The Plan Aug 08 2021 Bead shop owner Amelia Frothingham has been keeping a secret from everyone she knows. She pretends to be the ultimate care-free bohemian chick, but the truth is, she's the world's biggest control freak. Much to the delight of her Southern family, Amelia's life appears to be smooth sailing. That is, until bad boy rockstar Huck Wiley mysteriously blows into town like a spring tornado. Like every other woman under eighty with a pulse, Amelia's intrigued. So when Huck starts showing up in her shop with flirtation in mind, she finds herself getting sucked into the rock god vortex. But her previous attempts at long-distance love have always ended on a sour note, so Amelia has vowed never to repeat the experience. What Amelia doesn't know is that Huck has a secret of his own, and he has no intention of returning to Los Angeles before he's good and ready. Will Huck stay in town, scattering the beads Amelia has finally gotten sorted? Or will he head back to his glamorous life and take her last chance at spontaneity and love along with him? Find out in this deliciously funny romcom about love and life in Creek Water, Missouri!

*The King Is Always Above the People* Sep 09 2021 LONGLISTED for the 2017 NATIONAL BOOK AWARD FOR FICTION An urgent, essential collection of stories about immigration, broken dreams, Los Angeles gang members, Latin American families, and other tales of high stakes journeys, from the award-winning author of *War by Candlelight* and *At Night We Walk in Circles*. Migration. Betrayal. Family secrets. Doomed love. Uncertain futures. In Daniel Alarcón's hands, these are transformed into deeply human stories with high stakes. In "The Thousands," people are on the move and forging new paths; hope and heartbreak abound. A man deals with the fallout of his blind relatives' mysterious deaths and his father's mental breakdown and incarceration in "The Bridge." A gang member discovers a way to forgiveness and redemption through the haze of violence and trauma in "The Ballad of Rocky Rontal." And in the tour de force novella, "The Auroras", a man severs himself from his old life and seeks to make a new one in a new city, only to find himself seduced and controlled by a powerful woman. Richly drawn, full of unforgettable characters, *The King is Always Above the People* reveals experiences both unsettling and unknown, and yet eerily familiar in this new world.

*Information Resources in Toxicology* Aug 20 2022 This new fifth edition of *Information Resources in Toxicology* offers a consolidated entry portal for the study, research, and practice of toxicology. Both volumes represents a unique, wide-ranging, curated, international, annotated bibliography, and directory of major resources in toxicology and allied fields such as environmental and occupational health, chemical safety, and risk assessment. The editors and authors are among the leaders of the profession sharing their cumulative wisdom in toxicology's subdisciplines. This edition keeps pace with the digital world in directing and linking readers to relevant websites and other online tools. Due to the increasing size of the hardcopy publication, the current edition has been divided into two volumes to make it easier to handle and consult. Volume 1: Background, Resources, and Tools, arranged in 5 parts, begins with chapters on the science of toxicology, its history, and informatics framework in Part 1. Part 2 continues with chapters organized by more specific subject such as cancer, clinical toxicology, genetic toxicology, etc. The categorization of chapters by resource format, for example, journals and newsletters, technical reports, organizations constitutes Part 3. Part 4 further considers toxicology's presence via the Internet, databases, and software tools. Among the miscellaneous topics in the concluding Part 5 are laws and regulations, professional education, grants and funding, and patents. Volume 2: The Global Arena offers contributed chapters focusing on the toxicology contributions of over 40 countries, followed by a glossary of toxicological terms and an appendix of popular quotations related to the field. The book, offered in both print and electronic formats, is carefully structured, indexed, and cross-referenced to enable users to easily find answers to their questions or serendipitously locate useful knowledge they were not originally aware they needed. Among the many timely topics receiving increased emphasis are disaster preparedness, nanotechnology, -omics, risk assessment, societal implications such as ethics and the precautionary principle, climate change, and children's environmental health. Introductory chapters provide a backdrop to the science of toxicology, its history, the origin and status of toxicoinformatics, and starting points for identifying resources. Offers an extensive array of chapters organized by subject, each highlighting resources such as journals, databases, organizations, and

review articles. Includes chapters with an emphasis on format such as government reports, general interest publications, blogs, and audiovisuals. Explores recent internet trends, web-based databases, and software tools in a section on the online environment. Concludes with a miscellany of special topics such as laws and regulations, chemical hazard communication resources, careers and professional education, K-12 resources, funding, poison control centers, and patents. Paired with Volume Two, which focuses on global resources, this set offers the most comprehensive compendium of print, digital, and organizational resources in the toxicological sciences with over 120 chapters contributions by experts and leaders in the field.

