*Ancient Egyptian Roots of Christianity, Expanded 2nd Edition* Jul 06 2021 Egyptian roots of Christianity, both historically and spiritually. This book reveals the Ancient Egyptian roots of Christianity, both historically

and spiritually. This Expanded Version of the book consists of three parts to coincide with the terms of trinity. The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent characters. The second part demonstrates that the accounts of the “historical Jesus” are based entirely on the life and death of the Egyptian Pharaoh, Twt/Tut-Ankh-Amen. The third part demonstrates that the “Jesus of Faith” and the Christian tenets are all Egyptian in origin—such as the essence of the teachings/message, the creation of the universe and man (according to the Book of Genesis), as well as the religious holidays. The very thing that is now called the Christian religion was already in existence in Ancient Egypt, long before the adoption of the New Testament. The British Egyptologist, Sir E. A. Wallis Budge, wrote in his book, *The Gods of the Egyptians* [1969], The new religion (Christianity) which was preached there by St. Mark and his immediate followers, in all essentials so closely

resembled that which was the outcome of the worship of Osiris, Isis, and Horus. The similarities, noted by Budge and everyone who has compared the Egyptian Osiris/Isis/ Horus allegory to the Gospel story, are striking. Both accounts are practically the same, e.g. the supernatural conception, the divine birth, the struggles against the enemy in the wilderness, and the resurrection from the dead to eternal life. The main difference between the “two versions”, is that the Gospel tale is considered historical and the Osiris/Isis/Horus cycle is an allegory. The spiritual message of the Ancient Egyptian Osiris/Isis/Horus allegory and the Christian revelation is exactly the same. The British scholar A.N. Wilson pointed out in his book, *Jesus: The Jesus of History and the Christ of Faith* are two separate beings, with very different stories. It is difficult enough to reconstruct the first, and in the attempt we are likely to do irreparable harm to the second. This book will demonstrate that the “Jesus of

History”, the “Jesus of Faith”, and the tenets of Christianity are all Ancient Egyptian. This will be done without causing any “irreparable harm” as per A.N. Wilson’s concern, for two main reasons: Firstly, the truth must be told. Secondly, explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity. This Expanded Version of the book consists of three parts to coincide with the terms of trinity—the Three that are Two that are One. The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals. The second part demonstrates that the accounts of the “historical Jesus” are based entirely on the life and death of the Egyptian Pharaoh, Twt/Tut-Ankh-Amen. The third part demonstrates that the “Jesus of Faith” and the Christian tenets are all Egyptian in origin—such as the essence of the teachings/message, the creation of the universe and man (according to the Book of Genesis), as well as the religious holidays. There is an

undeniable irony and a profound, deep, undeniable truth in Hosea's prophetic saying, Out of Egypt have I called my Son. A deep irony indeed. Let us open our minds and review the available evidence. For the truth is a composite of different and complementary pieces of a puzzle. Let us put the pieces in the right location, time and order.

Beyond the Nile Nov 10 2021 From about 2000 BCE onward, Egypt served as an important nexus for cultural exchange in the eastern Mediterranean, importing and exporting not just wares but also new artistic techniques and styles. Egyptian, Greek, and Roman craftsmen imitated one another's work, creating cultural and artistic hybrids that transcended a single tradition. Yet in spite of the remarkable artistic production that resulted from these interchanges, the complex vicissitudes of exchange between Egypt and the Classical world over the course of nearly 2500 years have not been comprehensively explored in a major

exhibition or publication in the United States. It is precisely this aspect of Egypt's history, however, that *Beyond the Nile* uncovers. Renowned scholars have come together to provide compelling analyses of the constantly evolving dynamics of cultural exchange, first between Egyptians and Greeks—during the Bronze Age, then the Archaic and Classical periods of Greece, and finally Ptolemaic Egypt—and later, when Egypt passed to Roman rule with the defeat of Cleopatra. *Beyond the Nile*, a milestone publication issued on the occasion of a major international exhibition, will become an indispensable contribution to the field. With gorgeous photographs of more than two hundred rare objects, including frescoes, statues, obelisks, jewelry, papyri, pottery, and coins, this volume offers an essential and interdisciplinary approach to the rich world of artistic cross-pollination during antiquity.

