INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*—whose writing is “emotionally wrenching and utterly original” (Sara Shepard, *New York Times*

bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham’s perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people? MOM'S CHOICE AWARD WINNER From renowned parent expert Caroline Maguire, *Why Will No One Play with Me?* is a groundbreaking program that has helped thousands of children struggling with social skills to make friends, find acceptance, and have a happy childhood. Every parent wants their child to be okay—to have friends, to be successful, to feel comfortable in his or her own skin. But many children lack important social and executive functioning skills that allow them to navigate through the world with ease. In-demand parenting expert and former Hallowell Center coach Caroline Maguire has worked with thousands of families dealing with chronic social dilemmas, ranging from shyness to aggression to ADHD, and more. In this groundbreaking book, she shares her decade-in-the-making protocol--The Play Better Plan-- to help parents coach children to connect with others and make friends. Children of all ages--truly, from Kindergarten to college age--will gain the confidence to make friends and get along with others, using tools such as: \*Social Sleuthing: learn to pay attention to social cues \*Post-Play Date Huddles: help kids figure out what to look for in a friendship \*Reflective Listening: improve your child's relationship with their peers With compassion and ease, this program gives parents a tangible, easy-to-follow guide for helping kids develop the executive function and social skills they need to thrive. Five years and more than 100,000 copies after it was first published, it's hard to imagine anyone working in Web design who hasn't read Steve Krug's "instant classic" on Web usability, but

people are still discovering it every day. In this second edition, Steve adds three new chapters in the same style as the original: wry and entertaining, yet loaded with insights and practical advice for novice and veteran alike. Don't be surprised if it completely changes the way you think about Web design. Three New Chapters! Usability as common courtesy -- Why people really leave Web sites Web Accessibility, CSS, and you -- Making sites usable and accessible Help! My boss wants me to \_\_\_\_\_. -- Surviving executive design whims "I thought usability was the enemy of design until I read the first edition of this book. Don't Make Me Think! showed me how to put myself in the position of the person who uses my site. After reading it over a couple of hours and putting its ideas to work for the past five years, I can say it has done more to improve my abilities as a Web designer than any other book. In this second edition, Steve Krug adds essential ammunition for those whose bosses, clients, stakeholders, and marketing managers insist on doing the wrong thing. If you design, write, program, own, or manage Web sites, you must read this book." - Jeffrey Zeldman, author of Designing with Web Standards "Kick bad mental habits and toughen yourself up."—Inc. Master your mental strength—revolutionary new strategies that work for everyone from homemakers to soldiers and teachers to CEOs. Everyone knows that regular exercise and weight training lead to physical strength. But how do we strengthen ourselves mentally for the truly tough times? And what should we do when we face these challenges? Or as psychotherapist Amy Morin asks, what should we avoid when we encounter adversity? Through her years counseling others and her own experiences navigating personal loss, Morin realized it is often the habits we cannot break that are holding us back from true success and happiness. Indulging in self-pity, agonizing over things beyond our control, obsessing over past events, resenting the achievements of others, or expecting immediate positive results holds us back. This list of things mentally strong people don't do resonated so much with readers that when it was picked up by Forbes.com it received ten million views. Now, for the first time, Morin expands upon the thirteen things from her viral post and shares

her tried-and-true practices for increasing mental strength. Morin writes with searing honesty, incorporating anecdotes from her work as a college psychology instructor and psychotherapist as well as personal stories about how she bolstered her own mental strength when tragedy threatened to consume her. Increasing your mental strength can change your entire attitude. It takes practice and hard work, but with Morin's specific tips, exercises, and troubleshooting advice, it is possible to not only fortify your mental muscle but also drastically improve the quality of your life. From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date. Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of