Miss Burma Nov 11 2021 “Craig wields powerful and vivid prose to illuminate a country and a family trapped not only by war and revolution, but also by desire and loss.” —Viet Thanh Nguyen, Pulitzer Prize-winning author Miss Burma tells the story of modern-day Burma through the eyes of Benny and Khin, husband and wife, and their daughter Louisa. After attending school in Calcutta, Benny settles in Rangoon, then part of the British Empire, and falls in love with Khin, a woman who is part of a long-persecuted ethnic minority group, the Karen. World War II comes to Southeast Asia, and Benny and Khin must go into hiding in the eastern part of the country during the Japanese occupation, beginning a journey that will lead them to change the country’s history. Years later, Benny and Khin’s eldest child, Louisa, has a danger-filled, tempestuous childhood and reaches prominence as Burma’s first beauty queen soon before the country falls to dictatorship. As Louisa navigates her newfound fame, she is forced to reckon with her family’s past, the West’s ongoing covert dealings in her country, and her own loyalty to the cause of the Karen people. Based on the story of the author’s mother and grandparents, Miss Burma is a captivating portrait of how modern Burma came to be and of the ordinary people swept up in the struggle for self-determination and freedom. “At once beautiful and heartbreaking . . . An incredible family saga.” —Refinery29 “Miss Burma charts both a political history and a deeply personal one—and of those incendiary moments when private and public motivations overlap.” —Los Angeles Times

**The Power of Partnership in Open Government** Mar 23 2020 What the Open Government Partnership tells us about how international initiatives can and do shape domestic public sector reform. At the 2011 meeting of the UN General Assembly, the governments of eight nations—Brazil, Indonesia, Mexico, Norway, Philippines, South Africa, the United Kingdom, and the United States—launched the Open Government Partnership, a multilateral initiative aimed at promoting transparency, empowering citizens, fighting corruption, and harnessing new technologies to strengthen governance. At the time, many were concerned that the Open Government Partnership would end up toothless, offering only lip service to vague ideals and misguided cyber-optimism. The Power of Partnership in Open Government offers a close look, and a surprising affirmation, of the Open Government Partnership as an example of a successful transnational multistakeholder initiative that has indeed impacted policy and helped to produce progressive reform. By 2019 the Open Government Partnership had grown to 78 member countries and 20 subnational governments. Through a variety of methods—document analysis, interviews, process tracing, and quantitative analysis of secondary data—Suzanne J. Piotrowski, Daniel Berliner, and Alex Ingrams chart the Open Government Partnership’s effectiveness and evaluate what this reveals about the potential of international reform initiatives in general. Their work calls upon scholars and policymakers to reconsider the role of international institutions and, in doing so, to differentiate between direct and indirect pathways to

transnational impact on domestic policy. The more nuanced and complex processes of the indirect pathway, they suggest, have considerable but often overlooked potential to shape policy norms and models, alter resources and opportunities, and forge new linkages and coalitions—in short, to drive the substantial changes that inspire initiatives like the Open Government Partnership.

