*Storytelling is a hot topic for nonprofits. Actually, it's the hottest topic! This book is carefully designed to help busy nonprofit practitioners and volunteers to use storytelling to grow support and to keep donors engaged. Storytelling for nonprofits is all about crafting authentic, real, emotional stories about the work that you do every day. 'I could have done with a copy of Ad Astra in December 2015!' –Tim Peake 'A wonderful, wise and witty guide for space explorers everywhere.' – Richard Osman 'A must read both for intrepid space explorers and misty-eyed dreamers. Now, to space!' – Hannah Fry 'Few people are more knowledgeable, celebratory and witty about space travel than Dallas Campbell.' – Adam Rutherford*

*Need some space? For almost all human history we've been firmly rooted to the Earth. And, sure, it's got some good things going for it: nice views, friendly inhabitants, good coffee. Air. But what if you want to get off? Whether you've got itchy feet and need a bit of a break, or you're looking for a complete change of scene, this book has all the information you'll need to leave, with FREE expert advice from the men and woman who can actually make it happen. Do I need a passport? How do I know if I have the right stuff? Can I take my dog? What spacesuit do I need? Where am I going to go? What am I going to eat? As well as being a deeply impractical guide to getting off the planet, this is an eclectic and beautifully illustrated mix-tape of space travel stories – both real and imagined. From the migrating lunar geese that flew us to the moon in the 1600's, to Elon Musk's wild plan to get humans to Mars en masse in the future; from the history of early rocket science to the Soviet tortoises that secretly won the space race. A collection for anyone who has looked up in wonder at the stars... And then wondered how to get there. 'The next best thing to actually heading off into space.' – Jim Al-Khalili 'Few people are more knowledgeable, celebratory and witty about space travel than Dallas Campbell.' – Adam Rutherford 'If, like me, you dream of going into space, this is definitely the place to start the journey.' – Dan Snow 'A must have volume for astronauts and armchair astronauts alike.' – Helen Sharman OBE 'Funny, factual and beautiful.' – Shaun Keavney 'Read it, make notes, and be ready when the day comes.' – Helen Czerski*

Excerpt from Campbell's New Revised Complete Guide and Descriptive Book of Mexico It is the early traveler in a country who knows the real need of a guide and descriptive book, from the fact that his journeys are made, perforce, without one, and he is compelled to find the places and things as best he can. To find these places and things, of which one may have only heard, is not unattended by difficulties. The native does not always regard them as out of the ordinary, or of special interest, and, however courteous and willing he may be, is not always able to show the way to objects of even considerable importance. I have known these difficulties as an early traveler in Mexico, and, while I rejoiced in seeing what others had not seen, I have wished for the book that might guide me over untraveled roads, till I have come to believe that he who writes the book leaves a legacy to him who comes after. The Guide and Descriptive Book of Mexico is written after the experiences of a decade of travel in that country, and an exploring expedition made expressly to secure a better acquaintance with the country, these have given a knowledge of its cities and towns, of its mountains, valleys and spreading plains, and of its history and legend, impossible from reading or hearsay. The Historical and Clerical data have been carefully culled from the best authorities and from the records of Church and State. The Legends are from the country's books and from the fascinating folklore of its people. Statistical and tabulated information is compiled from the latest data and from the most reliable sources. The Maps are from the latest surveys, comprising the extension of railways and routes of travel to the year of the date of the book. You're no idiot, of course. You're familiar with the Four Horsemen of the Apocalypse and Judgement Day, especially in the wake of the new millennium. However, the Book of Revelation has existed for almost 2,000 years and is open to countless interpretations. Don't get confused by scholarly analysis and religious dogma! 'The Complete Idiot's Guide to the Book of Revelation' shows you how so many meanings are derived from the books' text. In this 'Complete Idiot's Guide', you getL - Various ways to interpret Revelation and its symbols. -A detailed examination of the key elements, including the Seven Seals and the Antichrist. -A look at how the Jewish Old Testament and prophecies related to Revelation. Winner of the 2020 Catholic Press Association Book Award In a book hailed as “liberating” (Gary Chapman, New York Times bestselling author), an award-winning author and mother of four weaves her own stories and struggles with those of seven ex-perfectionist saints (and one heretic) who show us how to pursue a new kind of perfection: freedom in Christ. Spiritual perfectionism—an obsession with flawlessness rooted in the belief that we can earn God’s love—is dangerous because so many of us mistake it for virtue. Its toxic cycle of pride, sin, shame, blame, and despair distorts our vision, dulls our faith, and leads us to view others through the same hypercritical lens we think God is using to view us. As a lifelong overachiever who drafted her first résumé in sixth grade and spell-checked her high school boyfriend’s love letters, Colleen Carroll Campbell knows something about the perfectionist trap. But it was only after she became a mother that she started to see how insidiously perfectionism had infected her spiritual life, how lethal it could be to her happiness and her family, and how disproportionately it afflicts the people working hardest to serve God. In the ruins of her own mistakes, Colleen dug into Scripture and the lives of the canonized saints for answers. She discovered to her surprise that many holy men and women were, in fact, recovering perfectionists. And their grace-fueled victory over this malady—not perfectionist striving—was the key to their heroic virtue and contagious joy. In The Heart of Perfection, Colleen weaves the stories and wisdom of seven ex-perfectionist saints (and one heretic) with Scripture and*

*beautifully crafted tales of her own trial-and-error experiments in applying that wisdom to her life. Gorgeously written and deeply insightful, Colleen Carroll Campbell's The Heart of Perfection is a "must-read" (Jeannie Gaffigan, executive producer of The Jim Gaffigan Show) that "gives us permission to...walk in the freedom of God's unconditional love" (Jennifer Fulwiler, author of One Beautiful Dream).
