Summer on the prairies during the Depression years was not a vacation from school; it was hard work. “F*ck your rules, sweetheart. I don’t need a manual to know how you like to be touched.” Pam Diederma is in serious trouble. Her master's thesis is past due, her anxiety is through the roof, and if she doesn’t get some rest, she’s heading for a breakdown. A few weeks on the beach with her best friend Lizzie is just what the doctor ordered—literally. The only problem? Their sinfully hot, totally unexpected housemate. Dark and dangerous. Bad boy to the core. And Pam’s deepest, most closely-guarded secret: Lizzie’s older brother, Ash. Ex-Army Ranger Asher Burke rocked a hard-on for the girl next door forever, but they said their goodbyes ten years ago, right after a summer of mind-blowing sex. Now he’s back in Cali, fixing up the family beach house for his old man and trying to figure out his next move. Getting distracted by the past? Not an option, no matter how good Pam looks in a bikini. His sister's best friend was off limits when they

were younger, and he sure as hell can't risk it now. Yeah, tell that to his hard-on. Because that uptight, good-girl mouth of hers is about to get them both in hot water... ?Ash was never good at rules, but he's very good at Pam, and soon they're up to their old tricks, sneaking around for another red-hot, wall-banging, toe-curling summer. But when secrets come to light and Ash puts his heart on the line, will Pam break her rules for a second chance at love? Get swept away in this breezy beach read about love, family, and the true meaning of friendship. Meet the Boys of Winlock Harbor... Grayson Cartwright: Golden Boy. Football Prodigy. Troublemaker. Mike Metzler: Local Heartthrob. Surfer Boy. Hopeless Romantic. Ian Handler: Army Brat. Musician. King of Sarcasm. Best friends since they were kids, Grayson, Mike, and Ian were hoping for another epic summer on "The Locks", filled with clambakes, bonfires, and late-night swims in the ocean. But that was before Ian's dad never returned home from his last deployment. Before Mike had to take on more responsibility in order to help provide for his family. Before Grayson's accident left him with an injured throwing arm and an uncertain future. It's clear this summer on the island is shaping up to be very different from those Grayson, Mike, and Ian had come to rely on. And when the sacred code of dating a friend's sister or ex is broken, it will push their friendship to the absolute limit, testing their loyalties in a way that could either break them—or save them. Gerry Spence, father to six, grandfather to ten, is a man who knows intimately the joys of fatherhood and who writes beautifully and lyrically about how fatherhood allows a man to rediscover the boy within himself, while simultaneously assuming true adult responsibility for the first time. This is a man who truly understands boys and how boys grow up to become men. No school teaches us how to become successful human beings; there are no classes to teach boys how to become decent adult men. Boys grow up by imitating their father-if, that is, the father spends enough time with his son. *A Boy's Summer* is a book of short essays describing activities, adventures and experiments that fathers and sons can do together. These projects take from an hour to an afternoon to a weekend-time that a father and son can spend together discovering themselves and the world around them Illustrated with forty-five line drawings by Tom Spence, *A Boy's Summer* is written so it can be read by father to son or by son to father. "This book is for boys who, with their fathers, will share those precious moments that create the stuff of a lifetime from which successful sons, and because of it, successful fathers, are made." In Jenny Han's follow-up to *The Summer I Turned Pretty*, Belly finds out what comes after falling in love.