**The Governor General's Literary Awards of Canada** Apr 16 2022 The definitive bibliography of Canada's Governor General's Literary Awards Alice Munro, Michael Ondaatje, Margaret Atwood, Antonine Maillet, Carol Shields, Marie-Claire Blais, Gilles Vigneault... For over three quarters of a century, the Governor General's Literary Awards have been instrumental in recognizing many of Canada's best authors, illustrators and translators. The result is impressive: between 1936 and 2017, 705 titles have been recognized with this prestigious award. With careful attention to detail, Andrew Irvine presents the history and evolution of the Awards and extols their importance for the careers of authors, illustrators and translators, as well as for the development of Canada's national literature. The heart of the book contains the first comprehensive bibliography of the awards, including the first list of winning books organized according to their historically correct award categories; information about five books wrongly omitted from previous lists of winning titles; detailed information about award ceremonies, film adaptations and jury members; and other key information. This is a seminal work that belongs on the shelf of every scholar and every lover of Canadian literature. This book is published in English. - Une bibliographie incontournable des Prix littéraires du Gouverneur général du Canada Alice Munro, Margaret Atwood, Antonine Maillet, Carol Shields, Marie-Claire Blais, Michael Ondaatje, Gilles Vigneault... Les écrivains canadiens sont depuis longtemps encensés sur la scène nationale comme à l'échelle mondiale, et les Prix du Gouverneur général jouent un rôle clé dans la reconnaissance de certains de nos meilleurs auteurs, illustrateurs et traducteurs. La liste est impressionnante : ce prestigieux prix a récompensé 705 oeuvres entre 1936 et 2017. Avec un souci minutieux au détail, Andrew Irvine présente l'histoire et l'évolution des Prix et vante leurs vertus indispensables à la carrière des écrivains et des traducteurs ainsi que dans l'élaboration d'une littérature nationale au Canada. Cette bibliographie est la toute première recension complète des Prix littéraires du Gouverneur général et donne des renseignements détaillés au sujet des cérémonies, des adaptations cinématographiques, des membres des jurys ainsi que d'autres informations clés. Le livre présente aussi une copie exhaustive et exacte de données bibliographiques tirées d'archives, une première dans le monde de l'édition. En somme, une référence incontournable. Ce livre est publié en anglais.

**The Leavers (National Book Award Finalist)** Sep 21 2022 FINALIST FOR THE 2017 NATIONAL BOOK AWARD FOR FICTION Named a Best Book of 2017 by NPR, Entertainment Weekly, the Los Angeles Times, BuzzFeed, Bustle, and Electric Literature “There was a time I would have called Lisa Ko’s novel beautifully written, ambitious, and moving, and all of that is true, but it’s more than that now: if you want to understand a forgotten and essential part of the world we live in, *The Leavers* is required reading.” —Ann Patchett, author of *Commonwealth* Lisa Ko’s powerful debut, *The Leavers*, is the winner of the 2016 PEN/Bellwether Prize for Fiction, awarded by Barbara Kingsolver for a novel that addresses issues of social justice. One morning, Deming Guo’s mother, Polly, an undocumented Chinese immigrant, goes to her job at a nail salon—and never comes home. No one can find any trace of her. With his mother gone, eleven-year-old Deming is left mystified and bereft. Eventually adopted by a pair of well-meaning white professors, Deming is moved from the Bronx to a small town upstate and renamed Daniel Wilkinson. But far from all he’s ever known, Daniel struggles to reconcile his adoptive parents’ desire that he assimilate with his memories of his mother and the community he left behind. Told from the perspective of both Daniel—as he grows into a directionless young man—and Polly, Ko’s novel gives us one of fiction’s most singular mothers. Loving and selfish, determined and frightened, Polly is forced to make one heartwrenching choice after another. Set in New York and China, *The Leavers* is a vivid examination of borders and belonging. It’s a moving story of how a boy comes into his own when everything he loves is taken away, and how a mother learns to live with the mistakes of the past.

**Prizing Scottish Literature** Oct 18 2019 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life. It is one piece of the wider cultural award puzzle and illustrates how, far from being parochial or niche, lesser-known awards, whose histories may

be yet untold, play their own role in the circulation of cultural value through the consecration of literary value. The study of the Society's Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards, and their founding institutions, can be products of the socio-political and cultural milieu in which they form, but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon. This book promotes a new approach to considering literary prizes, proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary, and indeed cultural, prizes more broadly.

**Beyond Belief** Sep 28 2020 This interdisciplinary book explores the science and spirituality nexus in the Pacific Islands Region and as such makes a critical contribution to sustainable climate change adaptation in Oceania. In addition to presenting case studies, literary analyses, field projects, and empirical research, the book describes faith-engaged approaches through the prism of: • Context: past, present, and future prospects • Theory: concepts, narratives, and theoretical frameworks • Practice: empirical research and praxis-informed case examples • Doctrine: scriptural contributions and perspectives • Engagement: enlisting religious stakeholders and constituencies Comprising peer-reviewed works by scholars, professionals, and practitioners from across Oceania, the book closes a critical gap in the literature and represents a groundbreaking contribution to holistic climate change adaptation in the Pacific Islands Region that is scientifically sound, spiritually attuned, locally meaningful, and contextually compelling.

