Så länge Sam är med

From the moment Agatha met Roarke she became drawn to him, but she's not sure what she truly wants. The marquess or the freedom to make her own choices. All Philippa desires is to decode a centuries-old manuscript to keep a modern-day villain from claiming credit for work that wasn't his. She hates that she needs a man's help to do it—so she's delighted to discover the clever, charming baron at her side is in fact a woman. But as she and Tommy grow

closer and the stakes of their discovery higher, more than just their hearts are at risk. Entertainment Weekly Best Romances of 2021 Library Journal Best Romances of 2021 Shunned by a society that puts attractiveness above all else, Lady Eliza Darby's wallflower status keeps her from getting the one thing she wants most, namely, to be a mother. But when her scorned older sister returns home to see all of her sisters wed in happy matches, it may be Eliza's only chance to secure a husband and have the children she so desires. Jilted in a publicly humiliating display, Dax Kane, the Duke of Ashbourne, has sworn off love forever and has no wish to wed. But the Jilted Duke will soon discover looks have nothing to do with love. Headstrong American heiress Lillian Bowman has come to England to find an aristocratic

Except, perhaps, the powerful and arrogant Earl of Westcliff—a man Lillian despises more than anyone she's ever met. Marcus, Lord Westcliff, is famous for his icy English reserve and his supreme self-control. But something about the audacious Lillian drives him mad. Whenever they're in the same room, they can't stop themselves from battling furiously to gain the upper hand. Then one afternoon, a stunningly sensuous encounter changes everything . . . and Lillian discovers that beneath the earl's reserved façade, he is the passionate and tender lover of her dreams. What neither Westcliff nor Lillian suspect, however, is that a sinister conspiracy threatens to destroy any chance of happiness. After a shocking betrayal endangers Lillian's safety—and possibly her life—will Marcus be able to save her before it's too late? That was Tatiana Rostova's promise to herself as she fought for her life one cold night out at sea, after the two people she loved the most betrayed her and watched as the ruthless ocean tried to swallow her whole. She would even sell herself to the devil—even if the devil came in the form of a six-foot-two, silver-eyed Italian duke named Lucca Cavelli. She would take everything that was rightfully hers—and this will be the start of the wallflower's revenge. A self-appointed wallflower, she has every intention of remaining one. Tabitha made a vow of spinsterhood with her cousins when they were girls, and she refuses to go back on her word. So far, she's proven herself quite adept at warding off the blasted fortune hunters' pursuits. Noah deLancie, Marquess of Devonport, would prefer to marry for love and companionship—he's a gentleman through and through—but circumstances have forced his hand: he needs money as badly as he needs a bride.