**Egyptian Origin of the Book of Revelation**  
Sep 27 2020 This in-depth treatise presents

conclusive evidence for an extremely close relationship between ancient Egyptian religious beliefs and the Book of Revelation. Practically all characters, scenes and series of scenes found in Revelation have parallels in mainstream Egyptian sources, including the Book of the Dead, the Amduat, Book of Gates, Book of Aker, Books of the Heavens and others. Parallel characters include Egypt's Apophis as Revelation's Satan while situations and activities in scenes include the judgment scene and singers by a lake of fire. Parallel sequences of scenes include those found in the 2nd to 12th Divisions of the Book of Gates and most of Revelation's Chapters 15-21. Allusions to the Book of Dead are common. Finally, a key conclusion: the entire structure of the Book of Revelation can be accounted for in the organization of text and paintings on the walls and ceilings of the tomb of Ramesses VI in Egypt's Valley of the Kings. Fully referenced to enable critical review. See [revorigin.com](http://revorigin.com)

*Isis* Mar 22 2020 All hail the queen! This empowering and engaging narrative tells the story of Isis, the legendary goddess who ruled over the other gods and goddesses in Ancient Egypt. Hear compelling myths of Isis's great power and learn where she fit in a family of gods. Additional facts explore Isis's role in Ancient Egypt and how the goddess's influence appears in popular culture today.

### **Ancient Egyptian Magic: A Hands-On Guide**

Apr 03 2021 An entertaining and informative introduction to how ancient Egyptians practiced magic in their daily lives. In the ancient world, if you needed a love charm, wanted to contact your dead wife, or needed the ability to fly like a bird, the magicians of Egypt were the ones who could make it happen. In *Ancient Egyptian Magic*, Christina Riggs explores how the Egyptians thought about magic, who performed it and why, and also helps readers understand why we've come to think of ancient Egypt in such a mystical way. Readers will learn how to cure scorpion

bites, discover why you might want to break the legs off your stuffed hippopotamus toy, and uncover whether mummies really can come back to life. Readers can also learn how to save a fortune on pregnancy tests—urinating on barley grains will answer that question— as well as how to use the next street parade to predict the future or ensure that an annoying neighbor gets his comeuppance. Was magic harmless fun, heartfelt hope, or something darker? Featuring demons, dream interpreters, the Book of the Dead, and illustrations from tomb paintings and papyrus scrolls, Riggs breathes new life into ancient magic and uses early texts and images to illuminate the distinctions between magic, religion, and medicine.

The Egyptian Book of the Dead Sep 20 2022  
Reissue of the legendary 3,500-year-old Papyrus of Ani, the most beautiful of the ornately illustrated Egyptian funerary scrolls ever discovered, restored in its original sequences of text and artwork.

The Moses Mystery Jul 18 2022 Using extensive research into biblical and Egyptian history, archaeology, literature, and mythology, Greenberg argues that the first Israelites were Egyptians, followers of the monotheistic teachings of Pharaoh Akhenaten.

*The Egyptian Heaven and Hell* Jul 26 2020 The Egyptian Heaven and Hell is a three-volume series, presented here in one convenient text, about the Egyptian underworld, or world of the dead. According to Egyptian mythology, the region of Tuat was where the people of this world went after death, and where the Sun God Ra traveled in his boat after dark. A description of this world was inscribed on the walls of tombs. Volume I of the series contains the complete hieroglyphic text and English translation of the Book Am-Tuat. Volume II contains the complete text and translation of Book of Gates, as well as the text and translation of the short form of Book Am-Tuat. Volume III contains information on the origin and contents