**I Am Not Your Perfect Mexican Daughter** Oct 30 2020 #1 NEW YORK TIMES BESTSELLER • A “stunning” (America Ferrera) YA novel about a teenager coming to terms with losing her sister and finding herself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. “Alive and crackling—a gritty tale wrapped in a page-turner.”—The New York Times Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend Lorena, and her first love, first everything boyfriend Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

**Grant** Jul 19 2022 The #1 New York Times bestseller and New York Times Book Review 10 Best Books of 2017 “Eminently readable but thick with import . . . Grant hits like a Mack truck of knowledge.” —Ta-Nehisi Coates, The Atlantic Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our most compelling generals and presidents, Ulysses S. Grant. Ulysses S. Grant's life has typically been misunderstood. All too often he is caricatured as a chronic loser and an inept businessman, or as the triumphant but brutal Union general of the Civil War. But these stereotypes don't come close to capturing him, as Chernow shows in his masterful biography, the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency. Before the Civil War, Grant was flailing. His business ventures had ended dismally, and despite distinguished service in the Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness. But in war, Grant began to realize his remarkable potential, soaring through the ranks of the Union army, prevailing at the battle of Shiloh and in the Vicksburg campaign, and ultimately defeating the legendary Confederate general Robert E. Lee. Along the way, Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort. Grant's military fame translated into a two-term presidency, but one plagued by corruption scandals involving his closest staff members. More important, he sought freedom and justice for black Americans, working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass, who called him “the vigilant, firm, impartial, and wise protector of my race.” After his presidency, he was again brought low by a dashing young swindler on Wall Street, only to resuscitate his image by working with Mark Twain to publish his memoirs, which are recognized as a masterpiece of the genre. With lucidity, breadth, and meticulousness, Chernow finds the threads that bind these disparate stories together, shedding new light on the man whom Walt Whitman described as “nothing heroic... and yet the greatest hero.” Chernow's probing portrait of Grant's lifelong struggle with alcoholism transforms our understanding of the man at the deepest level. This is America's greatest biographer, bringing movingly to life one of our finest but most underappreciated presidents. The definitive biography, Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all sides of Grant's life, explaining how this simple Midwesterner could at once be so ordinary and so extraordinary. Named one of the best books of the year by Goodreads • Amazon • The New York Times • Newsday • BookPage • Barnes and Noble • Wall Street Journal

Status and Organizations Dec 20 2019 This book examines social status as a social mechanism and a social fact that strongly shapes how markets and organizations are regulated, managed, and preserved over time. The first part of this book identifies a number of organizational issues and managerial concerns that can be framed as being a matter of the cognitive perspectives of social actors, and better explained on the basis of such conditions. The second part demonstrates the analytical value of the concept of status in a variety of organizational settings and market contexts. In the three empirical settings, status does play a key role when resources such as legitimacy (in urban development projects), revenues from sales (in video game marketing), and access to venture capital (in life science companies) are distributed. This book summarizes and

reviews the academic literature on status and organization studies, as well as providing valuable information for researchers conducting empirical testing. It will be of great interest to students and scholars of Organizations and Social Systems.

**Museum Activism** Jul 27 2020 Only a decade ago, the notion that museums, galleries and heritage organisations might engage in activist practice, with explicit intent to act upon inequalities, injustices and environmental crises, was met with scepticism and often derision. Seeking to purposefully bring about social change was viewed by many within and beyond the museum community as inappropriately political and antithetical to fundamental professional values. Today, although the idea remains controversial, the way we think about the roles and responsibilities of museums as knowledge based, social institutions is changing. *Museum Activism* examines the increasing significance of this activist trend in thinking and practice. At this crucial time in the evolution of museum thinking and practice, this ground-breaking volume brings together more than fifty contributors working across six continents to explore, analyse and critically reflect upon the museum's relationship to activism. Including contributions from practitioners, artists, activists and researchers, this wide-ranging examination of new and divergent expressions of the inherent power of museums as forces for good, and as activists in civil society, aims to encourage further experimentation and enrich the debate in this nascent and uncertain field of museum practice. *Museum Activism* elucidates the largely untapped potential for museums as key intellectual and civic resources to address inequalities, injustice and environmental challenges. This makes the book essential reading for scholars and students of museum and heritage studies, gallery studies, arts and heritage management, and politics. It will be a source of inspiration to museum practitioners and museum leaders around the globe.