It takes more than money to heal a broken heart... Frannie Turner spends all her time with her nose in a book. It's been a few years since she graduated High School, but the way boys treated her back then has made her shy away from dating. She hasn't even noticed that she's grown into her curves, and that her big wide eyes, wild curls and tawny skin have got the attention of every male she comes in contact with. Jace Singleton hasn't lived a charmed life. Nothing has been handed to him and he likes it that way. He works in his Uncle's auto shop by day and drag races at night. He's the only one on duty when the rich college girl comes in with the wild hair and even wilder curves. Something about her makes his body respond immediately. He decides it's worth crossing to the right side of the tracks, at least long enough to nail the hot little book worm a couple of times. The last thing he expects is to fall in love with her... *Frannie's story is a stand alone novella with a guaranteed HEA! It also includes the culmination Cousins Ella, Beth, and Jamie are at their family's beach house for the summer and first kisses, last dances, new loves, and old flames all add up to one unforgettable summer. Original. Two boys, one boardwalk, and her sweetest summer ever Jules Jarvis never asked to be a rags-to-riches cliché. Since moving from simple Sugarbush Island, Florida five years ago to elite Greenwich, Connecticut, she has done little but miss the life and the true friends she left behind, especially Adrian Ryker. With one touch of her knee against his, her then twelve-year-old heart was stolen and never returned. Now seventeen and headed back to Sugarbush for the summer, Jules hopes to reconnect with her old life by working at the candy apple stand on the boardwalk and reuniting with the friends she left behind, particularly Adrian. The only problem is she ghosted them all five years ago when seeing their pictures and posts became unbearable. Now she's back and ready to eat a big ole crow sandwich with an extra-large side of groveling. It'll be worth it to

follow the hope of discovering where that magical knee touch might lead. But Heath Townsend, the irritating boy interning with her stepdad for the summer, won't quit popping up at the exact wrong times, making it twice as hard to connect with Adrian. Jules is here to rebuild her life—not fall for a preppy, cocky, Yale-bound jerk, no matter how charming that quirky smile of his can be. For fans of Jillian Dodd, Beth Reekles, Jenny Han, and anyone who loves a great YA love triangle romance! From the author of "48 Shades of Brown" comes this funny and touching novel about a 17-year-old boy's last summer before he enters the "real world." Twelve-year-old best friends and relatives, Julia and Eliza are happy to spend the summer together while Julia's mother is serving in the National Guard in Iraq but when they meet a neighborhood boy, their close relationship begins to change. A manual of pastimes which includes instructions for making kites, fishing poles, a blow gun, boats, and theatrical costumes, and for raising dogs, stuffing animals, stocking an aquarium, and camping. Arranged by season. This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most

marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience. Twelve-year-old Micah hopes for a miracle transformation before starting middle school but as she is torn between twins Luke and Megan she sees that the real transformation must be in how she sees herself. 2020 J. ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here*, a richly textured, heartrending portrait of love and death in Chicago's most turbulent neighborhoods. The numbers are staggering: over the past twenty years in Chicago, 14,033 people have been killed and another roughly 60,000 wounded by gunfire. What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America. Among others, we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done; a devoted school social worker struggling with her favorite student, who refuses to give evidence in the shooting death of his best friend; the witness to a wrongful police shooting who can't shake what he has seen; and an aging former gang leader who builds a place of refuge for himself and his friends. Applying the close-up, empathic reporting that made *There Are No Children Here* a modern classic, Kotlowitz offers a piercingly honest portrait of a city in turmoil. These sketches of those left standing will get into your bones. This one summer will stay with you.

"This book is for boys who, with their fathers, will share those precious moments that create the stuff of a lifetime from which successful sons, and because of it, successful fathers, are made." From the award-winning author of *THE GREAT WALL OF LUCY WU* comes a beautifully written and poignant story of family and loss, healing and friendship, and the great American pastime, baseball. Twelve-year-old Peter Lee and his family are baseball lovers, who bond over back lot games and talk of the Pittsburgh Pirates. But when tragedy strikes, the family flies apart and baseball no longer seems to matter. Is that true? Peter wonders if just maybe the game they love can pull them together and bring them back, safe at home. **EVERY GAME HAS RULES. HE'S ABOUT TO BREAK THEM . . .** Since becoming a major league baseball player, I've learned a few hard lessons. Like never give out your home address on social media (sorry, Mom). Never shoot your mouth off without thinking . . . and never, ever let your personal life interfere with your game. But then I saw her - sitting alone behind the enemy dugout, watching me - and I just had to meet this girl. Now I know that Daisy Robinson has her secrets, but there's something about her that drives me crazy. Maybe it's her innocence, her absolutely amazing knowledge of baseball, or just the fact that she is so unbelievably beautiful. I have to take it slow. Prove to her that the rumors about me are just that - rumors. Daisy might be my ultimate lifetime win. . . if I don't get hit by the curveball that's coming my way. With over one million copies sold, this series of modern classics about the charming Penderwick family from National Book Award winner and New York Times bestseller Jeanne Birdsall is perfect for fans of Noel Streatfeild and Edward Eager. This summer the Penderwick sisters have a wonderful surprise: a holiday on the grounds of a beautiful estate called Arundel. Soon they are busy discovering the summertime magic of Arundel's sprawling gardens, treasure-filled attic, tame rabbits, and the cook who makes the best gingerbread in Massachusetts. But the best discovery of all is Jeffrey Tifton, son of Arundel's owner, who quickly proves to be the perfect companion for their adventures. The icy-hearted Mrs. Tifton is not as pleased with the Penderwicks as Jeffrey is, though, and warns the new friends to stay out of trouble. Which, of course, they will—won't they? One thing's for sure: it will be a summer the Penderwicks will never forget. Deliciously nostalgic and quaintly witty, this is a story as breezy and carefree as a summer day. Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as *The Diary of Anne Frank*." Berlin, 1942: When

Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences. A captivating 1970s-set novel that is both a coming-of-age and an End-of-an-Age story: about love, the lure of idealism, innocence and decadence. Adam is seventeen, the only son of straitlaced, cautious Ray and Evie. Life is slow, unbearably routine, in their low-rise council block in the London suburbs, until tragedy strikes, leaving Adam unhinged with grief. Rejecting any consolation at home, Adam is sent to spend the long hot 1970s summer with Ray's unlikely brother, the enigmatic Dr Henry Templeton - guru and spiritual teacher. With few possessions and even fewer ambitions for his future, Adam arrives at his uncle's houseboat in the West Country. Henry is charismatic, unfamiliar, full of eccentric ideas and projects. As the summer unspools, Adam meets first Strawberry, an ethereal American girl living in a shack in the woods; and then Ashley, whose father, the local vicar, is locked in conflict with Henry and his circle's 'alternative' way of life. While Adam falls under the spell of pretty, knowing Ashley, Henry, set on pursuing his personal vision unbendingly, seals the shocking fate of Strawberry, Adam and ultimately himself. 'I was very moved by *The Last Summer of the Water Strider*, which is both exquisitely specific to time and place and universal in its examination of humanity, grief and the bizarre prisons that people build for themselves - and one another. Funny, fascinating, mysterious and provocative' Sadie Jones, author of *The Outcast* 'Great storytelling and superb characterisation. Very few writers can evoke quintessential Englishness in its myriad forms like Tim Lott. I loved it' Irvine Welsh

In 1964, Joe is pleased that a new law will allow his best friend John Henry, who is black, to share the town pool and other public places with him, but he is dismayed to find that prejudice still exists. Both a haunting coming-of-age story set in North Texas against the backdrop of a deadly tornado, and a character-driven, deeply-affecting supernatural thriller. In 1979, a massive tornado devastates the city of Wichita Falls, Texas, leaving scores dead, thousands homeless, and nine-year-old Todd Willis in a coma, fighting for his life. Four years later, Todd