the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too? You can't make someone love you. But what if they already do? Best friends Ophelia Winesap and Jamie Kendell both work with kids, adore dessert, and will be in-laws once their respective cousins finally tie the knot. Their friendship has one rule: no discussing love, sex, or romance. Self-declared spinster Ophelia doesn't want to waste her energy when love is an illusion and sex isn't nearly as satisfying as a chocolate cupcake. Jamie uses their pact to avoid telling Ophelia he's been pining for her since they met, but things get complicated when a night of platonic bed-sharing leads to Jamie's discovery that Ophelia might be just as attracted to him as he is to the curvy blonde. And when the bride-to-be demands their plus-ones to the wedding, Ophelia finds herself hoping Jamie won't want to bring anyone but her. Friends with benefits is one thing, but a real relationship is so much more. While Jamie's ready to commit, Ophelia's a proud member of the "Never a Bride" club. Jamie knows he can't make Ophelia love him back... but maybe she already does? This is a full-length book in the steamy, funny Never a Bride series (now complete!), about four bridesmaids in a society Santa Barbara wedding. Binge the complete series now! Can't Help Falling in Love (Book 1) Can't Make You Love Me (Book 2) Can't Fight This Feeling (Book 3) Can't Hurry Love (Book 4) "I love the practical

strategies and valuable insights from the hearts and lives of strong-willed kids.... You'll definitely want to make this book part of your parenting library." —Dr. Kevin Leman, New York Times best-selling author of *Have a New Kid by Friday* Turn Conflict into Cooperation Many parents suspect their strong-willed child is deliberately trying to drive them crazy. Difficult to discipline and seemingly impossible to motivate, these children present unique, exhausting, and often-frustrating challenges to the those who love them. But strong will is not a negative trait. These same children have firm convictions, high spirits, a sense of adventure—all the makings of a great adult. In this book you'll discover how to channel that passion and determination in positive ways as you build a healthy relationship. Through insights gained from strong-willed people of all ages, you'll... · better understand how their minds really work. · discover positive ways to motivate your strong-willed child. · learn how to share control without compromising parental authority. · apply key tactics to survive a meltdown. · get practical tips for parents who disagree, blended families, and single parents. Packed with immediately useful strategies to drastically reduce the level of tension in the home (or in the classroom), *You Can't Make Me* shows how you can start today to build a stronger, more positive relationship with your strong-willed child. Includes... · Top Ten Tips for Bringing Out the Best in a Strong-Willed Child of Any Age · A Strong-Willed Child Emergency Kit Available for the first time as a complete novel—the serial from the New York Times bestselling author of *When I'm With You* that explores hidden pasts, dangerous obsessions, and uncontrollable passion... Harper McFadden established herself as an investigative journalist by being both compassionate and fearless. After tragedy strikes her family, she moves to the shores of Lake Tahoe to find some peace. But when mysterious software mogul Jacob Latimer enters her life, her thoughts turn from her own healing to an insatiable desire to get closer to him... No one knows what secrets lurk in the past of Jacob Latimer. He built his corporation from nothing, but rumors abound about his mysterious rise to power. Harper is the last person he should let into his life. She could

expose the truth about his origins. But Jacob knows things about Harper's past that draw him in. He wants nothing more than to make her his—and Jacob is a man who always gets what he wants... Rape. Neglect. Promiscuity. Abuse. These are some of the difficult challenges that a child had to suffer through while being abandoned by her biological parents. After finally finding the love, light, and grace provided by God, I have taken my art to the next level by writing it in the books of history. Despite all the things that I endured, you can't, and I mean can't, make me shut up. Join my journey as I move toward my future with peace, prosperity, hope, and confidence. Let it inspire you to do the same. Here you'll find blunt, honest job advice you'll just can't get anywhere else. Susan Riehle makes advice on getting a job, getting paid more and getting more from your career, well... fun. Using the straight-shooting advice from underworld legends to underline the unwritten rules of employment, Riehle gives you the skinny and the low-down on landing and keeping the best job you have ever had. Not since experts first advised you to find the color of your parachute, has there been a more informative read on the secrets of career advice. Handling everything from interview nerves, interview answers, negotiating pay, handling tough jobs and customers to getting raises and promotions you will find yourself nodding in agreement and saying, "That makes sense! Why didn't anyone tell me this before?" It's can't-be-beat, new advice that puts the best job within your reach. "And acceptance is the answer to all my problems today." You may already know of Dr. Paul's simple yet profound wisdom in the frequently quoted passage from his story in the Big Book of Alcoholics Anonymous. Dr. Paul continues sharing his experience, strength and hope in this, his second book, "You Can't Make Me Angry": "By the time you put this book down, you will be convinced that people and circumstances don't make us angry; we make ourselves angry. People can't make us angry—unless we let them. We alone are responsible for our feelings." "A measure of the effectiveness of communication is the result it produces. If you don't like the results you are getting when communicating with another person, there's a great deal you can do about it.