of the Books of the Other World and a full index to Volumes I, II, and III. This comprehensive work is essential to students of Egyptian mythology and Wallis Budge. SIR ERNEST ALFRED THOMPSON WALLIS BUDGE (1857-1934) was born in Bodmin, Cornwall in the UK and discovered an interest in languages at a very early age. Budge spent all his free time learning and discovering Semitic languages, including Assyrian, Syriac, and Hebrew. Eventually, through a close contact, he was able to acquire a job working with Egyptian and Iraqi artifacts at the British Museum. Budge excavated and deciphered numerous cuneiform and hieroglyphic documents, contributing vastly to the museum's collection. Eventually, he became the Keeper of his department, specializing in Egyptology. Budge wrote many books during his lifetime, most specializing in Egyptian life, religion, and language. [Egyptian Book of the Dead](#) Jan 24 2023 A deluxe gift edition of The Egyptian Book of the Dead,

beautifully presented with delicate gold embossing and gilded page edges. This ancient funerary text contains a collection of spells, prayers and incantations designed to guide the departed through the perils of the underworld. Written to ensure eternal life, these scrolls were often left in the sarcophagus of the deceased and now offer fascinating insight into Egyptian culture. This beautifully illustrated edition contains images from the exquisite Papyrus of Ani, an ancient Egyptian scroll narrating the journey of Theban scribe Ani through the underworld. Its accompanying hieroglyphic text has been translated by acclaimed Egyptologist E.A Wallis Budge, and includes spells addressed to ferryman, gods and kings to aid Ani on his way to the afterlife. This compact gilded hardback edition makes a wonderful gift. ABOUT THE SERIES: Arcturus Ornate Classics are beautifully bound gifts editions of iconic literary works across history. These compact, foil-embossed hardbacks are richly illustrated and

printed using deluxe ivory paper.

**Egyptian Religion** Oct 29 2020 Providing an in-depth study of myths, rituals and deities, this book is the history of the extraordinary religion of Ancient Egypt, often perceived as a forerunner of Christianity with its similar icons and emphasis on resurrection and the afterlife.

**The Book of the Dead** Apr 22 2020 Sheds light upon ancient Egyptian burial customs and beliefs pertaining to life after death

**Legends of the Egyptian Gods** Feb 25 2023 Nine of the most interesting Egyptian legends in hieroglyphic texts with literal translations on facing pages. The Legend of Creation, The Legend of the Destruction of Mankind, 7 more. 19 illustrations.

**The Book of the Dead** Oct 21 2022

**The Egyptian Book of Life** Oct 17 2019 The Egyptian "Book of Life, " which is mistakenly translated as the "Book of the Dead, " is the only living record of the twofold mystery--of life and death. Dr. Seleem maintains that this tradition is

not dead and irrelevant but vital and alive to this day. He translates ancient Egyptian texts here, lavishly illustrated including facsimile plates from the original papyrus books, and colorful hieroglyphics.

**The Book of the Dead** Jun 17 2022

*Ancient Egyptian Religion* Jun 05 2021 Fascinating study finds underlying unity in Egyptian religions — the concept of the changeless. Relation of religion to Egyptian society, government, art, more. 32 halftones.

**Egypt and the Egyptians** May 04 2021 Surveying more than three thousand years of Egyptian civilization, Egypt and the Egyptians offers a comprehensive introduction to this most rich and complex of early societies. From high politics to the concerns of everyday Egyptians, the book explores every aspect of Egyptian culture and society, including religion, language, art, architecture, cities, and mummification. Archaeological and documentary sources are combined to give the reader a unique and

expansive view of a remarkable ancient culture. Fully revised and updated, this new edition looks more closely at the role of women in Egypt, delves deeper into the Egyptian Neolithic and Egypt's transition to an agricultural society, and includes many new illustrations. Written for students and the general reader, and including an extensive bibliography, a glossary, a dynastic chronology and suggestions for further reading, this richly illustrated book is an essential resource for anybody wishing to explore the society and civilization of ancient Egypt.

