The True Adventures of Esther the Wonder Pig Mar 16 2022 The true story of social media sensation Esther the Wonder Pig and her two dads that inspired the New York Times bestselling memoir for adults is now available in a

picture book with adorable illustrations and a message of love. When Steve and Derek adopted a mini pig named Esther, they had no idea that she would turn out to be not-so-mini after all. When her new family saw just how big and wonderful Esther really was, they fell in love--and their lives changed forever. Esther would soon grow too large for her bed, and their small apartment. She got into everything, including her neighbor's tasty garden. So the whole family moved from a small apartment to a big farm, where Esther and her animal friends could fit happily (and get into a little less mischief). Eventually, that farm would become the Happily Esther After animal sanctuary, home to rescued animals of all kinds.

Adventures of Pig and Mouse Oct 11 2021 Pig isn't like most pigs. She doesn't like to roll in the mud or get dirty. She likes to watch birds and butterflies. She likes to sing and make up stories. She's a daydreamer. Mouse is a vagabond, always moving to keep safe. When events bring them together, an unlikely friendship forms as they bond over their first adventure: treasure hunting! Pig and Mouse formed an unusual friendship, but maybe it's not unusual at all. If you've ever witnessed a connection between two species, say, a dog and a cat, or a cat and a bird, you already know animals are capable of feeling

love and empathy just like we can. Pig and Mouse's friendship highlights the value of empathy and that differences in size and appearance do not matter. The author invites you to share the story of Pig and Mouse with your children as the touchstone to an important conversation about diversity, empathy, and what's truly important. The inspiration for Pig and Mouse's first adventure was author Kelly Lenihan's own childhood love of collecting treasures from nature: rocks, seed pods, leaf skeletons, feathers, abandoned bird nests, shells, etc. Often, these collections were started on the fly during a trip to the beach or a hike in the woods. Her kids even contributed to her "science museum" throughout their own childhoods. Now that they're grown the collections have been condensed into a large curio cabinet in the author's living room. She still adds the occasional rock, seed pod or feather -- her eyes never stop seeking. To this day, Kelly enjoys examining her collections and showing visitors her latest acquisitions -- the thrill never truly goes away! Like Kelly, kids are drawn to natural items and collecting is a great activity that will help your child to develop important life skills, expand their horizons, and learn about categorizing, sorting and observing. Encouraging collecting -- or enjoying your child's collecting impulse -- can be fun for the whole family. Did you have a collection as a child? Maybe it's time to start that up again!

**The Adventures of Snout the Brown-Snout Pig 26** 2020 The story of the Three Little Pigs is famous, as is their victory over the Big Bad Wolf. But what if there was actually a fourth little pig who was never mentioned? Meet Snout, a brown-snout pig and the fourth sibling of the Three Little Pigs. Snout is lovable, wise, and courageous, but a series of wild adventures will put him to the test. He leaves home to find his way in the big, scary world. He goes to a farm and meets three blind field mice with big dreams. They want to become house mice, but a mean old farmer could stand in their way if Snout doesn't step in. Snout travels even further, though; he makes it to church, to the bank, and even to far off Hollywood! **The Adventures of Snout the Brown-Snout Pig** is a four-volume, sixteen-story collection of

modern fairytales. Through these stories, children learn that nonviolence can be powerful, that strength does not lie in brute force, and that good can triumph over evil. Snout learns, too, as he grows from a little piggy into an adult pig, thanks to his many brave quests and colorful friends.

Esther the Wonder Pig Feb 15 2022 NEW YORK

TIMES BESTSELLERAMAZON BEST BOOK OF THE

YEAR Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, ESTHER THE WONDER PIG follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals.

The Free Pigs Jul 28 2020 You heard the story of the Big Bad Wolf? This story picks up where that story leaves off. It is the tale of The Three Pigs' journey out into the far lands beyond the eastern mountains in search of wild pumpkins, the most delectable treat a pig can enjoy, and one available only once a year. This is the first time the brothers will go so far from home. The journey will introduce them to places and experiences beyond their wildest dreams. They will make new

friends, and run into some old enemies. One thing is for sure. As is true with so much of life, and is certainly true of all adventure, once they make this journey they will never be the same.