I'm not willing to let any thing or any person put my physical sobriety at risk; why should I put less value on my emotional sobriety?" "For physical sobriety, we had to give up drinking, and for emotional sobriety, we have to give up blaming others. No longer can we say, "You made me angry!" Instead, we must accept personal responsibility for our emotional state. This much responsibility may seem extreme, yet in fact it is a great freedom. Henceforth, no person or situation can upset us if we don't give them or it permission to do so. What could be a greater freedom than that?" "Emotional maturity is like serenity. The first time I felt serene, I wondered what was happening, but I liked the feeling and wanted more. The more I got, the more I wanted. Serenity is addictive." Daisy Wart, a Shakespearean actress with grand ambitions, is FURIOUS at being left at Toadspit Towers School for Witches by her grandmother. SHE IS NOT A WITCH! But Daisy soon becomes drawn into the mysteries of life at Toadspit, and finds that she even has a few magical surprises up her sleeve. . . The adventures of Daisy the reluctant witch are perfect for fans of magical school stories. She wanted to swim far out, where no woman had swum before. Condemned as "sordid" and "immoral" on its publication in 1899, this story of a woman trapped in her marriage effectively ended Chopin's career but was revived as a proto-feminist classic in the 1970s. What Newsweek calls Chopin's "prophetic psychology" insures its timeliness today. The Art of The Novella Series Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the Art Of The Novella series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time. Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as

asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that's where asexual people are left out—they don't find other people sexually attractive, and if and when they say so, they are very rarely treated as though that's okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The Invisible Orientation*, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people's experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones. A unique look at behavior through the child's perspective! Every parent has experienced behavior challenges with their children. This book applies a whole- person perspective toward behavior management that connects across home, school, and community. It describes the functions of behavior from both the adult and child's perspective and offers simple, effective evidence-based strategies for creating behavior plans that work. Features: Behavior Plan template; Behavior, communication, & social skills strategies for each function of behavior. This Journal with high-quality cover design can be used for writing stories, poetry, list your goals, writing your great ideas, drafting your letters and more. So put a smile on someone's face today. (6"x9" inch) 110 Pages Blank Lined

Paper High-Quality Cover Design And acceptance is the answer to all my problems... A.A. members know of Dr. Paul's wisdom through the often-quoted passage from his story in A.A.'s Big Book, *Alcoholics Anonymous*. Dr. Paul continues sharing his astute insight and gentle humor with discussions of the physical, mental, emotional, interpersonal and spiritual aspects of sobriety. Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The *Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running! (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line. In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as

diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world. *The Gift of the Magi* is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another. *Kafka on the Shore* displays one of the world's great storytellers at the peak of his powers. Here we meet a teenage boy, Kafka Tamura, who is on the run, and Nakata, an aging simpleton who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey. Offering effective methods for teaching appropriate behavior to students who are defiant and disruptive, this book includes real-life teaching anecdotes, research-based strategies, and a unique parent supplement. Do you find yourself threatening, repeating your instructions, or raising your voice in an attempt to get your children to obey? Are you discouraged because it seems you just can't reach the heart of your child? Through personal experience and the practical application of Scripture, Ginger Hubbard encourages and equips moms to reach past the outward behavior of their children and dive deeply into the issues of the heart. Ginger's candid approach will help moms move beyond the frustrations of not knowing how to handle issues of disobedience and into a confident, well-balanced approach to raising their children. From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a

workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* When Waylon gets in trouble with the police, he is sent to his grandfathers for the summer. Jayne is alone. A quiet librarian with a passion for books. Her life is simple, satisfying and comfortable- until she is kidnapped. She awakens in a compound where she meets other occupants. Some friendly: Vivien, a classic movie lover and Jayne's first true friend. Robert, an eccentric martial arts master. Enrique, a jaded painter. Some not so friendly. Everyone is lorded