*Moses and Akhenaten* Mar 02 2021 A reinterpretation of biblical and Egyptian history that shows Moses and the Pharaoh Akhenaten to be one and the same. • Provides dramatic evidence from both archaeological and documentary sources. • A radical challenge to long-established beliefs on the origin of Semitic religion. During his reign, the Pharaoh Akhenaten was able to abolish the complex pantheon of the ancient Egyptian religion and

replace it with a single god, the Aten, who had no image or form. Seizing on the striking similarities between the religious vision of this "heretic" pharaoh and the teachings of Moses, Sigmund Freud was the first to argue that Moses was in fact an Egyptian. Now Ahmed Osman, using recent archaeological discoveries and historical documents, contends that Akhenaten and Moses were one and the same man. In a stunning retelling of the Exodus story, Osman details the events of Moses/Akhenaten's life: how he was brought up by Israelite relatives, ruled Egypt for seventeen years, angered many of his subjects by replacing the traditional Egyptian pantheon with worship of the Aten, and was forced to abdicate the throne. Retreating to the Sinai with his Egyptian and Israelite supporters, he died out of the sight of his followers, presumably at the hands of Seti I, after an unsuccessful attempt to regain his throne. Osman reveals the Egyptian components in the monotheism preached by Moses as well as his

use of Egyptian royal ritual and Egyptian religious expression. He shows that even the Ten Commandments betray the direct influence of Spell 125 in the Egyptian Book of the Dead. Moses and Akhenaten provides a radical challenge to long-standing beliefs concerning the origin of Semitic religion and the puzzle of Akhenaten's deviation from ancient Egyptian tradition. In fact, if Osman's contentions are correct, many major Old Testament figures would be of Egyptian origin.

[How To Read The Egyptian Book Of The Dead](#)  
Nov 22 2022 The Egyptians created a world of supernatural forces so vivid, powerful and inescapable that controlling one's destiny within it was a constant preoccupation. In life, supernatural forces manifested themselves through misfortune and illness, and after death were faced for eternity in the Otherworld, along with the divine gods who controlled the universe. The Book of the Dead empowered the reader to overcome the dangers lurking in the

Otherworld and to become one with the gods who governed. Barry Kemp selects a number of spells to explore who and what the Egyptians feared and the kind of assistance that the Book offered them, revealing a relationship between the human individual and the divine quite unlike that found in the major faiths of the modern world.

**Mysteries of the Egyptian Pyramids** Jun 24 2020 Massive pyramids tower over the Giza Plateau near Cairo, Egypt. Built in the Bronze Age, these immense stone structures were engineered with remarkable precision. How did the ancient Egyptians construct them without the use of modern tools? Why were they built? Throughout the centuries, historians and archaeologists have studied the pyramids and other Egyptian artifacts in search of possible answers to these questions. The pyramids are filled with mysterious doors and passageways—what other secrets and treasures might lie inside? Find out more about the myths,

science, and technology surrounding the creation and exploration of the Egyptian pyramids.

**Egyptian Texts of the Bronzebook** Dec 11 2021 The Egyptian Texts of The Bronzebook: The First Six Books of The Kolbrin Bible is all that remains of a 3600-year old anthology penned by Egyptian academicians and scribes after the Hebrew Exodus. The result of a regional search for the one true G-d of Abraham, it offers alternate accounts of Exodus and Noah's Flood. Written in Egyptian Hieratic, first translated to Phoenician and then into English, it describes a planet the Egyptians called the "Destroyer." According to recently translated Sumerian texts, this object (also known as Nibiru or Planet X) is in a 3600-year orbit around our sun. The Egyptians say it caused Noah's Flood and the Plagues of Exodus. Like the Druids, Sumerians and Mayans, they also warn us of its imminent return and of yet another Biblical tribulation. The "Other" Exodus

