"It is a mistake to think that the practice of my art has become easy to me. I assure you, dear friend, no one has given so much care to the study of composition as I. There is

scarcely a famous master in music whose works I have not frequently and diligently studied." - Mozart

Wolfgang Amadeus Mozart (1756-1791), baptized Johannes Chrysostom Wolfgangus Theophilus Mozart, is widely considered to be the culminating figure of the Classical Period in music, which spanned much of the 18th to early 19th centuries. As such, he is remembered as one of Western Civilization's most prodigious and spontaneous natural talents, on par with Leonardo da Vinci and Johann Sebastian Bach. Mozart once called music "my life," and indeed few were as naturally gifted at it. Mozart's memory and genius for music allowed him to compose lengthy works, even full-length operas, without transferring them to paper until he had fully visualized and retained them. He regarded copying as a tedious task, and this caused no small amount of consternation among performers, in particular the orchestra, some of whom received their parts minutes before curtain. This was said to be the case for the premiere of Don Giovanni, where Mozart was furiously scrawling and handing out parts to the overture with the audience in attendance. Surprisingly, these entire works, sometimes hundreds of pages, not penned until they were complete in his mind, usually arrived to the manuscript without a single blemish or change of heart. Mozart's eccentricities are remembered centuries after his death, to the point that much of his life, illnesses and death have been mythologized, and today a lot of his legacy has been shaped by the manner in which his personality has been depicted in biographical works like Amadeus. In addition to a large and consistently high-level body of work, Mozart represents for some the real

beginning of the German lineage to the 20th century, although Ludwig Beethoven, greatly under Mozart's influence, created much of that transition's reality. Three of Mozart's operas are continually in the top 10 works performed around the world, his piano concerti and symphonies are all in the standard repertoire (save for some of the earliest), and his choral works are treasures of the West. The bulk of his reputation was not garnered by breaking with tradition and destroying it but rather by fulfilling it with a greater beauty and naturalness than was possible for any other artist of the time. Mozart was perhaps the world's greatest master of the modern melody, coming onto the scene after centuries of rule-laden, pedantic and convoluted procedures dominated by the Catholic Church, and he certainly possessed one of the most astonishing levels of intelligence in European history. Wolfgang Amadeus Mozart: The Life and Music of the Great Composer comprehensively analyzes the themes and revolutionary advancements of Mozart's music, looking at his most famous works and comparing and contrasting them. Along with pictures of important people, places, and events, you will learn about Mozart and his music like never before, in no time at all. His name is one of the most recognizable in the history of classical music. He learned much from the musicians that came before him, and he inspired generations of musicians after him. His work with the piano and strings was revolutionary at the time, and it continues to stun and amaze people today. You could listen to hours of his music, and still only scrape the tip of the iceberg. His name was Wolfgang Amadeus Mozart, and he was fated to go down as one

of history's greatest musical innovators. He grew up in a world in which music was changing, and he joined the musical revolution. Mozart was called a genius during his life, and he is still called a genius by many today. But why? What did he do that was so great? If anyone can learn to write music, what made his music so special? Why will Mozart be remembered for centuries to come? Here we will explore Mozart's life and what it meant to the world. You may know Mozart's name, but perhaps you've wondered, "What's so great about him?" This book (part of the "What's So Great About..." series), gives kids insight into life, times and career of Mozart. Karl Barth, one of the 20th century's most prominent theologians, was a lifelong devotee of Mozart and his music. This book, originally published in celebration of the 200th anniversary of Mozart's birth in 1956, is fittingly reissued in English translation in 1986, the 100th anniversary of Barth's birth. A biography of the child prodigy who wrote more than 800 pieces of music before his untimely death at thirty-five. As a little boy, Wolfgang Amadeus Mozart began writing musical compositions when most kids his age were still learning to read. By the time he was seven, Mozart was an accomplished musician who could play several instruments and also sing. Accompanied by his older sister, Nannerl, and his father, Leopold, young Wolfgang toured Europe. He performed before royalty and some of the richest members of society. By the time he was twelve, Wolfgang was famous. He first tasted failure as a teenager, as audiences ignored his operas, and he had trouble making money. He began to be known for his bad jokes and relentless

pursuit of women. He eventually married the sister of the woman who broke his heart. In adulthood, Mozart's problems grew. He couldn't keep a job. He was usually broke. One of the greatest composers the world had ever known was forced to make a living giving piano lessons. Yet today, he is one of the most celebrated and respected composers of all time. What was Wolfgang Amadeus Mozart really like? Readers of his letters will find a composer at his most intimate and unguarded, expressing his feelings about life, love, music, and the world around him. This collection of 140 letters spans Mozart's life from his youth through his journeys through Paris. The Letters of Wolfgang Amadeus Mozart make wonderful reading for anyone who has ever loved a work by the composer, from the deceptively simple *Eine kleine Nachtmusik* to the towering, magnificent *Requiem*.