over by the mysterious 'man of the house', who Jayne hears of but has yet to meet. She questions why she has been chosen to live among such colorful, different people. Only to be shocked by the answer. She knows she must find a way to escape captivity. However, if the time comes... will she want to leave? Marilyn Reynolds has brought many disaffected, school-hostile, and wholly unmotivated students into the ranks of lifelong readers. In this concise, practical book, she shares techniques she has used and personal anecdotes that reveal much about reluctant readers and teachers who struggle daily to engage them. Among many other key topics, Reynolds discusses: the importance of respect for students' attitudes, experiences, perceptions, and choices regarding reading tips for motivating reluctant readers classroom management issues student/teacher/program accountability. In addition to insightful analysis, Reynolds devotes a good portion of her book to practical, immediately usable resources, including answers to frequently asked questions, prompts for teaching, and a separate section of "Tricks of the Trade" with logs, forms, an extensive list of "hit" books, and much more. Read Reynolds and offer your reluctant readers the gift of a reading habit. Is a willful little darling driving you to distraction? The New Strong-Willed Child is the resource you need—a classic bestseller completely rewritten, updated, and expanded for a new generation of parents and teachers. Challenging as they are to raise, strong-willed children can grow up to be men and women of strong character—if lovingly guided with understanding and the right kind of discipline. Find out what Dr. James Dobson, today's most trusted authority on parenting, has to say about what makes strong-willed children the way they are; shaping the will while protecting the spirit; avoiding the most common parenting mistake; and much more. If you are struggling to raise and teach children who are convinced they should be able to live by their own rules, The New Strong-Willed Child is a must-read! (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.) With an enduring grasp of human nature, Dale Carnegie's How to Win Friends and Influence People teaches his readers how to handle people

without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library. The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series! Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine

how serious he is. And much more . . .  
Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships. Are you overworked, physically challenged or just a plain lazy individual who hates to clean but wants to live in tidier surroundings? There are many clever tricks along the way in these writings without taking one's life too seriously. It's almost an autobiographical look at the author's journey through time raising two little boys who make this single parent jump through hoops while trying to manage a really messy house. The stories are sometimes humorous and other times disastrous. Yet the solutions put forth are amazingly simple. You cannot finish this book without consciously or subconsciously incorporating some of the suggestions into your own lifestyle. This creative work is a time capsule that was first completed when my daughter Amanda was yet unborn. On the occasion of her high school graduation, I dusted off this once finished manuscript to set to paper a few thoughts as an epilogue. It's easy to recognize a strong-willed child. Difficult to discipline, at times impossible to motivate, strong-willed children present unique, frustrating, and often exhausting challenges to those who care for them. But now, the miracle parents long for can happen. Offering new hope, achievable goals, and a breath of fresh air to families and teachers, Cynthia Tobias explains how the mind of a strong-willed child works - and how to use that information to the child's best advantage. From the Hardcover edition. If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you... “I love the practical strategies and valuable insights from the hearts and lives of strong-willed kids.... You'll definitely want to make this book part of your parenting library.”  
—Dr. Kevin Leman, New York Times best-selling

author of *Have a New Kid by Friday Turn Conflict into Cooperation* Many parents suspect their strong-willed child is deliberately trying to drive them crazy. Difficult to discipline and seemingly impossible to motivate, these children present unique, exhausting, and often-frustrating challenges to the those who love them. But strong will is not a negative trait. These same children have firm convictions, high spirits, a sense of adventure—all the makings of a great adult. In this book you'll discover how to channel that passion and determination in positive ways as you build a healthy relationship. Through insights gained from strong-willed people of all ages, you'll... · better understand how their minds really work. · discover positive ways to motivate your strong-willed child. · learn how to share control without compromising parental authority. · apply key tactics to survive a meltdown. · get practical tips for parents who disagree, blended families, and single parents. Packed with immediately useful strategies to drastically reduce the level of tension in the home (or in the classroom), *You Can't Make Me* shows how you can start today to build a stronger, more positive relationship with your strong-willed child. Includes... · Top Ten Tips for Bringing Out the Best in a Strong-Willed Child of Any Age · A Strong-Willed Child Emergency Kit New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him *The Fittest (Real) Man in America*. In this curse-word-free edition of *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this *The 40% Rule*, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.