Story While there are parallels to the Exodus story of the Torah (Old Testament), the Egyptian accounts tell us that: The Ten Plagues of Exodus were caused by the flyby of a planet through our solar system. Pharaoh and his army perished at the Red Sea after slaughtering over half the Jews. The Ten Plagues of Exodus were all parts of the same natural global disaster. Following the Red Sea debacle, Egypt paid dearly to repel an bloody invasion from the South. Shaken to their national core, the Egyptians conducted the first regional anthropological and historical study of the Middle East. Their aim was to find clues that would lead them to the one true G-d of Abraham, and they published their initial findings in a 21-volume work titled The Great Book. During the last millennium BCE, Phoenician papyrus traders translated The Great Book from Egyptian Hieratic into their own 22-letter alphabet and entrusted a copy to the Celtic priests in Britain. After the death of Jesus, Joseph of Arimathea (his great uncle on the side

of Joseph) founded the Glastonbury Abbey. It became the repository for these texts as well as those authored by Celtic priests, and in 1184 CE, English King Henry II ordered an attack on the Abbey. The surviving priests secreted the remaining texts to Scotland where they were translated into English and eventually merged to create The Kolbrin Bible. Related Title - The Celtic Texts of the Coelbook: The Last Five books of The Kolbrin Bible A historical treasure trove of ancient Celtic and Druid folklore, philosophy and mysticism. Penned by Celtic priests in the first millennium CE, it includes a never-before published biographical sketch of Jesus Christ with several first-person quotes by Jesus, himself. Related Title - The Kolbrin Bible: 21st Century Master Edition The Kolbrin Bible dates back 3600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs. This 11-book secular anthology is nearly as large as the King James Bible.

The Egyptian Book of the Dead Sep 08 2021 The Papyrus of Ani is a papyrus manuscript with cursive hieroglyphs and illustrations created c. 1250 BCE, in the 19th dynasty of the New Kingdom of ancient Egypt. Egyptians compiled an individualized book for certain people upon their death, called the Book of Going Forth by Day, more commonly known as the Book of the Dead, typically containing declarations and spells to help the deceased in their afterlife. The Papyrus of Ani is the manuscript compiled for the Theban scribe Ani. It was stolen from an Egyptian government storeroom in 1888 by Sir E. A. Wallis Budge, as described in his two-volume *By Nile and Tigris*, for the collection of the British Museum where it remains today. Before shipping the manuscript to England, Budge cut the seventy-eight foot scroll into thirty-seven sheets of nearly equal size, damaging the scroll's integrity at a time when technology had not yet allowed the pieces to be put back together. This Papyrus of Ani, a full

version of the Theban recension, is presented here by Dr. Budge, who later became perhaps the world's most renowned Egyptologist. Reproduced in full are a clear copy of the Egyptian hieroglyphs, an interlinear transliteration of their sounds (as reconstructed), a word-for-word translation, and separately a complete smooth translation. All this is preceded by an introduction of more than 150 pages. As a result of this multiple apparatus the reader has a unique opportunity to savor all aspects of the Book of the Dead, or as it is otherwise known, The Book of the Great Awakening.

*Journey Through the Afterlife* May 16 2022 With contributions from leading scholars and detailed catalog entries that interpret the spells and painted scenes, this fascinating and important work affords a greater understanding of ancient Egyptian belief systems and poignantly reveals the hopes and fears about the world beyond death.

*Land of Punt: In Search of the Divine Land of the Egyptians* Feb 19 2020 The Land of Punt was an ancient trading partner of Egypt. It was known for producing and exporting gold, incense, aromatic resins, ebony, ivory, tortoise shells and wild animals. The region is known from ancient Egyptian records of trade expeditions to it. The ancient Egyptians called the Land of Punt the Divine Land or the Land of Gods. When interpreted as "holy land" or "land of the ancestors", meant that the ancient Egyptians viewed the Land of Punt as their ancestral homeland, and its location is toward the sunrise, the abode of the sun god Ra. The exact location of the Land of Punt is unknown. Through the centuries debate goes on with scholars and historians on every side offering plausible supports for their claims. After gathering abundance of converging evidence, the author argues that the Land of Punt is located in Sumatera, Indonesia. In connection with the Land of Punt as the ancestral land of the ancient

Egyptians, it can be concluded that the Divine Land or the ancestral land of the Egyptians is Sumatera.