awakens to a world that looks the same but feels different in a way he can't quite grasp. For Todd, it's a struggle to separate fact from fiction as he battles lingering hallucinations from his long sleep. The new friends Todd makes in 1983 are fascinated with his experience and become mesmerized by his strange relationship with the world. Together the five boys come of age during a dark, fiery summer where they find first love, betrayal, and a secret so terrible they agree to never speak of it again. But darkness returns to Wichita Falls twenty-five years later, and the boys--now men--are forced to reunite and confront the wounds from their past. When their memories of that childhood summer refuse to align with reality, the friends embark upon a search for truth that will threaten their lives, and transform their understanding of each other--and the world itself--forever. It seemed only natural to nickname them the 'Onslow Boys'. Every time they swaggered in the front door of the Onslow Hotel after a hard week's work, their laughter was loud and genuine as they settled onto their bar stools. I peeked through the restaurant partition, a flimsy divider between my world and theirs. I couldn't help but smile whenever I saw them, saw him... Toby Morrison. Quiet seventeen-year-old Tess doesn't relish the thought of a summertime job. She wants nothing more than to forget the past haunts of high school and have fun with her best friends before the dreaded Year Twelve begins. To Tess, summer is when everything happens: riding bikes down to the lake, watching the fireworks at the Onslow Show and water bomb fights at the sweltering Sunday markets. How did she let her friends talk her into working? After first-shift disasters, rude, wealthy tourists and a taunting ex-boyfriend, Tess is convinced nothing good can come of working her summer away. However, Tess finds unlikely allies in a group of locals dubbed 'The Onslow Boys', who are old enough to drive cars, drink beer and not worry about curfews. Tess's summer of working expands her world with a series of first times with new friends, forbidden love and heartbreaking chaos. All with the one boy she has never been able to forget. It will be a summer she will always remember. Warning: sexual references, and occasional coarse language. Teammates, roommates, friends with benefits. What could go wrong? Boys of Summer is a book about finding the perfect person to ride shotgun with on

the crazy road trip called life. It contains a Dolly Parton lookalike, an unfortunate deer versus car incident, and poorly-timed epiphanies. Thunder goalie James McVicker learned early on - if you don't want to hurt, don't get attached. So obviously when Vicky finds himself possibly, maybe stupidly, falling in love with his best friend, it only makes sense for him to leave first, right? So why does it feel like he's just made the biggest mistake of his life? Patrick O'Reilly has the greatest best friend in the world. Hanging out with Vicky is as easy as breathing, and adding some epic benefits of the sexual kind only makes it better. Obviously, Vicky isn't in love with him. He's just caught up in the whole wedding thing. If he would just talk to Paddy, they can work all this out and get back to being friends again. The course of true love never did run smoothly, but maybe with the help of their friends and family and some last-minute divine intervention, what started as a road trip could turn into the adventure of a lifetime. The sweet, smart, and sexy final installment in the New York Times bestselling series. It's the last summer at Pebble Beach before everyone goes off to college. George and Beth are no longer together, but will they make up before Beth heads off to (oh, the irony) GEORGETown? Kelsi has a new college boy around for the summer, but can he make her pulse flutter the way Tim used to? Meanwhile, Ella runs into a dangerous blast from the past...can she resist him? Between sipping homemade margaritas by the shore, and helping each other through their romantic woes, the Tuttle girls might just make this the craziest, sweetest, most unforgettable summer ever. Twenty Days. Twenty Boys. One chance to find love. According to her best friend Frankie, twenty days in Zanzibar Bay is the perfect opportunity to have a summer fling, and if they meet one boy every day, there's a pretty good chance Anna will find her first summer romance. Anna lightheartedly agrees to the game, but there's something she hasn't told Frankie---she's already had that kind of romance, and it was with Frankie's older brother, Matt, just before his tragic death one year ago. Beautifully written and emotionally honest, this is a debut novel that explores what it truly means to love someone and what it means to grieve, and ultimately, how to make the most of every single moment this world has to offer. "A chronicle of one summer in a boy's coming of age"—the international bestselling classic that became the basis for the Oscar-winning film (Medium). Captivating and evocative, Herman Raucher's semi-autobiographical tale has been made into a record-breaking Academy Award-winning hit movie, adapted for the stage, and enchanted readers for generations. In the summer of 1942, Hermie is fifteen. He is wildly obsessed

with sex, and passionately in love with an “older woman” of twenty-two, whose husband is overseas and at war. Ambling through Nantucket Island with his friends, Hermie’s indelible narration chronicles his frantic efforts to become a man, especially one worthy of the lovely Dorothy, as well as his glorious and heartbreaking initiation into sex. “Mr. Raucher scores most tellingly. His recall of nervous teen-age gaucheries is dead accurate, hilarious, tinged with sadness.”—The New York Times Book Review “A charming and tender novel . . . The overall effect is one of high hilarity. Raucher is a comic-artist who is able to convey the fears and joys . . . of the boy and at the same time give older readers a wrench in the heart.”—Publishers Weekly This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages.
