, supplementary notes, and references to each opera's literary sources. The musical analysis, while thorough, is descriptive and accessible to all levels of readers.

**Heroes and Heroines** Jul 24 2022

**Heroines of Fiction** Mar 27 2020

**Jane Austen's Heroines** Apr 28 2020 First published in 1984, John Hardy's important interpretation of Jane Austen's heroines breaks through the accepted tradition of viewing the author as merely a rational comedienne of manners. He argues instead that Jane Austen's greatness lies in her exploration of human relationships through the subtle and original portrayal of her heroines. Jane Austen's heroines come to enjoy a distinctive relationship with the men they eventually marry. Between her lovers the potential exists for the kind of intimacy that leads to a shared privacy. Austen's recognition of this represents her special insight into what is of central importance in human relationships. Her belief that love and friendship are our only hope of triumphing over solitude, and the character and integrity of her heroines, are the major elements which make Jane Austen's novels so satisfying.

Iroquois Stories Dec 17 2021 An illustrated collection of traditional Iroquois tales about animals, adventures, monsters, and other topics.

**The Heroines** Sep 25 2022 Heroines from literature come to life and visit Anne-Marie's bed and breakfast, where she tries not to interfere with their lives in fear it will change the outcome of their novels.

Heroine Jun 10 2021 A captivating and powerful exploration of the opioid crisis—the deadliest drug epidemic in American history—through the eyes of a college-bound softball star. Edgar Award-winning author Mindy McGinnis delivers a visceral and necessary novel about addiction, family, friendship, and hope. When a car crash sidelines Mickey just before softball season, she has to find a way to hold on to her spot as the catcher for a team expected to make a historic tournament run. Behind the plate is the only place she's ever felt comfortable, and the painkillers she's been prescribed can help her get there. The pills do more than take away pain; they make her feel good. With a new circle of friends—fellow injured athletes, others with just time to kill—Mickey finds peaceful acceptance, and people with whom words come easily, even if it is just the pills loosening her tongue. But as the pressure to be Mickey Catalan heightens, her need increases, and it becomes less about pain and more about want, something that could send her spiraling out of control.

Profiles include mountaineer Phyllis Munday, activist Hide Shimizu, unionist Lea Roback, and movie mogul Mary Pickford.

**The Fragrance of Sweet-Grass** Oct 15 2021 When it originally appeared, Elizabeth Rollins Epperly's *The Fragrance of Sweet-Grass* was one of the first challenges to the idea that L.M. Montgomery's books were unworthy of serious study. Examining all of Montgomery's fiction, Epperly argues that Montgomery was much more than a master of the romance genre and that, through her use of literary allusions, repetitions, irony, and comic inversions, she deftly manipulated the normal conventions of romance novels. Focusing on Montgomery's memorable heroines, from Anne Shirley to Emily Byrd Starr, Valancy Stirling, and Pat Gardiner, Epperly demonstrates that Montgomery deserves a place in the literary canon not just as the creator of *Anne of Green Gables* but as an artist in her chosen profession. Since its publication more than twenty years ago, *The Fragrance of Sweet-Grass* has become a favourite of scholars, writers, and Montgomery fans. This new edition adds a preface in which Epperly discusses the book's contribution to the ongoing research on the life and writing of L.M. Montgomery, reflects on how Montgomery studies have flourished over the past two decades, and suggests new ways to approach and explore the Canadian writer's work.

**Greek Heroine Cults** Aug 01 2020 This is the first book to show that the worship of heroines, as well as of gods and heroes, was widespread in the Greek world from the eighth through the fourth centuries B.C. Drawing upon textual, archaeological, and iconographic evidence as diverse as ancient travel writing, ritual calendars, votive reliefs, and Euripidean drama, Jennifer Larson demonstrates the pervasiveness of heroine cults at every level of Athenian society. Larson reveals that a broad range of heroic cults existed throughout the Greek world, encompassing not only individuals but couples (Pelops and Hippodameia, Alexandra and Agamemnon, Helen and Menelaos) and families such as those of Asklepios and the Dioskouroi. She shows how heroic cults reinforced the Greeks' gender expectations for both women and men through ritual status, iconography, and narrative motifs. Finally, Larson looks at the intersection of heroine cults with specific topics such as myths of maiden sacrifice, the Amazons, the role of the goddess Artemis, and folk beliefs about female "ghosts."

**Homespun Heroines and Other Women of Distinction** Jul 12 2021 Church, school, and club constitute the triumvirate of associations central to the lives of the women chronicled in *Homespun Heroines and Other Women of Distinction*, compiled and edited by Hallie Quinn Brown.

**Heroines and Local Girls** Sep 01 2020 Over the course of the long eighteenth century, a network of some fifty women writers, working in French, English, Dutch, and German, staked out a lasting position in the European literary field. These writers were multilingual and lived for many years outside of their countries of origin, translated and borrowed from each others' works, attended literary circles and salons, and fashioned a transnational women's literature characterized by highly recognizable codes. Drawing on a literary geography of national types, women writers across Western Europe read, translated, wrote, and rewrote stories about exceptional young women, literary heroines who transcend the gendered destiny of their distinctive cultural and national contexts. These transcultural heroines struggle against the cultural constraints determining the sexualized fates of local girls. In *Heroines and*

Local Girls, Pamela L. Cheek explores the rise of women's writing as a distinct, transnational category in Britain and Europe between 1650 and 1810. Starting with an account of a remarkable tea party that brought together Frances Burney, Sophie von La Roche, and Marie Elisabeth de La Fite in conversation about Stéphanie de Genlis, she excavates a complex community of European and British women authors. In chapters that incorporate history, network theory, and feminist literary history, she examines the century-and-a-half literary lineage connecting Madame de Maintenon to Mary Wollstonecraft, including Charlotte Lennox and Françoise de Graffigny and their radical responses to sexual violence. Neither simply a reaction to, nor collusion with, patriarchal and national literary forms but, rather, both, women's writing offered an invitation to group membership through a literary project of self-transformation. In so doing, argues Cheek, women's writing was the first modern literary category to capitalize transnationally on the virtue of identity, anticipating the global literary marketplace's segmentation of affinity-based reading publics, and continuing to define women's writing to this day.