*Ancient Egypt* Dec 31 2020 Explore the History and Mythology of the Egyptian Kingdom! There are many mysteries of the ancient Egyptian empire and dynasties. Archaeologists and Egyptologists have been studying the artifacts and ruins for centuries, and there is still much left to learn. The body of Cleopatra VII, who was the last ruler of Egypt and is one of the most famed people in history, has never been discovered. Yet, there have been many amazing discoveries, such as the tomb of King Tutankhamun or King Tut, which was discovered fully intact and full of amazing artifacts, engravings, and history. The Egyptians have a rich history, and the ancient Egyptians were able to develop this in near isolation, meaning they had a truly unique belief system, rulership, and craftsmanship. While influences from Greece and Rome may have affected Egypt later on due

to their long history of isolation of developing their social, political, and religious systems, they still stayed much the same and kept the essence of what was most important to them. While doing this, the ancient Egyptians also used the opportunities of foreigners, such as the Greek settlers, to trade and learn more effective battle practices. Learning to adapt while keeping their traditions close enabled the Egyptians to strengthen their kingdom and keep a hold on their country for thousands of years, until it fell from the Roman invasion. Through exploring the ancient Egyptian ruins and tombs, we have been able to learn much about their way of life, views of the afterlife, religious beliefs, dynasties, invasions from foreign kingdoms, battle tactics, family, and more... In this book you will find: How Egypt came to become the first empire The creation myth of Amun-Ra, Osiris, and Set A timeline of the entire reign of the Egyptian dynastic periods, from the Old Kingdom to Roman Egypt The Heliopolitan Ennead and its

importance Details on some of the most important gods including Ra, Amun-Ra, Anubis, Bastet, Isis, and Sekhmet Details on the life of some of the most prominent kings including Menes, Cheops, Amenemhet I, Tuthmosis I and III, Akhenaten, Ramesses II and III, and Ptolemy I Soter The lives of some of the most important queens and how they gained power including Khentkawes I, Ahmose-Nefertari, Hatshepsut, Tiye, Nefertiti, and the famed Cleopatra VII How the pyramids and temples were built Busting the myth that the slaves built the pyramids One of the most prominent myths of the afterlife How the water levels of the Nile caused either prosperity or disaster The daily lives of Egyptians, how they farmed, their family dynamic, and hygiene And more... Don't wait another moment to enjoy from this information - Get your copy of Ancient Egypt right away!

**The Egyptian Book of the Dead** Jan 20 2020  
Includes a new translation of the original texts which uncovers a mystical teaching underlying

the sayings and rituals instituted by the Ancient Egyptian Sages and Saints.

**Awakening Osiris** Dec 23 2022 The Egyptian Book of the Dead is one of the oldest and greatest classics of Western spirituality. Until now, the available translations have treated these writings as historical curiosities with little relevance to our contemporary situation. This new version, made from the hieroglyphs, approaches the Book of the Dead as a profound spiritual text capable of speaking to us today. These writings suggest that the divine realm and the human realm are not altogether separate--they remind us that the natural world, and the substance of our lives, is fashioned from the stuff of the gods. Devoted like an Egyptian scribe to the principle of "effective utterance", Normandi Ellis has produced a prose translation that reads like pure, diaphanous verse.