The Dream Oct 10 2021 Ashley has loved the same boy since high school. She knew Davis Frothingham was special even before he championed her at her senior prom. She also knew he was completely out of her league. Years later, her attraction for him is still there, but Davis? He doesn't even remember her. When Ashley is tasked with being the nurse for Davis' terminally ill grandmother, she's thrown back into his world. More than anything, she wants him to remember her, but that recollection could come at a price of its own. Can Ashley accept that she's good enough for Davis? And can Davis learn to love a girl from the wrong side of the tracks? Find out in this delightfully fun romcom about love and life in Creek Water, Missouri!

A New York Times Notable Book \* A Time Magazine Best YA Book Of All Time\* Publishers Weekly Flying Start \* Publishers Weekly Best Book of the Year \* ALA Booklist Editors' Choice of 2017 (Top of the List winner) \* School Library Journal Best Book of the Year \* Kirkus Best Book of the Year \* BookPage Best YA Book of the Year An evocative and powerful coming-of-age story perfect for fans of Nicola Yoon and Jason Reynolds In this stunning debut novel, Pushcart-nominated author Ibi Zoboi draws on her own experience as a young Haitian immigrant, infusing this lyrical exploration of America with magical realism and vodou culture. On the corner of American Street and Joy Road, Fabiola Toussaint thought she would finally find une belle vie—a good life. But after they leave Port-au-Prince, Haiti, Fabiola's mother is detained by U.S. immigration, leaving Fabiola to navigate her loud American cousins, Chantal, Donna, and Princess; the grittiness of Detroit's west side; a new school; and a surprising romance, all on her own. Just as she finds her footing in this strange new world, a dangerous proposition presents itself, and Fabiola soon realizes that freedom comes at a cost. Trapped at the crossroads of an impossible choice, will she pay the price for the American dream?

*Dark at the Crossing* Dec 24 2022 NATIONAL BOOK AWARD FINALIST “Transports readers into a world few Americans know” —Washington Post A timely new novel of stunning humanity and tension: a contemporary love story set on the Turkish border with Syria. Haris Abadi is a man in search of a cause. An Arab American with a conflicted past, he is now in Turkey, attempting to cross into Syria and join the fight against Bashar al-Assad's regime. But he is robbed before he can make it, and is taken in by Amir, a charismatic Syrian refugee and former revolutionary, and Amir's wife, Daphne, a sophisticated beauty haunted by grief. As it becomes clear that Daphne is also desperate to return to Syria, Haris's choices become ever more wrenching: Whose side is he really on? Is he a true radical or simply an idealist? And will he be able to bring meaning to a life of increasing frustration and helplessness? Told with compassion and a deft hand, *Dark at the Crossing* is an exploration of loss, of second chances, and of why we choose to believe—a trenchantly observed novel of raw urgency and power. “Promises to be one of the most essential books of 2017” —Esquire

**The Social Media in Practice Excellence Awards 2017: An Anthology of Case Histories** May 05 2021 Giving visibility to interesting or leading edge applications of social media is the objective of the Social Media in Practice Excellence Awards Competition. We have been looking for effective social media applications in business or in the public sector. The call for case histories was announced in late 2015 and 20 submissions were received describing on an outline basis a social media initiative. 15 contributors were invited to forward a full case history. A panel of judges chose the case history finalists who are invited to present their work at the 4th European Conference on Social Media, in Vilnius, Lithuania in July 2017. The emphasis of the successful case histories is on innovative, creative and effective social media applications and the finalists published in this book are demonstrating this. Submissions to the competition this year are widespread with contributions from Austria, China, India, the USA and the UK. The initiatives are also diverse, and include a customer engagement application in China, The FOSSIL Project from the United States that uses social paleontology to bring together paleontologists from across the spectrum of expertise, the EDINA Digital Footprint Consultancy & Training Service from the UK, the Traditions Challenge which encourages student participation in school activities from the USA, a system using Digital Natives' Everyday Social Media Behaviour to Anticipate Their Acceptance of Technology Innovations In Business from Austria and a case history looking at Social Big Data Processing.