**A Short History of the Egyptian People** Aug 07 2021

*The Gods of the Egyptians, Volume 1* Apr 15

2022 Provides definitive coverage of the ancient Egyptian gods, mythological figures, religious cults, priesthoods, and esoteric practices and beliefs

*The Egyptian Book of the Dead: The Book of Going Forth by Day The Complete Papyrus of Ani Featuring Integrated Text and Fill-Color Images (History Books, Egyptian Mythology Books, History of Ancient Egypt)* Oct 09 2021 For the first time in 3,300 years, The Egyptian Book of the Dead: The Book of Going Forth by Day: The Papyrus of Ani is showcased in its entirety in seventy-four magnificent color pages. Maybe the most stunning presentation of this book in 3300 years: Upon death, it was the practice for some Egyptians to produce a papyrus manuscript called the Book of Going Forth by Day or the Book of the Dead. A Book of the Dead included declarations and spells to help the deceased in the afterlife. The Papyrus of Ani is the manuscript compiled for Ani, the royal scribe of Thebes. Written and illustrated almost

3,300 years ago, The Papyrus of Ani is a papyrus manuscript with cursive hieroglyphs and color illustrations. It is the most beautiful, best-preserved, and complete example of ancient Egyptian philosophical and religious thought known to exist. The Egyptian Book of the Dead is an integral part of the world's spiritual heritage. It is an artistic rendering of the mysteries of life and death. For the first time since its creation, this ancient papyrus is now available in full color with an integrated English translation directly below each image. This twentieth-anniversary edition of The Egyptian Book of the Dead has been revised and expanded to include: Significant improvements to the display of the images of the Papyrus. A survey of the continuing importance of ancient Egypt in modern culture. A detailed history of Egyptian translation and philology since the discovery of the Rosetta Stone in 1799. And, a state-of-the-art Annotated Bibliography and Study Guide for Ancient Egyptian studies. As the third revised

edition, the entire corpus of this critical work is given its most accessible and lavish presentation ever. Includes a detailed history of Egyptian scholarship, an annotated bibliography and study guide, and several improvements to the color plates. Makes an excellent gift for people interested in world history and ancient religions.

**The Pyramid Texts** Mar 14 2022 The Egyptian pyramid texts, which are the basis of this work, were collected and inscribed on the walls of five royal pyramids at Sakkareh between the years 2350 and 2175 B.C. The present work is the first English translation with commentary.

*The Egyptian Book of Living & Dying* Feb 01 2021 A unique, affordable guide to the diverse

belief system of the ancient Egyptians. Historian Joann Fletcher traces the stages of life from conception to the existence beyond the tomb. She gives particular emphasis to the hazardous voyage of the soul and focuses on key themes such as creation, magic, ritual and eternity. Fully-illustrated and printed on high-quality paper, the book provides an excellent introduction to ancient Egyptian mythology and ritual encompassing the gods, creation, life, death and the afterlife. --Reveals the mysteries of the ancient Egyptians' fascinating and amazingly diverse belief system, with its emphasis on funerary cults. --Displays a wealth of quotations from ancient Egyptian sources, including intriguing spells from the Book of the Dead and mystical ritual incantations. --Unfolds the rich tapestry of ancient Egyptian myth, from the powers of the gods and pharaohs to the journey in search of the eternal paradise. -- Contains more than 90 evocative photographs of ancient Egyptian sites and artefacts plus more

than 40 specially-commissioned colour artworks. The Buried May 24 2020 A National Book Critics Circle Award Finalist "Extraordinary...Sensitive and perceptive, Mr. Hessler is a superb literary archaeologist, one who handles what he sees with a bit of wonder that he gets to watch the history of this grand city unfold, one day at a time." —Wall Street Journal From the acclaimed author of *River Town* and *Oracle Bones*, an intimate excavation of life in one of the world's oldest civilizations at a time of convulsive change Drawn by a fascination with Egypt's rich history and culture, Peter Hessler moved with his wife and twin daughters to Cairo in 2011. He wanted to learn Arabic, explore Cairo's neighborhoods, and visit the legendary archaeological digs of Upper Egypt. After his years of covering China for *The New Yorker*, friends warned him Egypt would be a much quieter place. But not long before he arrived, the Egyptian Arab Spring had begun, and now the country was in chaos. In the midst of the

revolution, Hessler often traveled to digs at Amarna and Abydos, where locals live beside the tombs of kings and courtiers, a landscape that they call simply al-Madfunah: "the Buried." He and his wife set out to master Arabic, striking up a friendship with their instructor, a cynical political sophisticate. They also befriended Peter's translator, a gay man struggling to find happiness in Egypt's homophobic culture. A different kind of friendship was formed with the neighborhood garbage collector, an illiterate but highly perceptive man named Sayyid, whose access to the trash of Cairo would be its own kind of archaeological excavation. Hessler also met a family of Chinese small-business owners in the lingerie trade; their view of the country proved a bracing counterpoint to the West's conventional wisdom. Through the lives of these and other ordinary people in a time of tragedy and heartache, and through connections between contemporary Egypt and its ancient past, Hessler creates an astonishing portrait of a

country and its people. What emerges is a book of uncompromising intelligence and humanity--the story of a land in which a weak state has collapsed but its underlying society remains in many ways painfully the same. A worthy successor to works like Rebecca West's *Black Lamb and Grey Falcon* and Bruce Chatwin's *The Songlines*, *The Buried* bids fair to be recognized as one of the great books of our time.

Ancient Egyptian Book of the Dead Feb 13 2022  
I Know myself, I know myself, I am One With God -From the Pert Em Heru "The Ru Pert em Heru" or "Ancient Egyptian Book of The Dead," or "Book of Coming Forth By Day" as it is more popularly known, has fascinated the world since the successful translation of Ancient Egyptian hieroglyphic scripture over 150 years ago. The astonishing writings in it reveal that the Ancient Egyptians believed in life after death and in an ultimate destiny to discover the Divine. The elegance and aesthetic beauty of the hieroglyphic text itself has inspired many see it

as an art form in and of itself. But is there more to it than that? Did the Ancient Egyptian wisdom contain more than just aphorisms and hopes of eternal life beyond death? In this volume Dr. Muata Ashby, the author of over 25 books on Ancient Egyptian Yoga Philosophy has produced a new translation of the original texts which uncovers a mystical teaching underlying the sayings and rituals instituted by the Ancient Egyptian Sages and Saints. "Once the philosophy of Ancient Egypt is understood as a mystical tradition instead of as a religion or primitive mythology, it reveals its secrets which if practiced today will lead anyone to discover the glory of spiritual self-discovery. The Pert em Heru is in every way comparable to the Indian Upanishads or the Tibetan Book of the Dead." □  
\$28.95 ISBN# 1-884564-28-3 Size: 8 1/2" X  
The Egyptian Aug 19 2022 First published in the 1940s and widely condemned as obscene, *The Egyptian* outsold every other American novel published that same year, and remains a classic;

readers worldwide have testified to its life-changing power. It is a full-bodied re-creation of a largely forgotten era in the world's history: an Egypt when pharaohs contended with the near-collapse of history's greatest empire. This epic tale encompasses the whole of the then-known world, from Babylon to Crete, from Thebes to Jerusalem, while centering around one unforgettable figure: Sinuhe, a man of mysterious origins who rises from the depths of degradation to get close to the Pharaoh...

**The Elements of the Egyptian Wisdom** Aug 27 2020 In this exploration of ancient Egyptian spiritual belief and practice, the author guides readers through the maze of gods and practices and introduces the outer signs of Egyptian civilization - the pyramids and the pharaohs - and the inner world of the mysteries. She shows a civilization that never lost faith in wisdom as its spiritual core.

*The Rise of the Egyptian Middle Class* Nov 17 2019 Examines the results of the Middle Eastern

oil boom of the 1970s-80s on the Egyptian economy and how this economic growth has an impact on Egyptian society.
